Illuminati 2 Henry Makow,2010-04-28 A depraved satanic cult called the Illuminati is waging a covert war against humanity This is the key to mankind s tragic history and current predicament For more than a thousand years Cabalist money lenders have conspired to usurp power from church and aristocracy according to a plan detailed in The Protocols of the Elders of Zion This plan does not represent Jews but only a small cabal of bankers who organized in Masonic secret societies They intermarried with prominent Gentiles and formed a vast occult and criminal underground They are stealthily constructing a totalitarian world government They involve nations in needless wars and enthrall the masses with porn violence trivia and toys They attack our sources of identity and love God family country and race in order to stymie and dehumanize us Sounds incredible but after reading some of these 70 short essays you ll nod in agreement Their goal is to control your mind If you know the truth they can t

Illuminati3: Satanic Possession: There Is Only One Conspiracy Henry Makow Ph. D.,2014-04 From the Introduction What passes as spontaneous social change is in fact an organized process of satanic possession This development is not an isolated or recent phenomenon Western society is based on a rebellion against God and the natural and moral order The so called Enlightenment refers to Lucifer as the light giver It was an assertion of the Illuminati s determination to reject Reality the Creator s Design and construct an artificial reality more conducive to their interests and perversions This is what the Cabalist bankers mean by remaking the world or changing the world There is no way to sugarcoat this Satanist Cabalist Jews and Freemasons are waging a covert war against God and man and are close to achieving victory Many Jews and Freemasons have been a subversive force throughout history the real reason for anti Semitism Of course the majority of Jews and Christians aren t aware of this process of satanic possession We have all succumbed to it Passing as secularism and humanism Satanism is the secret religion of the West

The Flat Earth as Key to Decrypt the Book of Enoch Zen Garcia,2015-09-26 Shortly after accepting the flat earth as a model for the world I decided to revisit the Book of the Courses of the Heavenly Luminaries to see if my new understanding would somehow mirror what Enoch was sharing as the motion of the sun and moon As I began to read chapters 71 82 I found to my utter amazement that I was able to grasp those passages I knew then that the vision that the angel Uriel had shown to Enoch could only be deciphered if one were to imagine Enoch s description of the revolution of the sun and the moon As seen from above the flat circular plane of the earth as described by Isaiah and that Enoch must have been taken up to perhaps where Polaris is centered directly above the North Pole and while looking down at the backdrop of the earth was instructed on the motions of both the sun and moon Without such conception it is in my opinion impossible to apply these descriptions to the model of the earth as a spherical planet
