When it originally appeared, *A New Birth of Freedom* represented a milestone in Lincoln studies, the culmination of over a half a century of study and reflection by one of America's foremost scholars of American politics. Now reissued on the centenary of Jaffa's birth with a new foreword by the esteemed Lincoln scholar Allen Guelzo, this long-awaited sequel to Jaffa's earlier classic, *Crisis of the House Divided*, offers a piercing examination of the political thought of Abraham Lincoln and the themes of self-government, equality, and statesmanship on the eve of the Civil War. "Four decades ago, Harry Jaffa offered powerful insights on the Lincoln-Douglas debates in his *Crisis of the House Divided*. In this long-awaited sequel, he picks up the threads of that earlier study in this stimulating new interpretation of the showdown conflict between slavery and freedom in the election of 1860 and the secession crisis that followed. Every student of Lincoln needs to read and ponder this book."— James M. McPherson, Princeton University "A masterful synthesis and analysis of the contending political philosophies on the eve of the Civil War. A magisterial work that arrives after a lifetime of scholarship and reflection—and earns our gratitude as well as our respect."— Kirkus Reviews "The essence of Jaffa's case—meticulously laid out over nearly 500 pages—is that the Constitution is not, as Lincoln put it, a 'free love arrangement' held together by passing fancy. It is an indissoluble compact in which all men consent to be governed by majority, provided their inalienable rights are preserved."— Bret Stephens; *The Wall Street Journal* Abraham Lincoln was the greatest writer of the Civil War as well as its greatest political leader. It could be argued that the Civil War was the most influential event in the history of the United States. In *The Civil War and the Constitution*, political scientist John W. Burgess explores the politics, people, and sentiments of this time, and closely examines the constitutional issues of the Civil War. Volume 2 of this two-volume work covers battles in New Orleans, Kentucky, Antietam, Fredericksburg, Gettysburg, Atlanta, and Charleston, as well as Sherman's march through Georgia. The Emancipation Proclamation is discussed in great depth, along with constitutional issues created by the military events of 1862 and 1863. JOHN W. BURGESS, Ph.D., LL.D., was a professor of political science and constitutional law and dean of the faculty of political science at Columbia University in New York. Abraham Lincoln, the greatest of all American presidents, left us a vast legacy of writings, some of which are among the most famous in our history. Lincoln was a marvelous writer—from the humblest letter to his great speeches, including his inaugural addresses, the Emancipation Proclamation, and the Gettysburg Address. His sentences were so memorably crafted that many resonate across the years. "Fourscore and seven years ago," begins the Gettysburg Address, "our fathers

brought forth on this continent a new nation, conceived in liberty, and dedicated to the proposition that all men are created equal." In 1940, the prolific author and historian Philip Van Doren Stern produced this volume as a guide to Lincoln's life through his writings. Stern's "Life of Abraham Lincoln" is a full biography of the man and includes a detailed chronology. Stern has collected all the essential texts of Lincoln's public life, from his first public address—a stump speech in New Salem, Illinois, in 1832 for an election he went on to lose—to his last piece of public writing, a pass to a congressman who was to visit the president the day after Lincoln went to Ford's Theater on April 14, 1865. Some 275 such documents are collected and placed in their historical context. Together with the "Life" and the Introduction, "Lincoln in His Writings," by noted historian Allan Nevins, they give a full and vivid picture of Abraham Lincoln. Abraham Lincoln measured the promise—and cost—of American freedom in lucid and extraordinarily moving prose, famous for its native wit, simple dignity of expressions, and peculiarly American flavor. This volume, with its companion, *Abraham Lincoln: Speeches and Writing 1859–1865*, comprises the most comprehensive selection ever published. over 240 speeches, letters, and drafts take Lincoln from rural law practice to national prominence, and chart his emergence as an eloquent antislavery advocate and defender of the constitution. included are the complete Lincoln-Douglas debates, perhaps the most famous confrontation in American political history.

As the 16th president of the United States, Abraham Lincoln (1809-1865) brilliantly lead America through one of its most trying times. He saw the country through the Civil War, which concluded in the preservation of the Union and the abolition of slavery. His resolute and ethical character was admired far and wide. Famed for his eloquent

speeches and fiery rhetoric, his prose was equally artful. Contained in this volume are the selected speeches and writings of Lincoln from 1859-1865. This period encompasses the rise of a humble man to great political power. His untimely assassination by John Wilkes Booth in 1865 left the country in turmoil. A masterful and astute politician, Lincoln was also an accomplished and poetic writer. Through his powerful prose we witness Lincoln with tremendous intimacy. As a writer he was prolific: he wrote hundreds of speeches, debates, letters, and political correspondence. Combined, these writings demonstrate the depth and sophistication of Lincoln's thoughts on slavery, war, economics, democracy, and liberty. Contained within are the complete debates of Lincoln and Douglas which proved to be one of the most famous political debates of all time. This volume is truly a treat to any history buff, student, or curious Lincoln fan.
