THE INSTANT #1 NEW YORK TIMES BEST-SELLER “Epic from start to finish.” —Marie Lu, #1 New York Times best-selling author of Warcross “A brilliant and breathless twist on classic mythology!” —Marissa Meyer, #1 New York Times best-selling author of The Lunar Chronicles Every seven years, the Agon begins.

As punishment for a past rebellion, nine Greek gods are forced to walk the earth as mortals. They are hunted by the descendants of ancient bloodlines, all eager to kill a god and seize their divine power and immortality. Long ago, Lore Perseous fled that brutal world, turning her back on the hunt's promises of eternal glory after her family was murdered by a rival line. For years she's pushed away any thought of revenge against the man—now a god—responsible for their deaths. Yet as the next hunt dawns over New York City, two participants seek her out: Castor, a childhood friend Lore believed to be dead, and Athena, one of the last of the original gods, now gravely wounded. The goddess offers an alliance against their mutual enemy and a way to leave the Agon behind forever. But Lore's decision to rejoin the hunt, binding her fate to Athena's, will come at a deadly cost—and it may not be enough to stop the rise of a new god with the power to bring humanity to its knees. From the #1 New York Times best-selling author of *The Darkest Minds* comes a sweepingly ambitious, high-octane tale of power, destiny, love, and redemption. A chronology and analysis of rates in the House and Senate, 100th Congress, Second Session. Annotation copyright Book News, Inc. Portland, Or.

More will be given and more taken, and when the dust settles the very fabric of Amaranthe will be changed forever. * CONTINUUM (Riven

Worlds Book One) Fourteen years after The Displacement flung humanity into a universe teeming with alien life, a tenuous alliance has taken root among humans, Anadens, and numerous other species. The wounds of war and revolution have begun to heal, peace and prosperity are within reach, and the architects of The Displacement, Alex Solovy and Caleb Marano, are enjoying an idyllic existence on the living planet of Akeso. But growing troubles fester beneath the surface of this alliance. An upstart species offers allegiance with one hand but readies weapons of mass destruction with the other, while the Anadens, leaderless and adrift for years, increasingly refuse to play by humanity's rules. As tensions simmer, Nika Kirumase, leader of the Asterions—a splinter group of former Anadens thought aeons dead—arrives bearing a warning of a terrifying enemy advancing across the void. Known as the Rasu, the powerful race of shapeshifting metal has already killed tens of thousands of Asterions in its quest to control all of known space. Nika's people have struck a blow against the Rasu, and now they race against time to prepare for the coming reprisal. An alliance with humanity stands to give them a fighting chance against their enemy. But for humanity, such an alliance may cost them everything, pushing the fragile peace they fought so hard to achieve to the breaking point and beyond. ** AMARANTHE V: RIVEN WAS ORIGINALLY PUBLISHED UNDER THE TITLE "RIVEN WORLDS: VOLUME ONE" ** *** AMARANTHE UNIVERSE: ----- AMARANTHE I: RISE (Starshine, Vertigo, Transcendence) AMARANTHE II: REBELLION (Sidespace, Dissonance, Abyss) AMARANTHE III: RESONANCE (Relativity, Rubicon, Resonance) AMARANTHE IV: MACHINA (Exin Ex Machina, Of A Darker Void, The Stars Like Gods) AMARANTHE V: RIVEN (Continuum, Inversion, Echo Rift) AMARANTHE VI: VERGE (All Our Tomorrows, Chaotica, Duality) ~ COSMIC SHORES ~ (a new entry point for the series - each book can be read at any time and without reading

To free the realm, I must dethrone the gods for good. Chimera's were once legendary for their shapeshifting prowess and the ability to breathe fire. Yet the secrets and cruelties within my goddess-queen mother's court render me nothing more than a beast to control—caged, inferior, and cowardly. But when prisoners are brought into the palace, I break the goddess-queen's rules. Anything to learn more of the outside world I'm kept away from. Yet breaking the rules comes at a price: I'm exiled from the court I called home and the mother I don't know how to live without. A mother who lied about everything—including the details of who I am and who birthed me. To survive, I band together with a handsome demigod—Alexius, the latest blacksmith to seal a collar around my neck. He's a mess of contradictions—arrogant yet modest, immovable yet soft—and I like him far more than I should. With each day, it deepens into something more. Something I don't dare name. And though his plan to put Zeus back on the throne is risky, it may earn me freedom. I risked everything for the prisoners' freedom. Then I risk everything for my own. Yet when allies and enemies alike crumble beneath the goddess-queen's tyranny, will I risk everything to free the realm?
