**Flyover History** Peter J. Myers, Robert R. Hines, Rex Field, 2008-01-01

*The Image of the City* Kevin Lynch, 1964-06-15 The classic work on the evaluation of city form What does the city's form actually mean to the people who live there What can the city planner do to make the city's image more vivid and memorable to the city dweller To answer these questions Mr Lynch supported by studies of Los Angeles Boston and Jersey City formulates a new criterion imageability and shows its potential value as a guide for the building and rebuilding of cities The wide scope of this study leads to an original and vital method for the evaluation of city form The architect the planner and certainly the city dweller will all want to read this book

**Investigating Iwo** Breanne Robertson, 2019 Investigating Iwo encourages us to explore the connection between American visual culture and World War II particularly how the image inspired Marines servicemembers and civilians to carry on with the war and to remember those who made the ultimate sacrifice to ensure victory over the Axis Powers Chapters shed light on the processes through which history becomes memory and gains meaning over time The contributors ask only that we be willing to take a closer look to remain open to new perspectives that can deepen our understanding of familiar topics related to the flag raising including Rosenthal's famous picture that continue to mean so much to us today

**Good Economics for Hard Times** Abhijit V. Banerjee, Esther Duflo, 2019-11-12 The winners of the Nobel Prize show how economics when done right can help us solve the thorniest social and political problems of our day Figuring out how to deal with today's critical economic problems is perhaps the great challenge of our time Much greater than space travel or perhaps even the next revolutionary medical breakthrough what is at stake is the whole idea of the good life as we have known it Immigration and inequality globalization and technological disruption slowing growth and accelerating climate change these are sources of great anxiety across the world from New Delhi and Dakar to Paris and Washington DC The resources to address these challenges are there what we lack are ideas that will help us jump the wall of disagreement and distrust that divides us If we succeed history will remember our era with gratitude if we fail the potential losses are incalculable In this revolutionary book renowned MIT economists Abhijit V Banerjee and Esther Duflo take on this challenge building on cutting edge research in economics explained with lucidity and grace Original provocative and urgent Good Economics for Hard Times makes a persuasive case for an intelligent interventionism and a society built on compassion and respect It is an extraordinary achievement one that shines a light to help us appreciate and understand our precariously balanced world

Then Came the Fire Stephen J. Lofgren, 2011-09 Full color illustrations throughout Two days after the September 11 2001 attack the U S Army Center of Military History began an extensive project to document the historic event through oral history interviews Published on the incident's tenth anniversary Then Came the Fire is an anthology of excerpts from those interviews This collection highlights the personal accounts of participants who witnessed some aspect of the events in the Pentagon that day the survivors some of whom were injured policemen firefighters medical personnel observers others involved in the rescue and recovery efforts and building occupants

*Khobar Towers: Tragedy and Response* Perry D. Jamieson, 2008 This account of the Khobar Towers bombing tells the story of the horrific attack and the magnificent response of airmen doing their duty under nearly impossible circumstances None of them view their actions as heroic yet the reader will marvel at their calm professionalism All of them say it was just their job but the reader will wonder how they could be so well trained to act almost instinctively to do the right thing at the right time None of them would see their actions as selfless yet countless numbers refused medical attention until the more seriously injured got treatment Throughout this book the themes of duty commitment and devotion to comrades resoundingly underscore the notion that America's brightest bravest and best wear her uniforms in service to the nation This book is more than heroic actions though for there is also controversy Were commanders responsible for not adequately protecting their people What should one make of the several conflicting investigations following the attack Dr Jamieson has not shied away from these difficult questions and others but has discussed them and other controversial judgments in a straightforward and dispassionate way that will bring them into focus for everyone It is clear from this book that there is a larger issue than just the response to the bombing It is the issue of the example set by America's airmen Future airmen who read this book will be stronger and will stand on the shoulders of those who suffered and those who made the ultimate sacrifice

**Blacks in the Marine Corps** Henry I. Shaw, Jr., Ralph W. Donnelly, 2014-06-04 When this monograph was published almost 30 years ago then History and Museums Director Brigadier General Edwin H Simmons wrote Today s generation of Marines serve in a fully integrated Corps where blacks constitute almost one fifth of our strength Black officers noncommissioned officers and privates are omnipresent their service so normal a part of Marine life that it escapes special notice The fact that this was not always so and that as little as 34 years ago in 1941 there were no black Marines deserves explanation This statement holds true for this edition of Blacks in the Marine Corps which has already gone through several previous reprintings What has occurred since the first edition of Blacks in the Marine Corps has been considerable scholarship and additional writing on the subject that deserve mention to a new generation of readers both in and outside the Corps First and foremost is Morris J MacGregor Jr s Integration of the Armed Forces 1940 1965 Washington D C U S Army Center of Military History 1981 that documents the Armed Forces efforts as part of the Defense Studies Series The volume is an excellent history of a social topic often difficult for Service historical offices to deal with

*A Certain Age* Rudolf Mrázek, 2010-04-16 *A Certain Age* is an unconventional evocative work of history and a moving reflection on memory modernity space time and the limitations of traditional historical narratives Rudolf Mr zek visited Indonesia throughout the 1990s recording lengthy interviews with elderly intellectuals in and around Jakarta With few exceptions they were part of an urban elite born under colonial rule and educated at Dutch schools From the early twentieth century through the late colonial era the national revolution and well into independence after 1945 these intellectuals injected their ideas of modernity progress and freedom into local and national discussion When Mr zek began his interviews he expected to discuss phenomena such as the transition from colonialism to postcolonialism His interviewees however wanted to share more personal recollections Mr zek illuminates their stories of the past with evocative depictions of their late twentieth century surroundings He brings to bear insights from thinkers including Walter Benjamin Bertold Brecht Le Corbusier and Marcel Proust and from his youth in Prague another metropolis with its own experience of passages and revolution Architectural and spatial tropes organize the book Thresholds windowsills and sidewalks come to seem more apt as descriptors of historical transitions than colonial and postcolonial or modern and postmodern Asphalt roads homes classrooms fences and windows organize movement perceptions and selves in relation to others *A Certain Age* is a portal into questions about how the past informs the present and how historical accounts are inevitably partial and incomplete
