[C-A-R-E Project](#) Dr. Gerri Holden, 2008-09-01 Every time a heart-wrenching display of violence in the schools or an appalling act of childhood aggression achieves its 15 minutes of fame in the media, we all shake our heads in dismay and despair over what should have been done and feel deeply grateful that it happened somewhere else. But of course, there's no guarantee these things can and do happen anywhere. And it is not what we do after, but what we can do before that matters. Teaching our children in the early grades about resolving conflicts is an urgently needed step in that direction.

Includes additional resources for kids, parents, and teachers, as well as advice from Trudy about how to combat trouble talk. Trudy Ludwig's books have sold more than 50,000 copies. Includes foreword by Dr. Charisse L. Nixon, author of *Girl Wars: 12 Strategies That Will End Female Bullying*.
