Right here, we have countless books The Farewell Symphony Edmund White and collections to check out. We additionally give variant types and next type of the books to browse. The satisfactory book, fiction, history, novel, scientific research, as without difficulty as various extra sorts of books are readily user-friendly here.

As this The Farewell Symphony Edmund White, it ends stirring living thing one of the favored ebook The Farewell Symphony Edmund White collections that we have. This is why you remain in the best website to look the incredible books to have.

If you ally craving such a referred The Farewell Symphony Edmund White ebook that will meet the expense of you worth, acquire the certainly best seller from us currently from several preferred authors. If you desire to funny books, lots of novels, tale, jokes, and more fictions collections are afterward launched, from best seller to one of the most current released.

You may not be perplexed to enjoy every book collections The Farewell Symphony Edmund White that we will extremely offer. It is not something like the costs. Its approximately what you compulsion currently. This The Farewell Symphony Edmund White, as one of the most operational sellers here will unquestionably be along with the best options to review.

Thank you for downloading The Farewell Symphony Edmund White. As you may know, people have search numerous times for their favorite books like this The Farewell Symphony Edmund White, but end up in harmful downloads. Rather than enjoying a good book with a cup of coffee in the afternoon, instead they cope with some malicious bugs inside their laptop.

The Farewell Symphony Edmund White is available in our digital library an online access to it is set as public so you can download it instantly. Our digital library saves in multiple countries, allowing you to get the most less latency time to download any of our books like this one. Merely said, the The Farewell Symphony Edmund White is universally compatible with any devices to read

Yeah, reviewing a books The Farewell Symphony Edmund White could go to your near associates listings. This is just one of the solutions for you to be successful. As understood, triumph does not suggest that you have astonishing points.

Comprehending as skillfully as concurrence even more than other will have enough money each success. bordering to, the statement as well as sharpness of this The Farewell Symphony Edmund White can be taken as competently as picked to act.

Following A Boy's Own Story (now a classic of American fiction) and his richly acclaimed The Beautiful Room Is Empty, here is the eagerly awaited final volume of Edmund White's groundbreaking autobiographical trilogy. Named for the work by Haydn in which the instrumentalists leave the stage one after another until only a single violin remains playing, this is the story of a man who has outlived most of his friends. Having reached the six-month anniversary of his lover's death, he embarks on a journey of remembrance that will recount his struggle to become a writer and his discovery of what it means to be a gay man. His witty, conversational narrative transports us from the 1960s to the near present, from starkly erotic scenes in the back rooms of New York clubs to episodes of rarefied hilarity in the salons of Paris to moments of family truth in the American Midwest. Along the way, a breathtaking variety of personal connections--and near misses--slowly builds an awareness of the transformative

power of genuine friendship, of love and loss, culminating in an indelible experience with a dying man. And as the flow of memory carries us across time, space and society, one man's magnificently realized story grows to encompass an entire generation. Sublimely funny yet elegiac, full of unsparingly trenchant social observation yet infused with wisdom and a deeply felt compassion, The Farewell Symphony is a triumph of reflection and expressive elegance. It is also a stunning and wholly original panorama of gay life over the past thirty years--the crowning achievement of one of our finest writers. The eight stories in this erotic and heartbreaking collection are barometers of difference. They measure the distance between an American expatriate and the Frenchman who tutors him in table manners and rough sex; the gulf between a man dying of AIDS and his uncomprehending relatives. "From the Trade Paperback edition. No one has been more frank, lucid, and entertaining about growing up gay in Middle America than Edmund White. Best known for his autobiographical novels, starting with A Boy's Own Story, White here takes fiction out of his story and delivers the facts of his life in all their shocking and absorbing verity. In My Lives, White shares his enthusiasms and his passions, and he introduces us to his lovers and predilections. The letters of a seducer to the great love of his life, a sensual tour-de-force by "the paterfamilias of queer literature" (New York Times) "Can't sleep tonight. Was lying in bed reading the biography of a great man whose genius deserted him . . . The genius who deserted me was you." In a series of late-night letters, gorgeous, funny, filled with memory, sensuality, and regret, a seducer calls across the years to the great love of his youth: an older, revered expatriate known, in his adoptive city, as the King of Naples. As the narrator evokes their affair, in scenes of beauty and remorse, his memories range over the men who came after and before, especially the seductive father who still haunts his erotic imagination. First published in 1978, before the trilogy of frankly autobiographical novels that made him famous, Nocturnes for the King of Naples reveals Edmund White at his most poetic, playful, and evocative, a magician on the level of James Salter, James Merrill, or Vladimir Nabokov. From Edmund White, a bold and sweeping new novel that traces the extraordinary fates of twin sisters, one destined for Parisian nobility and the other for Catholic sainthood. Yvette and Yvonne Crawford are twin sisters, born on a humble patch of East Texas prairie but bound for far more dramatic and tragic fates. Just as an untold fortune of oil lies beneath their daddy's land, both girls harbor their own secrets and dreams--ones that will carry them far from Texas and from each other. As the decades unfold, Yvonne will ascend the

