Professional Wrestling in Mississippi: A History Jan 10

2024 Bounce off the ropes for a high-flying jaunt through the

history of Magnolia State professional wrestling. At its

peak, professional wrestling was arguably the most popular sport in Mississippi. The

pageantry and colorful personalities appealed to grandparents and grandchildren alike. Author Jeffrey Martin invites readers to step inside the squared circle and revisit everything from the carnival wrestling days of the late 1800s to the chiseled melodrama of modern wrestling. Along the way, readers will learn about Billy Romanoff, the old-school wrestler turned promoter who made wrestling a weekly staple at the Jackson City Auditorium; Jerry Lawler and Bill Dundee, who brought down the house on Friday nights at the Tupelo Sports Arena; and George and Gil Culkin, the father-and-son duo who split with "Cowboy"

Bill Watts to create their own Mississippi territory, kickstarting the careers of Kamala, Terry Gordy, Michael Hayes and many other pivotal figures.

Demythologizing Jesus of
Nazareth: Was Jesus a
Historical Or Mthical Person?

Nov 15 2021 Some subjects are terribly complicated like Gravity, Dark Matter, Wormholes and the whole idea

of Quantum Physics. Recently, though, these difficult subjects have taken a back seat to the search for the historical Jesus, especially, after Dan Brown's book, *The Da Vinci Code*. Yet, it should be pointed out that the search to identify Jesus of Nazareth is not as difficult as liberals have led to believe. One problem is that liberals refuse to debate in the traditional manner of denying or affirming a proposition that can be proven true or false based on the evidence. Liberals insist on presenting hypotheses dressed in a postmodern worldview that allows subjective imagination to be valued as highly as historical facts. They present opinions

without labeling them as such, responding that, "My views are as authoritative as yours!" They do this while discounting and distorting concrete historical facts, without which, conservative scholars are left shadow-boxing avoidance and silence. ROBERT FULLER is an ordained minister having received his BA degree in the Biblical Field from Abilene Christian University and a M. Ed from the University of North Texas. Mr. Fuller's goal in this book is to reduce the highly technical material surrounding the Jesus-debates into a more easily understood vocabulary that avid readers without degrees can comprehend. This subject is extremely interesting

and important to the laity and those who have no idea about what is going on in this cultural conflict. I believe this book accomplishes its goal by unveiling the "slight-of-hand" illusions of scholars who present personal opinions in the guise of scholarship. Read this book and find out that some liberal scholars have stacked their bunk higher than a two-story building!

Adult Sibling Relationships
Dec 09 2023 The bond siblings develop in childhood may be vastly different from the relationship that evolves in adulthood. Driven by affection but also characterized by ambivalence and ambiguity, adult sibling relationships can

become hurtful, uncertain, competitive, or exhausting though the undercurrents of love and loyalty remain. An approach that recognizes the positive aspects of the changing sibling relationship, as well as those that need improvement, can restore healthy ties and rebuild family closeness. With in-depth case studies of more than 260 siblings over the age of forty and interviews with experts on mental health and family interaction, this book offers vital direction for traversing the emotional terrain of adult sibling relations. It pursues a richer understanding of ambivalence, a normal though little explored feeling among

siblings, and how ambiguity about the past or present can lead to miscommunication and estrangement. For both professionals and general readers, this book clarifies the most confounding elements of sibling relationships and provides specific suggestions for realizing new, productive avenues of friendship in middle and later life—skills that are particularly important for siblings who must cooperate to care for aging parents or give immediate emotional or financial support to other siblings or family members. The laws of Shabbat; of the Festival Offerings; and acts of trespass; are like mountains suspended by a hair; for there are but scant Scriptural foundation for them but there are numerous halakhot for them.
