2022 Seventh Edition. 21 Complete Inservices: Abuse, Activities of Daily Living, Catheter Care and UTIs, Cognitive Impairment, Constipation, Falls, Feeding, Infectious Diseases, Nutrition and Hydration, Pain Care, Range of Motion, Resident Rights, Restraints, Sensory and Communication Impairments, Sexual Harassment and Professional Communication, Skin Care, Standard Precautions, Transfers and Lifts, Urinary Incontinence, Wandering, Workplace Violence. For the Nursing Instructor: Objectives and Outline, Lesson Notes and Handouts, Pre-test, Post-test, and Answer Key. Each topic packet includes everything needed to give an entire long term care inservice. Current with all RAI Manual Updates, Surveyor Guidelines and Federal Regulatory Changes. The Long Term Care Inservices book gives all of the basic information needed to fulfill the requirements of the Staff Development position in a long term care facility for nursing assistant training. Long term care inservice forms to facilitate scheduling, planning, assessment, and evaluation of inservices are included. The twenty-one long term care inservice topics include the basic inservices given yearly at most long term care facilities for nursing assistant training. The long term care inservices material is focused on the learning needs of nursing assistants, and uses the language of the Minimum Data Set MDS 3.0 and Nursing Care Plan, encouraging consistency in the long term care health care team approach. Quality Assurance expectations are reflected in the lessons, making quality of care a priority as well as meeting regulatory expectations. Each Long Term Care Inservice topic section contains all of the instructor's material and all of the handouts, so each inservice could be duplicated or printed from the CD. This convenient, money-saving package is a must-have for nursing students! It includes Mosby's Textbook for Nursing Assistants, 7th edition text, and Mosby's Nurse Assisting Skills DVD. Known for its comprehensive coverage, readability, and visual presentation, Mosby's Textbook for Nursing Assistants, 11th Edition helps prepare you to work in long-term care, acute care, and subacute care settings - and includes a practice scenario in each chapter to enhance your clinical judgment skills. It's the most comprehensive text for CNA programs, packed with step-by-step instructions for more than 100 procedures. Lifespan coverage includes skills not only for adults and older residents, but also for maternity and pediatric patients, so you can be comfortable working in a variety of care settings. Shorter, more focused chapters allow you to learn in manageable portions and an enhanced art program clarifies important concepts and procedural steps. NEW! Chapter organization breaks material into manageable portions, improving your ability to retain important information. NEW! More images depicting culturally diverse patients and care takers increase the variety of persons represented in the textbook. NEW! Shorter, more focused chapters help you retain important concepts and skills covered in the NATCEP certification exam. Complete coverage of the knowledge and skills needed to pass the state certification exam and engage in safe practice. Clear writing at a seventh-grade reading level ensures accessibility for low-level learners. More than 100 skills outlined in pre-procedure and post-procedure sections ensure you learn all the necessary steps to pass the skills portion of the certification exam. Focus on Math feature reviews mathematical calculations needed in various care measures and procedures. Getting a Job chapter covers the soft skills needed to seek and obtain employment. Focus on Surveys feature highlights the nursing assistant role during state inspections. Focus on Practice: Problem Solving scenarios stimulate critical thinking about common situations encountered during practice. Focus on PRIDE: The Person, Family, and Yourself boxes build on chapter concepts to help promote pride in the nursing assistant, the resident, and the resident's family. Promoting Safety and Comfort boxes emphasize the importance of the patient's or resident's safety and comfort. Delegation Guidelines detail the specifics of accepting delegated tasks. Focus on Children and Older Person boxes provide age-specific information about special needs, considerations, and circumstances of children and older persons. Focus on Long-Term Care and Home Care boxes highlight information vital to providing competent care in the long-term and home care settings. Focus on Communication boxes provide guidelines for how to clearly communicate with residents and avoid comments that might make them uncomfortable. Caring About Culture boxes contain information to help you learn about the various practices of other cultures. Teamwork and Time Management boxes provide specific guidelines to help nursing assistants work most efficiently, whether independently or as part of the nursing team. Chapter review questions are a useful study guide found