*highest ranks of Parisian society as Yvette gives herself to a lifetime of worship and service in the streets of Jericó, Colombia. And yet, even as they remake themselves in their radically different lives, the twins find that the bonds of family and the past are unbreakable. Spanning the 1950s to the recent past, Edmund White's marvelous novel serves up an immensely pleasurable epic of two Texas women as their lives traverse varied worlds: the swaggering opulence of the Dallas nouveau riche, the airless pretension of the Paris gratin, and the strict piety of a Colombian convent. For nearly half a century, Edmund White's work has revitalized American literature, blithely breaking down boundaries of class and sexuality, and *A Saint From Texas* is one of his most joyous, gorgeously written, and piercing works to date. "An extraordinary novel" about growing up gay in the 1950s American Midwest (*The New York Times Book Review*). Critically lauded upon its initial publication in 1982 for its pioneering depiction of homosexuality, *A Boy's Own Story* is a moving tale about coming-of-age in midcentury America. With searing clarity and unabashed wit, Edmund White's unnamed protagonist yearns for what he knows to be shameful. He navigates an uneasy relationship with his father, confounds first loves, and faces disdain from his peers at school. In the embrace of another, he discovers the sincere and clumsy pleasures of adolescent sexuality. But for boys in the 1950s, these desires were unthinkable. Looking back on his experiences, the narrator notes, "I see now that what I wanted was to be loved by men and to love them back but not to be a homosexual." From a winner of the PEN/Saul Bellow Award for Lifetime Achievement in Literature, this trailblazing autobiographical story of one boy's youth is a moving, tender, and heartbreaking portrait of what it means to grow up. A new memoir from acclaimed author Edmund White about his life as a reader. Literary icon Edmund White made his name through his writing but remembers his life through the books he has read. For White, each momentous occasion came with a book to match: Proust's *Remembrance of Things Past*, which opened up the seemingly closed world of homosexuality while he was at boarding school in Michigan; the Ezra Pound poems adored by a lover he followed to New York; the biography of Stephen Crane that inspired one of White's novels. But it wasn't until heart surgery in 2014, when he temporarily lost his desire to read, that White realized the key role that reading played in his life: forming his tastes, shaping his memories, and amusing him through the best and worst life had to offer. Blending memoir and literary criticism, *The Unpunished Vice* is a compendium of all the ways reading has shaped White's life and work. His larger-than-life presence on the literary scene lends itself to*

