Beautiful Oblivion Jamie McGuire,2014-07 A once popular young man helping to support his family after a tragic accident falls irrevocably in love with a fiercely independent and driven college student who wants to avoid romantic entanglements By the best selling author of Beautiful Disaster Original **The Swan of Vilamorta** Emilia Pardo Pardo Bazan,2017-06-17 Behind the pine grove the setting sun had left a zone of fire against which the trunks of the pine trees stood out like bronze columns The path was rugged and uneven giving evidence of the ravages wrought by the winter rains at intervals loose stones looking like teeth detached from the gum rendered it still more impracticable The melancholy shades of twilight were beginning to envelop the landscape little by little the sunset glow faded away and the moon round and silvery mounted in the heavens where the evening star was already shining The dismal croaking of the frogs fell sharply on the ear a fresh breeze stirred the dry plants and the dusty brambles that grew by the roadside and the trunks of the pine trees grew momentarily blacker standing out like inky bars against the pale green of the horizon pg 002 A man was descending the path slowly bent apparently on enjoying the poetry and the peace of the scene and the hour He carried a stout walking stick and as far as one could judge in the fading light he was young and not ill looking He paused frequently casting glances to the right and to the left as if in search of some familiar landmark Finally he stood still and looked around him At his back was a hill crowned with chestnut trees on his left was the pine grove on his right a small church with a mean belfry before him the outlying houses of the town He turned walked back some ten steps stopped fronting the portico of the church examined its walls and satisfied at last that he had found the right place raised his hands to his mouth and forming with them a sort of speaking trumpet cried in a clear youthful voice Echo let us talk together **City of Bones** Cassandra Clare,2015-09 Suddenly able to see demons and the Darkhunters who are dedicated to returning them to their own dimension fifteen year old Clary Fray is drawn into this bizarre world when her mother disappears and Clary herself is almost killed by a monster
