book about money that takes this approach and that's a good thing Comparison has a way of weaving itself throughout all aspects of our lives including our money In Love Your Life Not Theirs Rachel Cruze outlines the seven money habits that really matter and they have nothing to do with keeping up with the Joneses Candace Cameron Bure Actress author and co host of The View Love Your Life Not Theirs is full of the kind of practical straightforward advice we've come to expect from Rachel Cruze She offers guidance on paying down debt smart saving and the right way to talk to your spouse about money These indispensable tips can help with day to day spending decisions and put you on a path to establishing healthy financial habits Susan Spencer Editor in Chief for Woman's Day Cruze's self deprecating and honest voice is a great resource for anyone wanting to take charge of their money With humor and approachability she helps her readers set themselves up for success and happiness no matter what current financial state they may be in Kimberly Williams Paisley New York Times best selling author of Where the Light Gets In In today's world of social media the temptation to play the comparison game is stronger than ever Love Your Life Not Theirs is the perfect reminder that when it comes to money comparison is a game you can't win A terrific and much needed read Jean Chatzky Financial Editor NBC TODAY and Host of HerMoney with Jean Chatzky Podcast
