Jewels A Secret History Victoria Finlay

Jewels Victoria Finlay, 2007-08-14 Throughout history precious stones have inspired passions and poetry quests and curses sacred writings and unsacred actions In this scintillating book journalist Victoria Finlay embarks on her own globe circling search for the real stories behind some of the gems we prize most Blending adventure travel geology exciting new research and her own irresistible charm Finlay has fashioned a treasure hunt for some of the most valuable glamorous and mysterious substances on earth With the same intense curiosity and narrative flair she displayed in her widely praised book *Color* Finlay journeys from the underground opal churches of outback Australia to the once pearl rich rivers of Scotland from the peridot mines on an Apache reservation in Arizona to the remote ruby mines in the mountains of northern Burma She risks confronting scorpions to crawl through Cleopatra's long deserted emerald mines tries her hand at gem cutting in the dusty Sri Lankan city where Marco Polo bartered for sapphires and investigates a rumor that fifty years ago most of the world's amber was mined by prisoners in a Soviet gulag *Jewels* is a unique and often exhilarating voyage through history across cultures deep into the earth's mantle and up to the glittering heights of fame power and wealth From the fabled curse of the Hope Diamond to the disturbing truths about how pearls are cultured to the peasants who were once executed for carrying amber to the centuries old quest by magicians and scientists to make a perfect diamond *Jewels* tells dazzling stories with a wonderment and brilliance truly worthy of its subjects

Buried Treasure Victoria Finlay, 2006 An intrepid journey to uncover the secret histories of precious stones Victoria's search takes her to Egypt to find the lost emerald mines of Cleopatra to the Australian opal fields with their underground towns to Burma where she is spied on by the military junta and to a secret location to meet the world's best diamond cutter She reveals the wealth of human stories behind gemstones and discovers with the advent of synthetics an industry on the brink of crisis

Fabric Victoria Finlay, 2022-06-07 A magnificent work of original research that unravels history through textiles and cloth how we make it use it and what it means to us How is a handmade fabric helping save an ancient forest Why is a famous fabric pattern from India best known by the name of a Scottish town How is a Chinese dragon robe a diagram of the whole universe What is the difference between how the Greek Fates and the Viking Norns used threads to tell our destiny In *Fabric* bestselling author Victoria Finlay spins us round the globe weaving stories of our relationship with cloth and asking how and why people through the ages have made it worn it invented it and made symbols out of it And sometimes why they have fought for it She beats the inner bark of trees into cloth in Papua New Guinea fails to handspin cotton in Guatemala visits tweed weavers at their homes in Harris and has lessons in patchwork making in Gee's Bend Alabama where in the 1930s deprived of almost everything they owned a community of women turned quilting into an art form She began her research just after the deaths of both her parents and entwined in the threads she found her personal story too *Fabric* is not just a material history of our world but Finlay's own journey through grief and recovery

The Brilliant History of Color in Art Victoria Finlay, 2014-11-01 The history of art is inseparable from the history of color And what a fascinating story they tell together one that brims with an all star cast of characters eye opening details and unexpected detours through the annals of human civilization and scientific discovery Enter critically acclaimed writer and popular journalist Victoria Finlay who here takes readers across the globe and over the centuries on an unforgettable tour through the brilliant history of color in art Written for newcomers to the subject and aspiring young artists alike Finlay s quest to uncover the origins and science of color will beguile readers of all ages with its warm and conversational style Her rich narrative is illustrated in full color throughout with 166 major works of art most from the collections of the J Paul Getty Museum Readers of this book will revel in a treasure trove of fun filled facts and anecdotes Were it not for Cleopatra for instance purple might not have become the royal color of the Western world Without Napoleon the black graphite pencil might never have found its way into the hands of C zanne Without mango eating cows the sunsets of Turner might have lost their shimmering glow And were it not for the pigment cobalt blue the halls of museums worldwide might still be filled with forged Vermeers Red ochre green earth Indian yellow lead white no pigment from the artist s broad and diverse palette escapes Finlay s shrewd eye in this breathtaking exploration

Colour Victoria Finlay, 2014-12-30 A rare and wonderful book I could not be more enthusiastic Simon Winchester A treasure trove of human history and obsession the breadth of research and insight is dazzling Glasgow Herald Colour unlocks the history of the colours of the rainbow and reveals how paints came to be invented discovered traded and used This remarkable and beautifully written book part travelogue part narrative history remembers a time when red paint was really the colour of blood when orange was the poison pigment blue as expensive as gold and yellow made from the urine of cows force fed with mangoes It looks at how green was carried by yaks along the silk road and how an entire nation was founded on the colour purple A highly companionable guide adventurous and romantic Independent on Sunday Exciting richly informative and always surprising Colour lifts the lid on the historical palette and unearths an astonishing wealth of stories about the quest for colours and our efforts to understand them