fascinating, intimate insights into the lives of some of the world's best-loved cultural figures. With characteristic wit and candor, he recalls reading Henry James to Peggy Guggenheim in her private gondola in Venice and phone calls at eight o'clock in the morning to Vladimir Nabokov--who once said that White was his favorite American writer. Featuring writing that has appeared in the New York Review of Books and the Paris Review, among others, The Unpunished Vice is a wickedly smart and insightful account of a life in literature. If there is anyone worthy of producing an intimate biography of the enigmatic genius behind Remembrance of Things Past, it is Edmund White, himself an award-winning writer for whom Marcel Proust has long been an obsession. White introduces us not only to the recluse endlessly rewriting his one massive work through the night, but also the darling of Parisian salons, the grasper after honors, and the closeted homosexual--a subject this book is the first to explore openly. From the frothiest gossip to the deepest angst, here is a moving portrait to be treasured by anyone looking for an introduction to this literary icon. My Lives is a memoir from Edmund White. The celebrated author of The Flâneur traces his relocation to 1983 Paris in spite of his unfamiliarity with the language and culture, tracing how he established intimate, intellectual relationships with the city and new friends while advancing his literary career. "Elegant, filthy – and quite possibly the queerest thing you will read all year." -Guardian "Intriguing and inventive." -Electric Literature, "Most Anticipated LGBTQ+ Book of the Year" "A dizzyingly enticing and kaleidoscopic take on the spectrum of sexual experiences." -Publishers Weekly, starred review _____ A daring, category-confounding, and ruthlessly funny novel from National Book Award honored author Edmund White that explores polyamory and bisexuality, aging and love. Sicilian aristocrat and musician, Ruggero, and his younger American wife, Constance, agree to break their marital silence and write their Confessions. Until now they had a ban on speaking about the past, since transparency had wrecked their previous marriages. As the two alternate reading the memoirs they've written about their lives, Constance reveals her multiple marriages to older men, and Ruggero details the affairs he's had with men and women across his lifetime--most importantly his passionate affair with the author Edmund White. Sweeping outward from the isolated Swiss ski chalet where the couple reads to travel through Europe and the United States, White's new novel pushes for a broader understanding of sexual orientation and pairs humor and truth to create his most fascinating and complex characters to date. As in all of White's earlier novels, this is a searing, scintillating take on physical beauty and its

inevitable decline. But in this experimental new mode-one where the author has laid himself bare as a secondary character-White explores the themes of love and age through numerous eyes, hearts and minds. Delightful, irreverent, and experimental, A Previous Life proves once more why White is considered a master of American literature. In Edmund White's most moving novel yet, an American living in Paris finds his life transformed by an unexpected love affair. Austin Smith is pushing fifty, loveless and drifting, until one day he meets Julien, a much younger, married Frenchman. In the beginning, the lovers' only impediments are the comic clashes of culture, age, and temperament. Before long, however, the past begins to catch up with them. In a desperate quest to save health and happiness, they move from Venice to Key West, from Montreal in the snow to Providence in the rain. But it is amid the bleak, baking sands of the Sahara that their love is pushed to its ultimate crisis. For the fiftieth anniversary of the Stonewall uprising, an anthology chronicling the tumultuous fight for LGBTQ rights in the 1960s and the activists who spearheaded it, with a foreword by Edmund White. Finalist for the Randy Shilts Award for Gay Nonfiction, presented by The Publishing Triangle Tor.com, Best Books of 2019 (So Far) Harper's Bazaar, The 20 Best LGBTQ Books of 2019 The Advocate, The Best Queer(ish) Non-Fiction Tomes We Read in 2019 June 28, 2019 marks the fiftieth anniversary of the Stonewall uprising, which is considered the most significant event in the gay liberation movement, and the catalyst for the modern fight for LGBTQ rights in the United States. Drawing from the New York Public Library's archives, The Stonewall Reader is a collection of first accounts, diaries, periodic literature, and articles from LGBTQ magazines and newspapers that documented both the years leading up to and the years following the riots. Most importantly the anthology spotlights both iconic activists who were pivotal in the movement, such as Sylvia Rivera, co-founder of Street Transvestites Action Revolutionaries (STAR), as well as forgotten figures like Ernestine Eckstein, one of the few out, African American, lesbian activists in the 1960s. The anthology focuses on the events of 1969, the five years before, and the five years after. Jason Baumann, the NYPL coordinator of humanities and LGBTQ collections, has edited and introduced the volume to coincide with the NYPL exhibition he has curated on the Stonewall uprising and gay liberation movement of 1969. When the narrator of White's poised yet scalding autobiographical novel first embarks on his sexual odyssey, it is the 1950s, and America is "a big gray country of families on drowsy holiday." That country has no room for a scholarly teenager with guilty but insatiable stirrings toward other men. Moving from a Midwestern college to the

