The Fundamentals Of Ethics Russ Shafer Landau

The Fundamentals of Ethics Russ Shafer-Landau,2020 An exceptionally clear compact and affordable introduction to a broad range of ethical theories

The Fundamentals of Ethics Russ Shafer-Landau,2010 In The Fundamentals of Ethics author Russ Shafer Landau employs a uniquely engaging writing style to introduce students to the essential ideas of moral philosophy Offering more comprehensive coverage of the good life normative ethics and metaethics than any other text of its kind this book also addresses issues that are often omitted from other texts such as the doctrine of doing and allowing the doctrine of double effect ethical particularism the desire satisfaction theory of well being and moral error theory Shafer Landau carefully reconstructs and analyzes dozens of arguments in depth at a level that is understandable to students with no prior philosophical background Ideal for courses in introductory ethics and contemporary moral problems this book can be used as a stand alone text or with the author s companion reader The Ethical Life Fundamental Readings in Ethics and Moral Problems which offers original readings exploring the topics covered in The Fundamentals of Ethics

A Concise Introduction to Ethics Russ Shafer-Landau,2019-07-08 A Concise Introduction to Ethics offers a condensed and exceptionally well written introduction to the essential moral theories Based on Russ Shafer Landau s best selling primer on ethical theory The Fundamentals of Ethics this briefer volume retains the longer one s content advantage over competing books by addressing issues that other texts omit including the good life value theory natural law and prima facie duties It also incorporates discussion questions and case studies at the end of each chapter giving students the opportunity to apply ethical theories to real world moral problems A perfect companion to Shafer Landau s anthology The Ethical Life this volume s compact size and low price make A Concise Introduction to Ethics an ideal complement to any course where it is important that students understand moral theories

The Ethical Life Russ Shafer-Landau,2010 Brief yet thorough and affordably priced The Ethical Life Fundamental Readings in Ethics and Moral Problems is ideal for courses in introductory ethics and contemporary moral problems Featuring thirty nine readings divided into four parts Value Theory Normative Ethics Metaethics and Moral Problems it introduces students to ethical theory and a wide range of moral issues The essays include selections from historically influential philosophers alongside work by contemporary philosophers Designed as a companion reader to Russ Shafer Landau s textbook The Fundamentals of Ethics The Ethical Life is also comprehensive enough to be used on its own

A Concise Introduction to Ethics Professor of Philosophy Russ Shafer-Landau, 2019-07-15 A Concise Introduction to Ethics is an abbreviated and simplified version of Russ Shafer Landau's best selling textbook primer on ethical theory for the introduction to ethics and introduction to contemporary moral issues courses The Fundamentals of Ethics For many philosophy departments these ethics courses are their largest enrollment offerings often fulfilling a university general education requirement Shafer Landau's The Fundamentals of Ethics has been the 1 selling ethics textbook for years primarily because it provides students with the clearest and most accessible explanations of ethical theories available It is relatively brief and yet quite comprehensive covering more theories than the competing texts do but also presenting them in the most understandable way the author has a direct conversation with the students This book will be about 1/3 shorter than The Fundamentals of Ethics while still maintaining its content advantage over competing books by including several areas of theory that others omit including the good life value theory natural law and prima facie duties A Concise Introduction to Ethics will be based on the first part of Shafer Landau's new OUP hybrid textbook reader Living Ethics The end of each chapter features several cases and discussion questions so students get opportunities to apply ethical theories to real world moral issues and problems Like its parent book this volume can be paired with Shafer Landau's reader The Ethical Life which includes key reading selections from ethical theory and essays on contemporary moral problems It can also accompany any reader on ethics or contemporary moral issues

Living Ethics RUSS. SHAFER-LANDAU, 2021-10 Living Ethics An Introduction with Readings is an ideal all in one resource for courses in introduction to ethics and contemporary moral problems In this hybrid textbook reader Russ Shafer Landau brings moral theory and contemporary moral issues to life with a comprehensive and balanced set of readings uniquely engaging explanations and clear analysis of arguments The book balances coverage of moral reasoning in Part 1 with highly relevant contemporary moral problems in Part 2

