AS and A Level English Language (syllabus 9093). The core aim of this Coursebook is to help students to develop and apply the key skills they need to achieve in AS and A Level English Language. They will build the skills needed for assessment through frequent activities. Divided into two distinct parts for AS and A Level studies, the book covers a wide range of reading skills, such as understanding aspects of style, voice and tone. It also addresses the conventions of key kinds of writing and spoken language, from scripted speeches to travel articles, and looks at how they can capture these conventions in their own work. The only endorsed resources for the Cambridge International AS Level English General Paper syllabus (8021). Through exploration of a wide array of topics, from celebrity culture to poetry in the modern world, this book focuses on strengthening communication, evaluation, analysis, application and understanding skills. Helping students improve their written responses, use of English and comprehension, this coursebook looks at discussion points relevant to the globally-minded classroom. With frequent practice questions and sample answers,

students have plenty of opportunities to build their confidence answering questions. Answers to coursebook questions are in the teacher's resource.
