terrifying truth the Deering women are victims of a dark witch's curse. If Claire marries her true love she'll spend the rest of her life under the thrall of madness. To save herself she remains isolated until a will reading at a mysterious castle on All Hallows Eve places her in close confines with her dearest friend and secret love. Bashful scholarly Teddy Lockwood has never met a rule he didn't rejoice in following. When he unexpectedly inherits the Ashbrooke earldom he's determined to turn over a new, more courageous leaf, starting with telling Claire that he's loved her since they were children. The will reading presents the perfect opportunity to win her heart, even if he's vastly out of his element at this enigmatic, shadowy Cornwall castle. Soon the simmering passion between them becomes unstoppable. Now to save the love of his life, Teddy will do whatever it takes to break the dark magic's hold on Claire. Will Claire spend her life within the grips of strange delirium, or will love prove the strongest of all?

THE DETERMINED DUCHESS Book 2 Death is just the beginning. After the death of her beloved guardian Miss Felicity Fields is left adrift, her future uncertain. Grief-stricken she launches a plan to use her knowledge of alchemy to build a Philosopher's Stone and bring back to life the woman who was like a mother to her. The last thing this blunt bluestocking needs is the return of Nicholas Harding, the Duke of Wycliffe and rightful owner of her home on the wild coast of Cornwall. He stirs an unexpected passion within her, and Felicity has had enough change in her life. When they were children, Nicholas never understood his aunt's brilliant but unemotional ward or her many strange scientific studies. He ought to take her back to London so she can make a proper society match, except he can't stop thinking about her. But with the line between life and death blurred by Felicity's macabre experiments, can he convince her that she's no longer alone and her proper place is by his side?

THE SCANDALOUS WIDOW Book 3 Scandal proves deadly. Lady Jemma Forster knows all too well how ruthless gossip mongers can be. She sacrificed her own happiness to restore her family's reputation. Her marriage of convenience to an affluent earl meant saying goodbye to passion and any chance at love with the dashing lawman who set her soul aflame. She leads a sedate, practical life as the Countess of Wolverston. Until her husband is murdered and the only man who can bring his killers to justice is her former love. Bow Street Runner Gabriel Sinclair has spent the last three years trying to forget about smart, beautiful Lady Jemma who broke his heart when she married his best friend. The Earl of Wolverston's death thrusts Gabriel and Jemma back together as they work to find his murderer. Their investigation takes them into the darkest, most dangerous parts of London, with threats coming from all sides. They're perfect partners for solving crimes, but can they be partners in love, too?

Deep Locational Criticism Jason Finch, 2016 This volume is devoted to the question of how to teach and study the relationship between all sorts of literature and all sorts of location.