Fundamentals of Ethics Russ Shafer-Landau, 2023-08 This book is divided into three parts one on the Good Life another on Doing the Right Thing and the last on the Status of Morality You can read these parts in any order Many will want to begin at the end for instance with a discussion of whether morality is a human invention or is in some way objective Some will prefer to start in the middle asking about the supreme principle of morality and whether there is any such thing And others may want to begin at the beginning by thinking about human well being and the quality of life Each part can be understood independently of the others though there are of course many points of connection across the three main branches of moral philosophy No matter where you begin there are footnotes in most chapters that provide cross references to relevant discussions elsewhere in the book When beginning a new area of study you're bound to encounter some unfamiliar jargon I've tried to keep this to a minimum and I suppose that you can be thankful that we're doing ethics here rather than physics or anatomy I define each technical term when I first use it and have also put together a glossary which appears at the end of the book Each specialized term that appears in boldface has an entry there You may be interested enough in what you read here that you'll want to continue your studies in moral philosophy There is a natural place to begin the companion volume to this book The Ethical Life described later in this preface I have also compiled a list of Suggestions for Further Reading for each chapter or pair of chapters This list appears at the end of the book just before the glossary I have selected the readings with an eye to what might be accessible and interesting to those just beginning their study of moral philosophy

Moral Realism Russ Shafer-Landau,2003-06-19 Moral Realism is a systematic defence of the idea that there are objective moral standards In the tradition of Plato and G E Moore Russ Shafer Landau argues that there are moral principles that are true independently of what anyone anywhere happens to think of them These principles are a fundamental aspect of reality just as much as those that govern mathematics or the natural world They may be true regardless of our ability to grasp them and their truth is not a matter of their being ratified from any ideal standpoint nor of being the object of actual or hypothetical consensus nor of being an expression of our rational nature Shafer Landau accepts Plato s and Moore s contention that moral truths are sui generis He rejects the currently popular efforts to conceive of ethics as a kind of science and insists that moral truths and properties occupy a distinctive area in our ontology Unlike scientific truths the fundamental moral principles are knowable a priori And unlike mathematical truths they are essentially normative intrinsically action guiding and supplying a justification for all who follow their counsel Moral Realism is the first comprehensive treatise defending non naturalistic moral realism in over a generation It ranges over all of the central issues in contemporary metaethics and will be an important source of discussion for philosophers and their students interested in issues concerning the foundations of ethics

Normative Ethics Shelly Kagan,2018-02-12 Providing a thorough introduction to current philosophical views on morality Normative Ethics examines an acts rightness or wrongness in terms of such factors as consequences harm and consent Shelly Kagan offers a division between moral factors and theoretical foundations that reflects the actual working practices of contemporary moral philosophers Intended for upper level or graduate students of philosophy this book should also appeal to the general reader looking for a clearly written overview of the basic principles of moral philosophy Providing a thorough introduction to current philosophical views on morality Normative Ethics examines an acts rightness or wrongness in light of such factors as consequences harm and consent Shelly Kagan offers a division between moral factors and theoretical foundations that reflects the actual working practices of contemporary moral philosophers The first half of the book presents a systematic survey of the basic normative factors focusing on controversial questions concerning the precise content of each factor its scope and significance and its relationship to other factors The second half of the book then examines the competing theories about the foundations of normative ethics theories that attempt to explain why the basic normative factors have the moral significance that they do Intended for upper level or graduate students of philosophy this book should also appeal to the general reader looking for a clearly written overview of the basic principles of moral philosophy

Foundations of Ethics Russ Shafer-Landau, Terence Cuneo,2006-10-02 A substantial collection of seminal articles Foundations of Ethics covers all of the major issues in metaethics Covers all of the major issues in metaethics including moral metaphysics epistemology moral psychology and philosophy of language Provides an unparalleled offering of primary sources and expert commentary for students of ethical theory Includes seminal essays by ethicists such as G E Moore Simon Blackburn Gilbert Harman Christine Korsgaard Michael Smith Bernard Williams Jonathan Dancy and many other leading figures of ethical theory

