This is the perfect and inexpensive minimalist Typographic birthday gift to sketch, put stickers, write memories, or take notes in Get yourself this amazing journal gift now We, school bus drivers, are a twenty-five-minute parents and a short trip teacher in our profession of driving school buses. Our responsibilities go beyond any training or preparation that we might have along the way, coping with difficult students and rewarding act of kindness from unexpected parents or students. Timing and safety are well seen by parents and teachers as good token for being always on time. However, school bus driver faces many scenarios which could test his/her patience and goodwill and put his/her job in jeopardy at any given time. In A School Bus Driver's Memoirs, I described several scenarios--some funny, others were exciting and traumatic, but most of them were rewarding and happiness as part of the daily life of a school bus driver. Odessa Ostrich enjoys playing dress-up as a princess and driving her unique bus. On a special ride with a few neighborhood friends, they are invited to share a meal with Odessa's grandfather, Pappy-O. When the friends take casseroles to the dinner, Odessa is sad because she believes she has nothing to share. Her friends teach Odessa that sometimes, sharing means offering friendship and treating others with kindness and love. Odessa knows she is a very blessed ostrich and

always makes sure to thank God for His many blessings of friends, family, and her special bus. Susan Cook enjoyed reading to her children as well as countless others in public schools during her tenure on a Board of Education in Maryland. Now she has the ultimate joy of reading to her two young grandchildren. "It is exciting and rewarding to have a child hang on every word from a book. Lighting the imagination of a child is opening endless opportunities to make the undiscovered a possibility. Writing this book is a gift of love to children of all ages." Several characters in the book were inspired by favorite toys belonging to her grandchildren. Enjoy the adventure. Lined 6x9 journal with 100 blank pages. This is the perfect and inexpensive minimalist Typographic birthday gift to sketch, put stickers, write memories, or take notes in Get yourself this amazing journal gift now Sometime through, no fault of the children, the craziest things can happen to a bus driver. Who could ever imagine that a wild turkey would come crashing through the window, all cut up and bloody still flapping its wings all over the bus? It's a miracle the driver did not crash the bus! She was so shaken by the experience that she could no longer work the rest of the day... The Life of a School Bus Driver is a first hand account discussing and illustrating the many experiences encountered during a life time of public service as a School Bus Driver. A loving and caring school bus driver tells the hysterical, heartwarming, and special true stories of kids that ride her bus. You will roar laughing and weep a few tears, as she takes on many journeys. School bus drivers are many times overlooked as a person interacting with your child. In the end, you will want your child to ride on her bus. A school bus driver carries her own stop sign with her when she drives. She can stop traffic whenever she needs to! Read about the many kinds of bus drivers in your neighborhood and learn how they help people get where they want to go. The footpath of a special child becoming a special man, and the challenges met and surmounted by his mother, form the core of this captivating narrative. As we shift between the perspectives of Ella, the mother, and Andrew, the son, we touch down in different time frames, capturing unfettered glimpses into his simple outlook and guileless character, in contrast to Ella's complicated and multifaceted emotions. Ella juggles poverty, divorce, health crises, remarriage, and tragedy while raising six young children and struggling to navigate Andrew's special needs. Through her journey, she discovers

that life is as much about opposition and extremity as it is about smooth sailing. The story underscores common challenges of raising special-needs children, such as confusing medical diagnoses, problematic glitches in the educational system, and unsolicited opinions and judgments offered liberally by well-meaning outsiders. Far from clinical, the story is poignant and emotional, with some surprising twists and turns. Throughout, we become acquainted with the sincere and unassuming man that is Andrew as he embarks upon a surprisingly fortuitous career as a tour bus driver, one who genuinely cares about each passenger. The *Bus Driver's Mother* portrays the pain, challenges, and disappointments integral to life. It also depicts the wonder, surprises, and blessings which come, when least expected, along the way. It proposes that every level of intellect should be esteemed, and that indeed, every child ought to be cherished. DID YOU KNOW THAT school busing is America's largest transit system? According to the American School Bus Council, 26 million students ride a school bus every day. School bus drivers across the country are entrusted with the care and safety of more than 25 million children as they are transported to and from school and school-related activities. School buses provide 10 billion annual student rides. Each school bus carries fifty to sixty-five passengers per route, per school. Most drivers have three daily pickup routes in the morning and afternoons. The first route picks up elementary school children, the second route picks up middle school children, and the third route picks up high schoolers. This is an empty 110 blank lined page notebook with matte cover. An ideal gift for all bus drivers who bring our children safely to school every day. Perfect for all school bus drivers who are retiring or still actively driving. Ideal gift idea for your favourite driver for birthday or Christmas. ROMAN BLAISE BLAISE "Understanding the Complex Reality of the SCHOOL BUS DRIVER'S JOB" is the testimony of a school bus driver named Roman Blaise. Throughout the school year, trying to please everyone and answer every question; screaming at the students for their safety on the bus, also smiling, playing and even dancing for them. When necessary, requiring order out of troublemakers, caution out of harassment of other drivers, fairness out of indifference. This book contains important tools of prevention, asks for more children's understanding, talks about what Roman Blaise has seen and heard, raises various problems encountered

by school bus drivers, laments the loss of a colleague. It also questions the system of things and is waiting for answers, forces drivers to learn to adapt to students, raises the barrier of communication between immigrant drivers and students, and tests the driver's conscience. It ends the last school day with the tears of a black kindergartener who will miss forever the affection of his dear white female teacher. Everyone endowed with the passion to know, should reserve in his library a space for this fascinating book, "Understanding the Complex Reality of the SCHOOL BUS DRIVER'S JOB".

This is the perfect and inexpensive minimalist Typographic birthday gift to sketch, put stickers, write memories, or take notes in Get yourself this amazing journal gift now Introduction Depicted in the early 1990s in Banskfield, NY, this novel explores the controversial attitudes of the school district's administrative powers and their approach on what to do about the education of pregnant teenage students. The time line spans from the fall semester through the spring semester, approximately eight months in the lives of the principal, students, parents, and the school bus driver at Parker High School, the school dedicated exclusively for pregnant teenage girls in the Alternative School For Educational

Advancement program (ASFEA). When the ASFEA comes under severe scrutiny, Mrs. Bernese Thompson, the principal at Parker High, digs in deeply, to fight for the survival of the school and the students she is professionally and personally committed to support. After experiencing the previous year's mayhem, she thoroughly believed that it prepared her for anything unexpected that could possibly come her way. Never could Mrs. Thompson have suspected nor could she have been prepared for what lay ahead. There is much more beneath the surface at Parker High. Secrets have grown in the silence of denial that now propels impending storms. Amy, Hippiie, and Mrs. Burrell, the school bus driver, have to let go of their reluctance to deal with the underlying problems beneath the surface, when an unexpected tragedy forces them to act. Even though faced with overwhelming responsibility and obstacles in their young lives, some of the girls never lose sight of their dreams, while others are stripped of their dreams and much more. There was never a dull moment on the school bus in usual circumstances, but the engaging, dramatic and enlightening sequence of events at the core of this story becomes a rite of passage for them all. However, there is a bright lining in the storm clouds when the strong winds have blown and finally cleared the air. Thankfully, something wonderfully transformative occurs, for at least, most of them.