Stonewall Tavern on the night of the first gay uprising--and populated by eloquent queens, butch poseurs, and a fearfully incompetent shrink--The Beautiful Room is Empty conflates the acts of coming out and coming of age. "With intelligence, candor, humor--and anger--White explores the most insidious aspects of oppression.... An impressive novel."--Washington Post book World With an introduction by Alan Hollinghurst. It was his power that stupefied me and made me regard my knowledge as nothing more than hired cleverness he might choose to show off at a dinner party. A Boy's Own Story traces an unnamed narrator's coming-of-age during the 1950s. Beset by aloof parents, a cruel sister, and relentless mocking from his peers, the boy struggles with his sexuality, seeking consolation in art and literature, and in his own fantastic imagination as he fills his head with romantic expectations. The result is a book of exquisite poignancy and humour that moves towards a conclusion which will allow the boy to leave behind his childhood forever. Originally published in 1982 as the first of Edmund White's trilogy of autobiographical novels, A Boy's Own Story became an instant classic for its pioneering portrayal of homosexuality. Lyrical and powerfully evocative, this is an American literary treasure. A moving collaboration by some of America's most eloquent writers who supply wry, raging, sorrowful, and buoyant accounts of artist friends and lovers struck down by AIDS. Published in association with the Estate Project for Artists with AIDS, the 23 essays stand as a powerful reminder and survey of the devastating impact of the AIDS epidemic on the arts community. The book also contains biographies of the subjects and the authors, as well as many bandw photographs. Annotation copyrighted by Book News Inc., Portland, OR Poet and prodigy Arthur Rimbaud (1854-1891) died young but his extraordinary poetry continues to influence and inspire - fans include Dylan, Jim Morrison, Patti Smith. His long poem Un Saison en Enfer and his collection Illuminations are central to the modern canon. Having sworn off writing at the age of twenty-one, Rimbaud drifted around the world from scheme to scheme, ultimately dying from an infection contracted while gun-running in Africa. He was thirty-seven. Distinguished biographer, novelist, and memoirist Edmund White brilliantly explores the young poet's relationships with his family and his teachers, as well as his notorious affair with the older and more established poet Paul Verlaine. He reveals the longing for a utopian life of the future and the sexual taboos that haunt Rimbaud's works, offering incisive interpretations of the poems and his own artful translations to bring us closer to this great and mercurial poet. The famed writer Stephen Crane is travelling to a German clinic in search of a cure for the tuberculosis that

threatens his life. Knowing it may be his last chance, he dictates the story of 'The Painted Boy', inspired by a real-life encounter. But as the story delves into the seedy underworld of turn-of-the-century Manhattan, Crane's health deteriorates and the outcome of the story becomes as critical as the author's life itself. A proofreader realizes his power to edit the truth on a whim, in a "brilliantly original" novel by a Nobel Prize winner (Los Angeles Times Book Review). Raimundo Silva is a middle-aged, celibate clerk, proofing manuscripts for a respectable publishing house. Fluent in Portuguese, he has been assigned to work on a standard history of the country, and the twelfth-century king who laid siege to Lisbon. In a moment of subversive daring, Raimundo decides to change just one single word of text—a capricious revision that completely undoes the past. When discovered, his insolent disregard for facts appalls his employers—save for his new editor, Maria Sara. She suggests that Rainmundo take his transgressions even further. Through Rainmundo and Maria's eyes, what transpires is an alternate view of history and a colorful reinvention of a debatable truth. It's a serpentine journey through time where past and present converge, fact becomes myth, and fiction and reality blur—especially for Rainmundo and Maria themselves, who begin to find themselves erotically drawn to each other. "Walter Mitty has nothing on Raimundo Silva . . . this hypnotic tale is a great comic romp through history, language and the imagination." —Publishers Weekly

