Performances of Injustice Dec 29 2023 Following unprecedented violence in 2007/8, Kenya introduced two classic transitional justice mechanisms: a truth commission and international criminal proceedings. Both are widely believed to have failed, but why? And

what do their performances say about contemporary Kenya; the ways in which violent pasts persist; and the shortcomings of transitional justice? Using the lens of performance, this book analyses how transitional justice efforts are incapable of dealing with how unjust and violent pasts actually persist. Gabrielle Lynch reveals the story of an ongoing political struggle requiring substantive socio-economic and political change that transitional justice mechanisms can theoretically recommend, and which they can sometimes help to initiate and inform, but which they cannot implement or create, and can sometimes unintentionally help to reinforce.

The Keys of Faith and Hope Apr 28 2021 Living a Christian life is not the same as being a Christian. Knowing the difference stems from the fact most Christians don't know what to do about it because religion doesn't have the answers. The answer abides in knowing God and His will for you and applying your faith to it. In *The Keys of Faith and Hope*, authors Robert and Kathy Kelsey provide a guide to help you apply your faith and get you from where you are with God now, to where God wants you to be. It helps answer important questions: What is faith? What is the God kind of faith? How do we get faith? How do we use our faith? How do we make faith grow? What is the relationship between faith and hope? *The Keys of Faith and Hope* demonstrates that these questions need to be answered in every Christian's mind because without faith it is impossible to please God. To have faith in God you must know God, not just know about Him. To understand God you must understand the keys to His kingdom. Unlock the mystery of God's will and achieve what He has planned for you.

Storms of Life Dec 17 2022 This book demonstrates the awareness of storms and how real storms are based on individual experiences, and Biblical application. Storms of life cannot be prevented except through Gods grace and intervention. This book makes us realize that there are different types of storms- unexpected storm, instant storm or financial storm to mention a few. Whatever type of storm it may be, it gives no notice before it manifest. Storm is no respecter of any one; it does not care about whom you are or your personality. It does not recognize whether you are prayerful or not, but it will strike. The storm brought us sadness and hurt and some famine; but yet we still rise by His Grace. The book exposes us to the facts that there will be storms in life. Storms are unpredictable; and we should not allow our faith to be moved during the storm; because there are times we feel like we have lost the battle. However, just as surely as the Lord is in control of our blessings, He is in charge of our storms. When things look the bleakest, God will show up! There is always an entry and exit to every storm. The test always brings testimony if we put Jesus in the middle of the Storm. It is safer in the storm with Jesus. The book indicates various ways we can deal with storms of life without allowing it to affect our health. During the storm we need to focus on God and take advice from the right people. We should have faith and act to stop the storm. Self-pity cannot help, but a courageous mind that will not accept defeat. The storm is temporary, and you will overcome it by Gods Grace through praying and trusting in the Lord.

Sword against the void Oct 03 2021 The air in the morning is very fresh, especially between the mountains and forests. The diffuse mist is accompanied by the morning glow of the rising sun, like a horse that is penetrated by the sun, emitting a soft luster and beautiful. And in this dense forest, a small village is clearly visible. "Mom, I'm leaving!" A teenager stood at the door and shouted at the room, with a handsome face and infinite agility in his ink-like eyes.
