The DERMAdoctor Skinstruction Manual goes beyond any other book on skin care you've ever read. In her trademark warm and witty tone, Dr. Kunin frankly discusses the skin conditions we've all had questions about -- including enlarged pores, rashes, discoloration, and more serious concerns like skin cancer -- and provides straightforward explanations about why and how they affect us all. But Dr. Kunin doesn't just explain the problem, she gives unique and useful advice for preventing skin problems before they happen and repairing or reversing them when they do. From head to toe, this book is your indispensable guide to:

- Glowing, beautiful skin: If you suffer from acne, oily skin, rosacea, or melasma, there are clear-cut steps you can take immediately to repair and rejuvenate your skin for good.
- A fresh and youthful appearance: Chapters on sun damage, stretch marks, cellulite, and more address the clichés we've all heard and the treatments we've all tried and offer innovative, practical, and medically proven solutions that really work!
- Healthy skin, inside and out: Dr. Kunin goes beneath the surface to discuss a wide variety of skin conditions that affect many of us, like hives and eczema, offering expert advice for their treatment and prevention.

Insightful and engaging, this invaluable handbook delivers noticeable results, with real-world answers to your skin care questions, all with a dose of humor and charm. In addition, there is helpful information on product ingredients, cosmetic treatments, and the beauty products that work best for your skin type. Packed with great advice and easy-to-follow instructions, The DERMA-doctor Skinstruction Manual is your companion for a lifetime of beautiful, healthy, and age-defying skin.

Because we marry them. Devastatingly funny and more than a little outrageous, Kathy offers up advice ("if he wants breakfast in bed, tell him to sleep in the kitchen"), her inimitable insights into the battle of the sexes ("statistically, 100% of divorces begin with marriage") and some scathing observations of the decidedly less fair sex ("all husbands think they're Gods. If only their wives weren't atheists"). Praise for Kathy Lette: 'Fabulous, fast-paced, funny & unapologetically female. Nobody does it better.' DEBORAH FRANCES-WHITE, THE GUILTY FEMINIST 'Deliciously rude and darkly funny, but with compassion and humanity at its heart. Read with relish.' NICOLE KIDMAN 'Kathy Lette can turn from raunchy farce to the most tender emotion in a trice.' STEPHEN FRY Have you