Translated by Giovanni Pontiero

Our Young Man follows the life of a gorgeous Frenchman, Guy, as he goes from the industrial city of Clermont-Ferrand to the top of the modeling profession in New York City's fashion world, becoming the darling of Fire Island's gay community. Like Wilde's Dorian Grey, Guy never seems to age; at thirty-five he is still modeling, still enjoying lavish gifts from older men who believe he's twenty-three--though their attentions always come at a price. Ambivalently, Guy lets them believe, driven especially by the memory of growing up poor, until he finds he needs the lie to secure not only wealth, but love itself. Surveying the full spectrum of gay amorous life through the disco era and into the age of AIDS, Edmund White (who worked at Vogue for ten years) explores the power of physical beauty--to fascinate, to enslave, and to deceive--with sparkling wit and pathos. A memoir of the social and sexual lives of New York City's cultural and intellectual in-crowd in the tumultuous 1970s, from the acclaimed author Edmund White. The "extraordinary novel" (The New York Times Book Review) about one boy's coming-of-age during the 1950s—and one of the most groundbreaking portrayals of gay life in American fiction "The best American narrative of sexual awakening since Catcher in the Rye." —Chicago

Sun-Times Ridiculed by his classmates and beset by aloof parents and a cruel sister, the unnamed narrator of Edmund White's first autobiographical novel finds solace in literature, works of art, and his own fantastic imagination. But as he strives to forge new friendships, his yearning to be loved by the men in his life evokes a crushing sense of shame and a struggle to accept who he is. Lyrical and poignant, A Boy's Own Story—the first of a trilogy, followed by The Beautiful Room Is Empty and The Farewell Symphony—is an American literary treasure that became an instant classic upon publication for its pioneering portrayal of homosexuality. First published in 1995, this award-winning novel, written from the epicentre of the AIDS crisis, is a bold, achingly honest story set in the rat bohemia of New York City, whose huddled masses include gay men and lesbians who bond with one ano... Conversations with Edmund White brings together twenty-one interviews with an author known for chronicling gay culture. Ranging from a 1982 discussion of his early works to a new and unpublished interview conducted in 2016, these interviews highlight White's predilections, his major achievements, and the pivotal moments of his long, varied career. Since the 1973 publication of his first novel, Forgetting Elena, Edmund White (b. 1940) has become a major figure in literature and gay culture. White is, however, more than just a celebrated gay writer. He is an international man of letters, and his work crosses several genres. White's fiction includes an autobiographical trilogy: A Boy's Own Story, The Beautiful Room Is Empty, and The Farewell Symphony" along with more recent novels such as Jack Holmes and His Friend and Our Young Man. White's love of French literature and culture is evident in biographies of Jean Genet, Marcel Proust, and Arthur Rimbaud, and his antipathy to American Puritanism suffuses his collected essays and memoirs and is on full display in two early nonfiction works that helped define the era of gay liberation: The Joy of Gay Sex, coauthored with Charles Silverstein, and States of Desire: Travels in Gay America. A professor of creative writing at Princeton University, White has earned many distinctions, including the National Book Critics Circle Award and the Lambda Literary Foundation's Pioneer Award. White has been a generous interviewer, sharing his time and insights not only with major publications such as the Paris Review, but also with smaller online publications for more limited audiences. A lively commentator, White has never been afraid to speak his mind, even when the result has been public feuds with literary peers on both sides of the Atlantic. In these 39 lively essays and profiles, bestselling novelist and biographer Edmund White draws on his wide reading and his sly humour to illuminate some of the most influential writers, artists and

