John Bevere,2015-08-11 These days the terms good and God seem synonymous We believe what's generally accepted as good must be in line with God's will Generosity humility justice good Selfishness arrogance cruelty evil The distinction seems pretty straightforward But is that all there is to it If good is so obvious why does the Bible say that we need discernment to

recognize it Good or God isn't another self help message This book will do more than ask you to change your behavior It will empower you to engage with God on a level that will change every aspect of your life **Precious Remedies Against Satan's Devices** Thomas Brooks,1810 *The Spirit of Python* Jentezen Franklin,2013 New York Times best selling author Jentezen Franklin is back with a message that will inspire you to break free and reclaim a life of passion purpose and praise

Eat This Book Eugene H. Peterson,2009-07-29 Eugene Peterson maintains that how we read the Bible is as important as that we read it The second volume of Peterson's momentous five part work on spiritual theology *Eat This Book* challenges us to read the Scriptures on their own terms as God's revelation and to live them as we read them Countering the widespread practice of using the Bible for self serving purposes Peterson here serves readers with a nourishing entrance into the formative life changing art of spiritual reading from the back of the book **Don't Take the Bait** Brian G. Hollins,2011-02-28 *The Mandaean Book of John* Charles G. Häberl,James F. McGrath,2019-11-18 Given the degree of popular fascination with Gnostic religions it is surprising how few pay attention to the one such religion that has survived from antiquity until the present day Mandaism Madaeans who esteem John the Baptist as the most famous adherent to their religion have in our time found themselves driven from their historic homelands by war and oppression Today they are a community in crisis but they provide us with unparalleled access to a library of ancient Gnostic scriptures as part of the living tradition that has sustained them across the centuries Gnostic texts such as these have caught popular interest in recent times as traditional assumptions about the original forms and cultural contexts of related religious traditions such as Judaism Christianity and Islam have been called into question However we can learn only so much from texts in isolation from their own contexts Mandaean literature uniquely allows us not only to increase our knowledge about Gnosticism and by extension all these other religions but also to observe the relationship between Gnostic texts rituals beliefs and living practices both historically and in the present day *Relentless* John Bevere,2012-12-18 Flee or Fight You experience adversity You know what it is like to endure hardship You hold on buckle down and ride the wave of bad fortune praying you will make it out alive You just do what it takes to survive But what if these trials had the raw potential to change your life What if the challenges you face could propel you to the next level of faith and maturity What if you were designed to thrive in adversity not merely get by John Bevere wants to take you on a journey to unlock your tenacity As he recounts the stories of Jesus and John the Baptist as well as those of many contemporary believers he presents a powerful pattern These pillars of faith do not just hang on and survive troubles They look adversity in the face and stare it down Armed with the truth in the Word and the power of prayer you too can join the determined ranks of the army of God Will you fight relentlessly Learn today how to fight never give up and enjoy all God has for you John Bevere has a mandate on his life to serve the body of Christ His desire to see everyone find and flourish in their God given destiny is evident in his teachings His love for Christ and deep revelation of the Word of God will have you pursuing the cause of Christ relentlessly Brian and Bobbie Houston senior pastors Hillsong Church

Baxter's Explore the Book J. Sidlow Baxter, 2010-09-21 Explore the Book is not a commentary with verse by verse annotations Neither is it just a series of analyses and outlines Rather it is a complete Bible survey course No one can finish this series of studies and remain unchanged The reader will receive lifelong benefit and be enriched by these practical and understandable studies Exposition commentary and practical application of the meaning and message of the Bible will be found throughout this giant volume Bible students without any background in Bible study will find this book of immense help as will those who have spent much time studying the Scriptures including pastors and teachers Explore the Book is the result and culmination of a lifetime of dedicated Bible study and exposition on the part of Dr Baxter It shows throughout a deep awareness and appreciation of the grand themes of the gospel as found from the opening book of the Bible through Revelation

A Stranger in the House of God John Koessler, 2009-08-30 Growing up the son of agnostics John Koessler saw a Catholic church on one end of the street and a Baptist on the other In the no man s land between the two this curious outside wondered about the God they worshipped and began a lifelong search to comprehend the grace and mystery of God A Stranger in the House of God addresses fundamental questions and struggles faced by spiritual seekers and mature believers Like a contemporary Pilgrim s Progress it traces the author s journey and explores his experiences with both charismatic and evangelical Christianity It also describes his transformation from religious outsider to ordained pastor John Koessler provides a poignant and often humorous window into the interior of the soul as he describes his journey from doubt and struggle with the church to personal faith
