Embed the essentials across all topics in Year 9 Science. A student-friendly approach to KS3 This coursebook covers topics appropriate for KS3 Year 9 Maths and accurately reflects the language and content of the new Programme of Study. Along with the year 7 and 8 coursebooks full coverage of the KS3 programme of study is provided. This full-colour write-in workbook, structured around the individual test paper questions and skills, prepares students for the AQA Year 9 English Language Paper 1 and Paper 2 tests. Containing step-by-step support and practice as well as sample answers, tips and self-

assessments, this workbook can be used by students in class or at home. In line with the Key Stage 3 curriculum changes, these course books provide full coverage of the new programme of study. Every topic within each book comprises a clear overview of all the key concepts and ideas, followed by pages of practice material to reinforce learning, test understanding and help develop skills. The first 8 books of a new range (The World Of...), covering core curriculum topics in KS3 English, Maths, Science and French. Ideas are placed within the context of real-life scenarios to make the topics relevant and interesting. At Year 7, the contexts are introduced by four characters, whilst at Year 9 they use real-life examples to make the topics relevant and memorable. This approach reflects the emphasis in schools towards more contextualized-learning, i.e. learning about things within a relevant situation. Engaging, full-colour, content-rich spreads also include 'top tips' and 'did you know' features at Year 7, whilst at Year 9 there are 'examiner's tips' and 'key fact' panels to help prepare students for end of year 9 SATs. There are also end of section revision spreads, comprising a mixture of short answer and structured questions to recap and revise what's been learnt so far. Suitable for Levels 4-8, this workbook accompanies the new Key Stage 3 Year 9 Science Coursebook. The questions test understanding of the topics covered in the coursebook, helping to reinforce and consolidate learning and develop skills. Questions are grouped by attainment level to show progression within each topic.
