The Mountain Goat Dec 05 2022 An old camper van was all Ryan Browning's mother left him when she died last year. Ryan, a thirty-something physicist, has just been fired and could be facing prosecution. It might be a good time to hop in that old van and head out on a long road trip, perhaps to never return. When he goes to the bank to close out his account, Ryan meets the lovely customer service rep, Amanda Seward, who has a few issues of her own. And that's just the first unexpected encounter on a two-thousand-mile trek through the scenic American West. But the Mountain Goat takes Ryan and Amanda on a deeper road trip through the intersections of art and science, grief and faith, and love. And leads them face-to-face with a deadly threat far greater than they can imagine.

The Spirit of Food Mar 20 2024 You are invited to a feast for the senses and the spirit! Thirty-four adventurous writers open their kitchens, their recipe files, and their hearts to illustrate the many unexpected ways that food draws us closer to God, to community, and to creation. All bring a keen eye and palette to the larger questions of the role of food--both its presence and its absence--in the life of our bodies and spirits. Their essays take us to a Canadian wheat farm, a backyard tomato garden in Cincinnati, an organic farm in Maine; into a kosher kitchen, a line of Hurricane Katrina survivors as they wait to be fed, a church basement for a thirty-hour fast; inside the translucent layers of an onion that transport us to a meditation on heaven, to a church potluck, and to many other places and ways we can experience sacramental eating. In a time of great interest and equal confusion over the place of food in our lives, this rich collection, which includes personal recipes, will delight the senses, feed the spirit, enlarge our understanding, and deepen our ability to "eat and drink to the glory of God." Contributors Include: Alexander Schmemman, Alissa Herbaly Coons, Amy Frykholm, Andre Dubus, Ann Voskamp, Brian Volck, Caroline Langston, Deborah Leiter Nyabuti, Denise Frame Harlan, Fred Raynaud, Gary LeBlanc, Gina Ochsner, Hannah Faith Notess, Jacqueline Rhodes, Jeanne Murray Walker, Jeremy Clive Huggins, K. City Goats Jan 06 2023 **CLICK HERE** to download the chapter called "Legalizing Goats In Your City" from **City Goats Time Magazine** calls author Jennie Grant the, "godmother of goat lovers." * Explains the how-to and benefits of keeping and raising milking goats on your city lot * Get a healthy source of milk, as well as a hobby that will change your life * Longtime urban goat keeper Jennie Grant is an experienced city goat farmer and Goat Justice activist **JENNIE GRANT** is your average 40-something mother with a bungalow in Seattle's leafy Madrona neighborhood, a happy middle-school child, a tolerant husband, and a pug named Eddie. Mastering Artisan Cheesemaking Feb 19 2024 The key to becoming a successful artisan cheesemaker is to develop the intuition essential for problem solving and developing unique

styles of cheeses. There are an increasing number of books on the market about making cheese, but none approaches the intricacies of cheesemaking science alongside considerations for preparing each type of cheese variety in as much detail as *Mastering Artisan Cheesemaking*. Indeed, this book fills a big hole in the market. Beginner guides leave you wanting more content and explanation of process, while recipe-based cookbooks often fail to dig deeper into the science, and therefore don't allow for a truly intuitive cheesemaker to develop. Acclaimed cheesemaker Gianaclis Caldwell has written the book she wishes existed when she was starting out. Every serious home-scale artisan cheesemaker—even those just beginning to experiment—will want this book as their bible to take them from their first quick mozzarella to a French mimolette, and ultimately to designing their own unique cheeses. This comprehensive and user-friendly guide thoroughly explains the art and science that allow milk to be transformed into epicurean masterpieces. Caldwell offers a deep look at the history, science, culture, and art of making artisan cheese on a small scale, and includes detailed information on equipment and setting up a home-scale operation. A large part of the book includes extensive process-based recipes dictating not only the hard numbers, but also the concepts behind each style of cheese and everything you want to know about affinage (aging) and using oils, brushes, waxes, infusions, and other creative aging and flavoring techniques. Also included are beautiful photographs, profiles of other cheesemakers, and in-depth appendices for quick reference in the preparation and aging room. *Mastering Artisan Cheesemaking* will also prove an invaluable resource for those with, or thinking of starting, a small-scale creamery. Let Gianaclis Caldwell be your mentor, guide, and cheering section as you follow the pathway to a mastery of cheesemaking. For the avid home hobbyist to the serious commercial artisan, *Mastering Artisan Cheesemaking* is an irreplaceable resource.
