Tell My Sons Lt. Col. Mark Weber,2012-12-24 NEW YORK TIMES BESTSELLER At the pinnacle of a soaring career in the U S Army Lt Col Mark M Weber was tapped to serve in a high profile job within the Afghan Parliament as a military advisor Weeks later a routine physical revealed stage IV intestinal cancer in the thirty eight year old father of three Over the next two years he would fight a desperate battle he wasn t trained for with his wife and boys as his reluctant but willing fighting force When Weber realized that he was not going to survive this final tour of combat he began to write a letter to his boys so that as they grew up without him they would know what his life and death story had taught him about courage and fear challenge and comfort words and actions pride and humility seriousness and humor and viewing life as a never ending search for new ideas and inspiration This book is that letter And it s not just for his sons It s for everyone who can use the best advice a dying hero has to offer Weber s stories illustrate that in the end you become what you are through the causes to which you attach yourself and that you ve made your own along the way Through his example he teaches how to live an ordinary life in an extraordinary way Praise for Tell My Sons A gift to us all Every page exudes courage honesty and an indomitable spirit Mark Weber s story has touched me in such a profound way Mitch Albom author of Tuesdays with Morrie Tell My Sons is a deeply moving personal account of a soldier s journey into an ultimate frontier As I read Mark

Weber's book I was astonished by its honesty, courage, and discipline. This book offers one of the most profound and detailed descriptions of the strange world of cancer and should be essential reading for all of us who seek to understand that topsy-turvy terrain. Siddhartha Mukherjee, Pulitzer Prize-winning author of *The Emperor of All Maladies*. Tell My Sons is one of the most profound and inspirational stories I have ever read. It may have been written for Mark's children, but it may as well be a treatise for all of us about honest parenting and leadership with character in love, family, faith, and politics. For a man who is facing profound health issues, Mark is doing a remarkable job showing us all how to live with courage and integrity. Walter F. Mondale, former vice president of the United States. This book is why I have always been proud to call Mark Weber my son. His ability to reach across complex boundaries and write and speak with such depth and beauty makes him a modern-day Lawrence of Arabia. Mark's passion, attitude, and thoughts about life are what is best about America. General Babakir S. Zibari, chief of defense, Republic of Iraq. A poignant illustration of what being a hero is all about. Heroes exemplify invincible courage, character, and perseverance in times of insurmountable odds. Mark embodies these attributes. Tell My Sons will empower the reader with profound lessons of living life with hope and determination. John Elway, Pro Football Hall of Fame quarterback.

Strange Country Mark Dapin, 2008-11-01. This book is about the people I met as I crisscrossed Australia by train and plane and a plated car, the undefeated dreamers and wild-hearted romantics, the obsessed hobbyists and beautiful failures. It is about heroes and legends, illusions, delusions, and hope, and one or two men with shit for brains who ought to be locked up. As anyone who's ever read Mark Dapin's column and features in *Good Weekend* knows, he's an immensely funny, acute, and vivid observer of Australian life. In *Strange Country*, he takes us on a journey through a very different Australia, a country that's eccentric, puzzling, big-hearted, small-minded, nostalgic, and sometimes just plain mad. From the last travelling boxing tent to feral urban sewer rats to Vietnam Veteran bikies and the annual Parkes Elvis Festival, his writing illuminates the stranger side of Australian life in a travel book like no other.

Fred the Clown Roger Langridge, 2004-11-10. The signature creation of cartoonist Roger Langridge, Fred the Clown is the thinking man's idiot. Fred has an eye for the ladies, as well as several other organs, but the only part of themselves they're willing to share with him is a carefully placed kneecap. Fred the Clown's misadventures are a curious balance of bleakness and joyful absurdism; the universe may dump on Fred from a great height, but he never gives up. More often than not, they involve the pursuit of a lady; any lady will do, it seems, but bearded ladies are at the top of the list. Disappointment seems inevitable, and it usually is, yet almost despite himself, Langridge will occasionally give Fred a happy ending out of nowhere.
