A reference from what I studied to pass the Branch 2 Field Rep examination. I took the test twice and I brought questions I recall from the tests it back for this study template. It should be that other materials are provided to study and learn to pass the examination, but there really is not one reference to learning the answers of 4 test choices with 150 questions on each adding to a possible 600 possible questions you need to know. I have provided 200 of the questions in this book.

The Pharmaceutical Sales Representative Handbook Nov 14 2022 The most updated, comprehensive, real world, field manual on modern day pharmaceutical sales available today. This handbook was written by reps for reps. It was designed with you in mind, those that are out in the field everyday; selling and driving business for your company. This is not a handbook for getting into the industry or how to interview for your next pharmaceutical sales job, it is a boots on the ground field manual for success in this field, updated to include what the environment is like today and what it will be like in 5 years. As a retired military officer, I wish I had this book when I entered the industry eight years ago. Now you have the opportunity to hit the ground running with this field book, providing detailed information from being a standout in training to driving your sales beyond the competition in your first year in the field.