cultural icons of the past century, among them Marcel Proust, Catherine Deneuve, George Eliot, Andy Warhol, André Gide, David Geffen, and Robert Mapplethorpe. 'Anyone who loves arts and letters even half as much as Edmund White will enjoy this fine collection by this admirable American writer.' - The Washington Post Book World A literary treat: a memoir of Edmund White's years among the cultural and intellectual elite of 1980s Paris The eight stories in this erotic and heartbreaking collection are barometers of difference. They measure the distance between an American expatriate and the Frenchman who tutors him in table manners and rough sex; the gulf between a man dying of AIDS and his uncomprehending relatives. "White's prose is as fresh as a series of slaps to the face, filled with reckless energy . . . [Our Young Man] speeds you along with its winningly hectic prose." --The New York Times Book Review Our Young Man follows the life of a gorgeous Frenchman, Guy, as he goes from the industrial city of Clermont-Ferrand to the top of the modeling profession in New York City's fashion world, becoming the darling of Fire Island's gay community. Like Wilde's Dorian Grey, Guy never seems to age; at thirty-five he is still modeling, still enjoying lavish gifts from older men who believe he's twenty-three--though their attentions always come at a price. Ambivalently, Guy lets them believe, driven especially by the memory of growing up poor, until he finds he needs the lie to secure not only wealth, but love itself. Surveying the full spectrum of gay amorous life through the disco era and into the age of AIDS, Edmund White (who worked at Vogue for ten years) explores the power of physical beauty--to fascinate, to enslave, and to deceive--with sparkling wit and pathos. In a damp, old Sussex castle, American literary phenomenon Stephen Crane lies on his deathbed, wasting away from tuberculosis at the age of twenty-eight. The world-famous author has retreated to England with his wife, Cora, in part to avoid gossip about her ignominious past as the proprietress of an infamous Florida bordello, the Hotel de Dream. In the midst of gathering tragedy, Crane begins dictating what will surely be his final work: a strange and poignant novel of a boy prostitute in 1890s New York and the married man who ruins his own life to win his love. In French caracole means "prancing"; in English, "caper." Both words perfectly describe this high-spirited erotic adventure. In Caracole, White invents an entire world where country gentry languish in decaying mansions and foppish intellectuals exchange lovers and gossip in an occupied city that resembles both Paris under the Nazis and 1980s New York. To that city comes Gabriel, an awkward boy from the provinces whose social naïveté and sexual ardor make him endlessly attractive to a variety of

patrons and paramours. "A seduction through language, a masque without masks, Caracole brings back to startling life a dormant strain in serious American writing: the idea of the romantic."--Cynthia Ozick

Edmund White's charming, funny, telling series of vignettes of the Paris neighborhood where he and his lover, French architect and illustrator Hubert Sorin, lived. In this ode to Pairs, the everyday becomes extraordinary with White's observations accompanied by Sorin's illustrations. With characters like Father Pierre Riches, the "kind and elegant" catholic priest whose hair had been stroked by Cavafy, to Billy Boy, the jewelry designer with 16,000 Barbies, there is delightful eccentricity to this collaboration. Written during Sorin's decline to AIDS, Our Paris is a poignant look at the couple and the city they loved. In Edmund White's most moving novel yet, an American living in Paris finds his life transformed by an unexpected love affair. Austin Smith is pushing fifty, loveless and drifting, until one day he meets Julien, a much younger, married Frenchman. In the beginning, the lovers' only impediments are the comic clashes of culture, age, and temperament. Before long, however, the past begins to catch up with them. In a desperate quest to save health and happiness, they move from Venice to Key West, from Montreal in the snow to Providence in the rain. But it is amid the bleak, baking sands of the Sahara that their love is pushed to its ultimate crisis. A flaneur is a stroller, a loiterer, someone who ambles through city streets in search of adventure and fulfillment. Edmund White, who lived in Paris for sixteen years, wanders through the streets and avenues and along the quays, into parts of Paris virtually unknown to visitors and indeed to many Parisians. In the hands of the learned White, a walk through Paris is both a tour of its lush, sometimes prurient history, and an evocation of the city's spirit. The Flaneur leads us to bookshops and boutiques, monuments and palaces, giving us a glimpse the inner human drama. Along the way we learn everything from the latest debates among French lawmakers to the juicy details of Colette's life. Originally published as part of Bloomsbury's Writer and the City series, this book has sold consistently over the years, and will find a whole new audience in paperback. Combining glittering wit, an atmosphere dense in social paranoia, and a breathtaking elegance and precision of language, White's first novel suggests a hilarious apotheosis of the comedy of manners. For, on the privileged island community where Forgetting Elena takes place, manners are everything. Or so it seems to White's excruciatingly self-conscious young narrator who desperately wants to be accepted in this world where everything from one's bathroom habits to the composition of "spontaneous" poetry is subject to rigid conventions. Many