The Ethics of Information Luciano Floridi,2013-10 Luciano Floridi develops the first ethical framework for dealing with the new challenges posed by Information and Communication Technologies ICTs He establishes the conceptual foundations of Information Ethics by exploring important metatheoretical and introductory issues and answering key theoretical questions of great philosophical interest

Fundamentals of Philosophy John Shand,2004-03-01 Fundamentals of Philosophy is a comprehensive and accessible introduction to philosophy Based on the well known series of the same name this textbook brings together specially commissioned articles by leading philosophers of philosophy s key topics Each chapter provides an authoritative overview of topics commonly taught at undergraduate level focusing on the major issues that typically arise when studying the subject Discussions are up to date and written in an engaging manner so as to provide students with the core building blocks of their degree course Fundamentals of Philosophy is an ideal starting point for those coming to philosophy for the first time and will be a useful complement to the primary texts studied at undergraduate level Ideally suited to novice philosophy students it will also be of interest to those in related subjects across the humanities and social sciences

Ethics Wolfgang Huber,2015-05-21 In the twenty first century the basic questions of ethics are no longer the abstract terms of ethical theory but the concrete and burning issues related to the influence of life sciences the impact of a globalized economy and the consequences of present decisions for the future of humankind *Ethics The Fundamental Questions of Our Lives* analyzes twenty ethical issues that address education and culture labor and economy the environment and sustainability democracy and cosmopolitanism peace and war and life and death Each chapter describes a concrete example showing the relevance of the fundamental ethical question then provides an explanation of how one can think through possible responses and reactions Huber emphasizes the connections between personal professional and institutional ethics and demonstrates how human relationships lie at the center of our ethical lives His aim is to articulate a theology of what he calls responsible freedom that transcends individualistic self realization and includes communal obligations

Oxford Studies in Metaethics Volume 16 Russ Shafer-Landau,2021-06-18 Oxford Studies in Metaethics is the only publication devoted exclusively to original philosophical work in the foundations of ethics It provides an annual selection of much of the best new scholarship being done in the field Its broad purview includes work being done at the intersections of ethical theory with metaphysics epistemology philosophy of language and philosophy of mind The essays included in the series provide an excellent basis for understanding recent developments in the field those who would like to acquaint themselves with the current state of play in metaethics would do well to start here Topics explored in Volume 16 include moral worth moral testimony moral evaluation expressivism reasons and normativity

Ethical Theory Russ Shafer-Landau,2007-07-30 In presenting this reader on ethical theory Shafer Landau philosophy U of Wisconsin has made sure to cover the standard topics of the day consequentialism deontology contractarianism and virtue ethics but has also sought to include areas that are less common in sections on moral standing moral responsibility moral knowledge and works that question the very possibility of systematic ethics He also includes a section that discusses ethics and religion and another that examines prima facie duties and particularism Rather than include critics views following the various theoretical presentations he has instead decided to include more works of allied thinkers in order to provide readers with a more nuanced view of the particular view in question Selections from classic writers such as Aristotle Thomas Hobbes Immanuel Kant and Plato are accompanied by more contemporary writings Annotation 2007 Book News Inc Portland OR booknews com Distributed by Syndetic Solutions LLC

Whatever Happened to Good and Evil? Russ Shafer-Landau,2004 This is a brief introduction to ethics with a point of view The book addresses meta ethical questions that go beyond what most introductory ethics books address which are normative theories egoism utilitarianism etc and applied ethics abortion capital punishment etc

Moral Philosophy: A Reader Louis P. Pojman,Peter Tramel,2009-09-01 This collection of classic and contemporary readings in ethics presents sharp competing views on a wide range of fundamentally important topics moral relativism and objectivism ethical egoism value theory utilitarianism deontological ethics virtue ethics ethics and religion and applied ethics The Fourth Edition dramatically increases the volume s utility by expanding and updating the selections and introductions while retaining the structure that has made previous editions so successful
