Dreamland Burning Jennifer Latham, 2017-02-21 A compelling dual narrated tale from Jennifer Latham that questions how far we've come with race relations. Some bodies won't stay buried. Some stories need to be told. When seventeen-year-old Rowan Chase finds a skeleton on her family's property, she has no idea that investigating the brutal century-old murder will lead to a summer of painful discoveries about the present and the past. Nearly one hundred years earlier, a misguided violent encounter propels seventeen-year-old Will Tillman into a racial firestorm. In a country rife with violence against blacks and a hometown segregated by Jim Crow, Will must make hard choices on a painful journey towards self-discovery and face his inner demons in order to do what's right. The night Tulsa burns. Through intricately interwoven, alternating perspectives, Jennifer Latham's lightning-paced page-turner brings the Tulsa race riot of 1921 to blazing life and raises important questions about the complex state of US race relations both yesterday and today.

Luck Mark Twain, 2016-01-06 Luck is a classic humorous short story written by Mark Twain and first published in 1891. It's about a hero who is really a fool and why he owes it all to luck. Samuel Langhorne Clemens (November 30, 1835 – April 21, 1910), better known by his pen name Mark Twain, was an American author and humorist. He wrote *The Adventures of Tom Sawyer* (1876) and its sequel *Adventures of Huckleberry Finn* (1885), the latter often called *The Great American Novel*. Twain grew up in Hannibal, Missouri, which provided the setting for *Huckleberry Finn* and *Tom Sawyer*. After an apprenticeship with a printer, he worked as a typesetter and contributed articles to the newspaper of his older brother Orion Clemens. He later became a riverboat pilot on the Mississippi River before heading west to join Orion in Nevada. He referred humorously to his singular lack of success at mining, turning to journalism for the *Virginia City Territorial Enterprise*. In 1865, his humorous story *The Celebrated Jumping Frog of Calaveras County* was published, based on a story he heard at Angels Hotel in Angels Camp, California, where he had spent some time as a miner. The short story brought international attention and was even translated into classic Greek. His wit and satire in prose and in speech earned praise from critics and peers, and he was a friend to presidents, artists, industrialists, and European royalty. Though Twain earned a great deal of money from his writings and lectures, he invested in ventures that lost a great deal of money, notably the Paige Compositor, a mechanical typesetter which failed because of its complexity and imprecision. In the wake of these financial setbacks, he filed for protection from his creditors via bankruptcy, and with the help of Henry Huttleston Rogers, eventually overcame his financial troubles. Twain chose to pay all his pre-bankruptcy creditors in full, though he had no legal responsibility to do so. Twain was born shortly after a visit by Halley's Comet, and he predicted that he would go out with it, too. He died the day after the comet returned. He was lauded as the greatest American humorist of his age, and William Faulkner called Twain the father of American literature. Twain began his career writing light, humorous verse, but evolved into a chronicler of the vanities, hypocrisies, and murderous acts of mankind. At mid-career, with *Huckleberry Finn*, he combined rich humor, sturdy narrative, and social criticism. Twain was a master at rendering colloquial speech and helped to create and popularize a distinctive American literature built on American themes and language. Many of Twain's works have been suppressed at times for various reasons. *Adventures of Huckleberry Finn* has been repeatedly restricted in American high schools, not least for its frequent use of the word nigger, which was in common usage in the pre-Civil War period in which the novel was set.
