Romiette and Julio Sharon M. Draper,2010-12-07 Do you feel the soul of another calling to you Do you know in your heart that your destiny and his were meant to merge In the cosmos We can help you find him When Romiette Cappelle and her best friend Destiny decide to order The Scientific Soul Mate System from the back of Heavy Hunks magazine they re not sure what they re getting into But Destiny a self proclaimed psychic assures Romi that for 44 99 plus shipping and handling it s the only way they re ever going to find out who their soul mates really are If nothing else maybe Romi will get some insight into that recurring dream she s been having about fire and water But they never expect that the scented candle and tube of dream ointment will live up to their promises and merge Romiette s destiny with that of Julio Montague a boy she s just met in the cosmos of an Internet chat room It turns out they go to the same high school not to mention having almost the same names as Shakespeare s famous lovers Sweet scented dreams of Julio have almost overtaken Romi s nightmares when suddenly they return but this time in real life It seems the Devildogs a local gang violently oppose the relationship of Romiette and Julio Soon they find themselves haunted by the purple clad shadows of the gang and the fire and water of Romiette s dream merge in ways more terrifying and ultimately more affirming than even Destiny could have foreseen

The Conjugal Dictatorship of Ferdinand and Imelda Marcos Primitivo Mijares, 2016-01-17

Author s Foreword This book is unfinished The Filipino people shall finish it for me I wrote this volume very very slowly I could have done with it In three months after my defection from the conjugal dictatorship of Ferdinand and Imelda Marcos on February 20 1975 Instead I found myself availing of every excuse to slow it down A close associate Marcelino P Sarmiento even warned me Baka mapanis yan Your book could become stale While I availed of almost any excuse not to finish the manuscript of this volume I felt the tangible voices of a muted people back home in the Philippines beckoning to me from across the vast Pacific Ocean In whichever way I turned I was confronted by the distraught images of the Filipino multitudes crying out to me to finish this work lest the frailty of human memory or any incident a la Nalundasan consign to oblivion the matters I had in mind to form the vital parts of this book It was as if the Filipino multitudes and history itself were surging in an endless wave presenting a compelling demand on me to San Francisco California perpetuate the personal knowledge I have gained on the infamous machinations of Ferdinand E Marcos and his overly ambitious wife Imelda that led to a day of infamy in my country that Black Friday on September 22 1972 when martial law was declared as a means to establish history s first conjugal dictatorship The sense of urgency in finishing this work was also goaded by the thought that Marcos does not have eternal life and that the Filipino people are of unimaginable forgiving posture I thought that if I did not perpetuate this work for posterity Marcos might unduly benefit from a Laurelian statement that when a man dies the virtues of his past are magnified and his faults are reduced to molehills This is a book for which so much has been offered and done by Marcos and his minions so that it would never see the light of print Now that it is off the press I entertain greater fear that so much more will be done to prevent its circulation not only in the Philippines but also in the United States But this work now belongs to history Let it speak for itself in the context of developments within the coming months or years Although it finds great relevance in the present life of the present life of the Filipinos and of Americans interested in the study of subversion of democratic governments by apparently legal means this work seeks to find its proper niche in history which must inevitably render its judgment on the seizure of government power from the people by a lame duck Philippine President If I had finished this work immediately after my defection from the totalitarian regime of Ferdinand and Imelda or after the vicious campaign of the dictatorship to vilify me in July August 1975 then I could have done so only in anger Anger did influence my production of certain portions of the manuscript However as I put the finishing touches to my work I found myself expurgating it of the

personal venom the virulence and intemperate language of my original draft Some of the materials that went into this work had been of public knowledge in the Philippines If I had used them it was with the intention of utilizing them as links to heretofore unrevealed facets of the various ruses that Marcos employed to establish his dictatorship Now I have kept faith with the Filipino people I have kept my rendezvous with history I have with this work discharged my obligation to myself my profession of journalism my family and my country I had one other compelling reason for coming out with this work at the great risks of being uprooted from my beloved country of forced separation from my wife and children and losing their affection and of losing everything I have in my name in the Philippines or losing life itself It is that I wanted to make a public expiation for the little influence that I had more inside *Darkness Before Dawn* Sharon M. Draper, 2013-07-23 Recovering from the recent suicide of her ex boyfriend senior class president Keisha Montgomery finds herself attracted to a dangerous older man Painting the Black Carl Deuker, 1997-04-28 In his senior year of high school late bloomer Ryan Ward has just begun to feel the magic of baseball the magic of catching a wicked slider of throwing a runner out of training hard and playing hard and pushing his limits Giving up baseball would be like getting off the most exciting ride of his life But when one of his teammates clearly pushes the limits too far Ryan is faced with a heartbreaking dilemma he must choose between his love for the game and his sense of integrity two things that in his mind baseball should bring together **Shadows of Caesar's Creek** Sharon M. Draper, 2011-09-06 In this third book of the classic chapter book series by award winning author Sharon M Draper four boys who call themselves the Black Dinosaurs go on a spooky camping trip filled with Native American lore Ziggy and friends are excited about their overnight camping trip to Caesar s Creek State Park named after a Shawnee chief Their camp counselor is a descendant of Caesar and fills the campers imaginations with fun and spooky stories about her ancestors and the Shawnee legends When Ziggy and the rest of the Clubhouse gang decide to test their courage like the Shawnee youth did things don t go quite as planned And when they end up lost strange things start to happen Could it just be the animals roaming the woods Or are the ancient spirits of Caesar back to haunt their old stomping grounds **Fenway and Hattie and the Evil Bunny Gang** Victoria J. Coe, 2017 When Fenway s beloved short human Hattie brings home a rival pet in the form of a fluffy twitching rabbit Fenway s determined to oust the intruder but doing so will cost him Ziggy and the Black Dinosaurs Sharon M Draper, Sharon Mills Per, 1994 When Ziggy gets the word that the trip to Camp Caesar is on he can t wait to tell his friends the Black Dinosaurs But the four pals couldn t know what excitement awaited them In this third adventure the boys learn a lot about American Naive American and African American history *Linking Literature with Life* Alexa L. Sandmann, John F. Ahern, 2002 Three significant changes have impacted the teaching of social studies to young adolescents in the past decade 1 development of the curriculum standards for social studies by the National Council for the Social Studies NCSS 2 growth in the number of middle schools which are premised on the integration of content and 3 expansive use of children s literature in social studies This book is in response to those innovations which are explained in

two parts 1 provides a rationale for using trade books in social studies and details strategies for nurturing students reading comprehension and 2 provides annotations for more than 250 trade books along with ideas for classroom use and recommends 150 additional titles An index by title and an index by subject are also included BT