straight men and gay men are best friends, but if the phenomenon is an urban commonplace it has never been treated before as the focus of a major novel. Jack Holmes is in love, but the man he loves never shares his bed. The other men Jack sleeps with never last long and he dallies with several women. He sees a shrink and practices extreme discretion about his gay adventures since the book begins in the 1960s, before gay liberation, and ends after the advent of AIDS in the 1980s. Jack's friend, Will Wright, comes from old stock, has aspirations to be a writer, and like Jack works on the Northern Review, a staid cultural quarterly. Will is shy and lonely-and Jack introduces him to the beautiful, brittle young woman he will marry. Over the years Will discovers his sensuality and almost destroys his marriage in doing so. Towards the end of the 1970s Jack's and Will's lives merge as they both become accomplished libertines. Jack Holmes and his Friend deploys Edmund White's wonderful perceptions of American society to dazzling effect, as character after character is delicately and colourfully rendered and one social milieu after another glows in the reader's mind. He is a connoisseur of the nuances of personality and mood, and here unveils his very human cast in all their radical individuality. New York itself is a principle character with its old society and its bohemians rich and poor, with its sleek European immigrants and its rough-and-tumble transplanted Midwesterners. With narrative daring and a gifted sense of the rueful submerged drama of life, the novel is a beautifully sculpted exploration of sexuality and sensibility. In her fifties, Mrs. Frances Trollope became famous overnight for her book attacking the United States. Twenty-five years later, she sharpens her pen for her most controversial work yet -- the biography of her old friend, the radical and feminist Fanny Wright. She recalls the 1820s when the young Fanny erupted into the Trollopes' sleepy English cottage like a volcano, her red hair flying, her talk aflame with utopian ideals. Before long, Wright convinced her to follow her to America, a journey of extreme penury, frontier hardships, and the most satisfying sensual romance of Frances Trollope's life. Fanny: A Fiction is a wonderful new departure for Edmund White -- a quirky, dazzling story of two extraordinary nineteenth-century women, and a vibrant, questioning exploration of the nature of idealism, the clay feet of heroes, and the illusory power of the American dream. Edmund White is one of the most extraordinary writers of our time and this is the first biography to delve into the heart and soul of an almost iconic figure. Barber talked extensively with White and documents his life from his early childhood through to the present, shedding light on his work. From Edmund White, a bold and sweeping new novel that traces the extraordinary

*fates of twin sisters, one destined for Parisian nobility and the other for Catholic sainthood. Yvette and Yvonne Crawford are twin sisters, born on a humble patch of East Texas prairie but bound for far more dramatic and tragic fates. Just as an untold fortune of oil lies beneath their daddy's land, both girls harbor their own secrets and dreams-ones that will carry them far from Texas and from each other. As the decades unfold, Yvonne will ascend the highest ranks of Parisian society as Yvette gives herself to a lifetime of worship and service in the streets of Jericó, Colombia. And yet, even as they remake themselves in their radically different lives, the twins find that the bonds of family and the past are unbreakable. Spanning the 1950s to the recent past, Edmund White's marvelous novel serves up an immensely pleasurable epic of two Texas women as their lives traverse varied worlds: the swaggering opulence of the Dallas nouveau riche, the airless pretension of the Paris gratin, and the strict piety of a Colombian convent. For nearly half a century, Edmund White's work has revitalized American literature, blithely breaking down boundaries of class and sexuality, and *A Saint From Texas* is one of his most joyous, gorgeously written, and piercing works to date. OUR LITERARY LEGEND Lambda-Award-winning author and editor Tom Cardamone brings together a diverse collection of queer writers and their supporters to celebrate the rich, innovative works of Edmund White, the eminent memoirist and author of the American literature classic, *A Boy's Own Story*, not to mention other outstanding works of fiction and several lauded nonfiction works that include *Genet: A Biography*. In *Crashing Cathedrals: Edmund White by the Book*, established writers, new voices, journalists, friends, former students, White's husband, and a recent editor/publisher provide personal appraisals of White's work in the order in which his books were published. The collection forms a unique tribute-cum-biography of the most significant contemporary gay writer in the world. With appreciations by Alysia Abbott, Michael Carroll, Allan Gurganus, Zachary Lazar, Sarah Schulman, Lynne Tillman, Colm Toibin, Charlie Vazquez, and many other exciting voices!*
