It's Like This, Cat Emily Neville, 2017-02-22 Dave has the usual adolescent problems mitigated by the consoling company of his cat Recounted with humor and a realistic teenage voice this Newbery Award winner unfolds amid the excitement of 1960s New York City Superb The New York Times Brightly Woven Alexandra Bracken, 2010-06-01 When Wayland North brings rain to a region that s been dry for over ten years he s promised anything he d like as a reward He chooses the village elder s daughter sixteen year old Sydelle Mirabel who is a skilled weaver and has an unusual knack for repairing his magical cloaks Though Sydelle has dreamt of escaping her home she s hurt that her parents relinquish her so freely and finds herself awed and afraid of the slightly ragtag wizard who is unlike any of the men of magic in the tales she s heard Still she is drawn to this mysterious man who is fiercely protective of her and so reluctant to share his own past The pair rushes toward the capital intent to stop an imminent war pursued by Reuel Dorwan a dark wizard who has taken a keen interest in Sydelle and plagued by unusually wild weather But the sudden earthquakes and freak snowstorms may not be a coincidence As Sydelle discovers North s dark secret and the reason for his interest in her and learns to master her own mysterious power it becomes increasingly clear that the fate of the kingdom rests in her fingertips She will either be a savior weaving together the frayed bonds between Saldorra and Auster or the disastrous force that destroys both kingdoms forever From the Hardcover edition Angel Star Jennifer Murgia, 2010-05-18 Teenager Teagan McNeel falls for a captivating man who

carries the mark of an angel Suddenly she and Garreth find themselves vulnerable to a dark angel s plan *Writing for Children and Teens* Cynthia Liu,2008 Nowhere will you find a more comprehensive current and detailed writing skills course designed specifically for writing children and teen books written by a children s and young adult author who is in the field today **WRITING FOR CHILDREN AND TEENS A CRASH COURSE** is a ten step course that relays all the nitty gritty details of the business beginning with how to evaluate your book idea all the way to pitching your book to editors and agents Within each step you ll find clear and specific information covering topics such as the children s book market manuscript format commonly made mistakes and editing tips to beef up your writing skills finding the right literary agent or children s book publisher and professional submission etiquette This book will even tell you what kind of paper you should use and exactly how you should write your email or letter pitches to editors and agents Bonus materials include templates for all of your submission needs as well as examples of real life editorial letters sent to authors from editors today You will get a complete inside peak to the children s and YA fiction writing market for those who want to write picture books easy readers chapter books and middle grade or young adult teen novels **The Unwritten Rule** Elizabeth Scott,2010-04-03 Sarah and Brianna have always been friends and it s always gone like this guys talk to Sarah in order to get closer to Brianna So even though Sarah met Ryan first she s not surprised that he ends up with Brianna even though Sarah has a massive crush on him The three of them hang out and Sarah and Ryan s friendship grows until one night an innocent exchange between them leads to a moment that makes Sarah realize that Ryan might be interested in her after all But if there s one unwritten rule it s this you don t mess around with a friend s boyfriend So Sarah tries to resist temptation But with the three of them thrown together more and more tension builds between Sarah and Ryan and when they find themselves alone together at one point they realize they just can t fight how they feel anymore **The Illio** ,1911 Balancing the Big Stuff Miriam Liss,Holly H. Schiffrin,2014-08-07 While the current conversation about work family balance and having it all tends to focus on women both men and women are harmed when conditions make it impossible to balance meaningful work with family life Yet both will benefit from re evaluating what it means to have it all and fighting for changes in their relationships and society to make greater equality possible Here Miriam Liss and Holly Hollomon Schiffrin discuss the ways in which we all define having it all and how we can obtain it for ourselves through a better evaluation of what we want from ourselves our families our jobs and each other Determining a 50 50 division of labor around the house may not be the thing that works for everyone Working from home or not at all may not be the thing to bring us satisfaction but learning what studies show and how to feel balanced and make those decisions to bring balance is crucial The authors argue that people can find balance in their roles by doing things in moderation Although being engaged in both parenting and work is good for well being people can avoid the pitfalls of over parenting and over working They show that balance can come from a meaningful consideration of what happiness and contentedness mean to us as individuals and how best to achieve our goals within the limitations of our current

circumstances They illustrate that balance is not simply an individual problem Social issues such as the lack of parental leave flexible work schedules and affordable high quality child care make balance difficult With attention now on the issue they argue that it s time men and women advocate for better services and better opportunities to achieve balance happiness and success in all their roles
