stereotypes an in depth character and script analysis and a journal of the creation process it is my intention to reveal how a non superficial portrayal of this character is possible and can be duplicated Audrey s blonde traits will also be explored as they relate to the character s function within the play emphasizing the ways her specified bloneness serves the play s needs Analysis of the blonde stereotypes script and character analyses and the rehearsal journal will not only create a system for creating this type of character but also will illuminate why this character type is important to comedic theatrical literature
