convenience. Also, because the Answer Key is actually longer than the Workbook itself, it more than doubles the heft of the Workbook when combined. For these reasons, the Answer Key to Elements of Style Workbook with Aristotle and AI is sold separately from the Workbook. The Answer Key includes many human-created responses and many AI-generated responses. The more detailed genre analyses were performed by ChatGPT and are included in this Answer Key, providing a thorough and accurate assessment free from human error. At the same time, because AI was used in many of the composition responses, additional learner observations not reported here are also very possible and are encouraged.