Buried Treasure Victoria Finlay, 2006 Uncovering the secret histories of precious stones Victoria Finlay s search takes her to Egypt to find the lost emerald mines of Cleopatra to the Australian opal fields with their underground towns to Burma where she is spied on by the military junta and to a secret location to meet a diamond cutter

Georgian Jewellery 1714-1830 Ginny Redington Dawes, Olivia Collings, 2018 Georgian Jewellery is a celebration of the style and excellence of the eighteenth century and of the ingenuity that produced such a wealth of fabulous jewellery Heavy academic tomes have already been written about the period but this book examines it in a more colourful and accessible way The book aims to show that Georgian jewellery is not only the stuff of museums and safe boxes but that it can be worn as elegantly and fashionably today as it was 200 years ago Much disparate information about the jewellery has been gathered together and the period is brought alive by portraits and character sketches of famous Georgians in their finery fashion tips gossip and some rather outrageous cartoons of the time as well as fascinating recently discovered facts With information on how to identify buy and repair pieces this sumptuously illustrated volume contains the largest single catalogue of 18th Century jewellery AUTHORS Ginny Redington Dawes a life long collector of antique jewellery has written two previous books on the subject The Bakelite Jewellery Book and Victorian Jewellery Staff writer for MGM Screengems Music she is also a successful composer she wrote the book music and lyrics for the off Broadway show The Talk of the Town and has won a CLEO award for music for advertising Olivia Collings became fascinated by the seventeenth century alchemist and jeweller Christopher Pinchbeck at an early age and bought her first piece of antique jewellery aged seven She trained in an exclusive Bond Street antique jewellery shop before starting her own business in 1975 and has continued learning about and dealing in Georgian jewellery ever since She is now an independent jewellery consultant SELLING POINTS A thoroughly researched look at the jewellery of the time offering good basic knowledge for the beginner and new facts for the expert New and or little known facts about the techniques styles and materials of the age The only book solely on the Georgian period and the largest ever catalogue of the diverse range of eighteenth century jewellery Interesting portraits of characters of the period and their influence on the jewels of the time with some contemporary gossip outrageous cartoons and period fashion tips Emphasis on jewellery that has been on the open market in recent years rather than just unobtainable museum pieces 295 colour 7 b w images

Color Victoria Finlay, 2003-12-30 In this vivid and captivating journey through the colors of an artist s palette Victoria Finlay takes us on an enthralling adventure around the world and through the ages illuminating how the colors we choose to value have determined the history of culture itself How did the most precious color blue travel all the way from remote lapis mines in Afghanistan to Michelangelo s brush What is the connection between brown paint and ancient Egyptian mummies Why did Robin Hood wear Lincoln green In Color Finlay explores the physical materials that color our world such as precious minerals and insect blood as well as the social and political meanings that color has carried through time Roman emperors used to wear togas dyed with a purple color that was made from an odorous Lebanese shellfish which probably meant their scent preceded them In the eighteenth century black dye was called logwood and grew along the Spanish Main Some of the first indigo plantations were started in America amazingly enough by a seventeen year old girl named Eliza And the popular van Gogh painting White Roses at Washington s National Gallery had to be renamed after a researcher discovered that the flowers were originally done in a pink paint that had faded nearly a century ago Color is full of extraordinary people events and anecdotes painted all the more dazzling by Finlay s engaging style Embark upon a thrilling adventure with this intrepid journalist as she travels on a donkey along ancient silk trade routes with the Phoenicians sailing the Mediterranean in search of a special purple shell that garners wealth sustenance and prestige with modern Chilean farmers breeding and bleeding insects for their viscous red blood The colors that craft our world have never looked so bright

The Truth About Lies Aja Raden,2021-05-11 Why do you believe what you believe You've been lied to Probably a lot We're always stunned when we realize we've been deceived We can't believe we were fooled What was I thinking How could I have believed that We always wonder why we believed the lie But have you ever wondered why you believe the truth People tell you the truth all the time and you believe them and if at some later point you're confronted with evidence that the story you believed was indeed true you never wonder why you believed it in the first place In this incisive and insightful taxonomy of lies and liars New York Times bestselling author Aja Raden makes the surprising claim that maybe you should Be buttressed by history psychology and science The Truth About Lies is both an eye-opening primer on con artistry from pyramid schemes to shell games forgery to hoaxes and also a telescopic view of society through the mechanics of belief why we lie why we believe and how if at all the acts differ Through wild tales of cons and marks Raden examines not only how lies actually work but also why they work from the evolutionary function of deception to what it reveals about our own In her previous book Stoned Raden asked What makes a thing valuable In The Truth About Lies she asks What makes a thing real With cutting wit and a deft touch Raden untangles the relationship of truth to lie belief to faith and deception to propaganda The Truth About Lies will change everything you thought you knew about what you know and whether you ever really know it
