John for Everyone Part 1 Tom Wright, 2002-10-18 Making use of his true scholar's understanding yet writing in an approachable and anecdotal style Tom Wright manages to unravel the great complexity of this extraordinary gospel He describes it as one of the great books in the literature of the world and part of its greatness is the way it reveals its secrets not just to high flown learning but to those who come to it with humility and hope Wright's stimulating comments are combined with his own translation of the Bible text **Matthew for Everyone Part 2** Tom Wright, 2002-03-22 A renowned Bible scholar Tom Wright opens up the message and meaning of the gospel of Matthew for today's readers He guides the reader through the world of the New Testament Breaking down the gospel of Matthew into brief easy to study segments Wright shows how the message of this ancient book speaks powerfully to the spiritual longings of contemporary readers New Christians and longtime followers of Jesus alike will find inspiration and practical wisdom for their journey within these pages Making use of his true scholar's understanding yet writing in an approachable and anecdotal style Wright captures the immediacy of Matthew's gospel in a way few writers have Tom Wright's own translation of the Gospel of Matthew is combined section by section with useful explanation and interpretation of the passage as well as thoughts as to how it can be relevant to our lives today The format makes it appropriate also for daily study **Living Loved** Peter M. Wallace, 2007-07 A devotional book of meditations based on specific verses or passages from the Gospel of John It uses the highly acclaimed and popular translation The Message by Eugene Peterson Like Wallace's earlier book Out of the Quiet it consists of short and very accessible meditations approaching Jesus through the eyes of the disciple whom Jesus loved so that men and women can begin to see themselves in John's place as the beloved one and as a result take up the responsibilities of discipleship in a world that needs Jesus loving touch *A Youth Worker's Commentary on John, Vol 2* Les Christie, David P. Nystrom, 2012-09-11 Following the first volume of this series A Youth Worker's Commentary on John Vol 2 digs deeper into the miracles and teachings of Jesus as told by John Covering the remainder of John's gospel chapters nine to twenty one you'll find this resource to be an invaluable aid for your message and lesson preparation The authors give you a solid understanding of the Gospel of John including its historical context rationale and meaning You'll see how to apply the wisdom

gained from these passages to the needs and issues you and your students are working through Written specifically for youth workers A Youth Worker s Commentary on John Vol 2 has the entire NIV biblical text printed alongside a deep yet readable look into the meaning of this marvelous gospel The book includes dozens of word studies historical accounts and personal stories followed by a large section of in depth thought provoking questions to get your students thinking and talking

Nonviolence Preston M. Sprinkle,2021-04-01 In a unique narrative approach Sprinkle begins by looking at how the story of God as a whole portrays violence and war drawing conclusions that guide the reader through the rest of the book With urgency and precision he navigates hard questions and examines key approaches to violence driving every answer back to Scripture Ultimately Sprinkle challenges the church to walk in a manner worthy of our calling and shape our lives on the example of Christ Nonviolence The Revolutionary Way of Jesus is biblically rooted theologically coherent and prophetically challenging It is a defining work that will stir discussions for years to come **A Youth Worker's Commentary on John, Vol 1** Les Christie,David P. Nystrom,2011-09-06 When a youth pastor is preparing a lesson it s sometimes challenging to find a curriculum that really offers depth into the Scripture passages and goes beyond a cursory look at the text A Youth Worker s Commentary on John is the first in a new series of commentaries developed with youth workers in mind An in depth yet readable approach to the gospel of John this first volume includes commentary word studies personal and historical stories and discussion questions that will help get students thinking and talking The gospel of John is the most personal and revealing of all the portraits of Jesus in the New Testament This commentary has the entire NIV biblical text printed alongside a rich deep look into the meaning of this gospel Youth workers will find this to be an invaluable aid for message and lesson preparation They ll get a solid understanding of the gospel of John including its historical context rationale and meaning to see how to apply what they uncover to the needs and issues the teens in their group are dealing with *Simply Christian* N. T. Wright,2010-02-09 Why is justice fair Why are so many people pursuing spirituality Why do we crave relationship And why is beauty so beautiful N T Wright argues that each of these questions takes us into the mystery of who God is and what he wants from us For two thousand years Christianity has claimed to answer these mysteries and this renowned biblical scholar and Anglican bishop shows that it still does today Like C S Lewis did in his classic Mere Christianity Wright makes the case for Christian faith from the ground up assuming that the reader is starting from ground zero with no predisposition to and perhaps even some negativity toward religion in general and Christianity in particular His goal is to describe Christianity in as simple and accessible yet hopefully attractive and exciting a way as possible both to say to outsiders You might want to look at this further and to say to insiders You may not have quite understood this bit clearly yet **John for Everyone** Tom Wright,Society for Promoting Christian Knowledge,2004 Revelation N. T. Wright,2012-08-02 Under the guidance of one of the world s leading New Testament scholars you and your small group will here discover that the bizarre images of Revelation conceal one of Scripture s clearest and most dramatic visions of God s plan for creation
