Shostak,2017-07-12 Though it has been nearly seventy years since the Holocaust the human capacity for evil displayed by its perpetrators is still shocking and haunting But the story of the Nazi attempt to annihilate European Jewry is not all we should remember *Stealth Altruism* tells of secret non militant high risk efforts by Carers those victims who tried to reduce suffering and improve everyone s chances of survival Their empowering acts of altruism remind us of our inherent longing to do good even in situations of extraordinary brutality Arthur B Shostak explores forbidden acts of kindness such as sharing scarce clothing and food rations holding up weakened fellow prisoners during roll call secretly replacing an ailing friend in an exhausting work detail and much more He explores the motivation behind this dangerous behavior how it differed when in or out of sight who provided or undermined forbidden care the differing experiences of men and women how and why gentiles provided aid and most importantly how might the costly obscurity of stealth altruism soon be corrected To date memorialization has emphasized what was done to victims and sidelined what victims tried to do for one another Carers provide an inspiring model and their perilous efforts should be recognized and taught alongside the horrors of the Holocaust Humanity needs such inspiration     *Jewish Resistance During the Holocaust* J. Glass,2004-07-06 It is a common belief that Jews did nothing to resist their own fate in the Holocaust However the realities of disintegrating physical and psychological conditions and the efforts of ghetto undergrounds to counter collaborationist judenrat policies and the despair could not but lead to a breakdown in spiritual life     **The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos, 1933 -1945: Volume II** Geoffrey P.