at the end of each chapter. Get a complete study guide and certification review in one book with the Workbook and Competency Evaluation Review for Mosby's Textbook for Long-Term Care Nursing Assistants, 7th Edition. Engaging review questions, exercises, and valuable independent learning activities go beyond the textbook and build critical thinking skills to prepare you for your certification exam and clinical practice. A variety of activities and exercises including multiple-choice questions, matching, true/false, fill-in-the-blank, crossword puzzles, and labeling to enhance learning. Competency Evaluation Review section prepares you for certification exam without requiring you to purchase an additional text. Procedure checklists provide step-by-step list for completing skills for detailed instructor or self-evaluation of performance skills from the textbook. Procedure checklists icons alert you to additional sources and skills on companion CD or Evolve video clips for review prior to practicing the skill. Optional learning exercises and mini-case studies highlight concepts and skills within each chapter so you can apply concepts and build critical thinking skills. Independent learning activities in every chapter promote critical thinking with optional higher level study opportunities for those programs or learners wishing to go beyond the basic competency level. Now in its ninth edition, this market-leading book continues to prepare the nation's finest nursing assistants in the deliver safe, effective care in acute, sub-acute, long-term care, and home health settings by maintaining the time-tested hallmark features students and instructors love while staying current in the dynamic, ever-changing world of healthcare. Current, comprehensive, and written in a conversational, easy-to-read style, Lippincott Textbook for Nursing Assistants: A Humanistic Approach to Caregiving, 6th Edition, makes essential skills approachable and prepares students to deliver confident, compassionate care throughout their healthcare careers. This updated, streamlined 6th edition distills the must-know information students need for success as nursing assistants with a human-centered perspective, and guides students through the clinical decision-making process behind safe, effective clinical outcomes across today's healthcare landscape. This convenient, money-saving package is a must-have for nursing assistant students! It includes Mosby's Textbook for Nursing Assistants, 7th edition text, the Workbook for Mosby's Textbook for Nursing Assistants, and Mosby's Nursing Video Skills- Student Version DVD 3.0. This workbook to accompany Assisting in Long-Term Care, 5th Edition, helps you reinforce your knowledge of essential concepts. There are numerous exercises and activities to accompany each lesson, presented in a variety of formats. This assortment challenges you to think about what you learn in various ways. Revised and updated to reflect today's changing healthcare practice, Lippincott Essentials for Nursing Assistants: A Humanistic Approach to Caregiving, 5th edition, streamlines the path to success as a nursing assistant by detailing the foundational concepts and facts needed to competently and compassionately function in a long-term care facility, acute care facility, or home health agency. A concise, conversational approach makes key information accessible, and it is bolstered by helpful step-by-step guides through commonly performed procedures. These features ready students for challenges that nursing assistants might encounter in clinical practice. This combined text and workbook builds on the basic concepts and skills that the nursing assistant has already mastered. The tasks nursing assistants in advanced settings are expected to perform vary greatly in health care settings across the nation. Even if nursing assistants are not allowed to perform tasks independently, they are often expected to understand the care provided and assist other members of the health care team. The spirit of "lifelong learning" is at the heart of this text, which has been written in a way to inspire nursing assistants to set goals for career advancement and reach them. This comprehensive text provides the content necessary for training nursing assistants to provide restorative care in long-term care facilities, as required by OBRA law. The content includes measurable objectives and interventions to optimize resident care and to enable facilities to gain maximum reimbursement. This text provides all the information necessary to train nursing assistants in restorative care, as well as, the information required to implement a restorative care training program. It enables the necessary training to advance the certified nursing assistant to the restorative nursing assistant level. Thus, facilities to attain the goal of maintaining or improving residents' conditions. The text focuses on techniques to promote resident involvement, thereby improving resident independence and self-esteem.
