Rover P6: 2000, 2200, 3500 James Taylor,2020-04-20 The Rover P6 was unquestionably one of the best saloon cars to come out of Britain in the 1960s and was winner of the first ever European Car of the Year award It combined a wealth of

technical innovation with a distinctive appearance that incorporated exactly the right degree of Italianate sharp suited appearance for its time It was and remains a great car to drive and all these qualities were combined with the space and practicality of a four seat family saloon Rover P6 2000 2200 3500 The Complete Story documents its evolution from the earliest ideas in the 1950s to the end of production in 1977 It describes all the models with specification tables and paint and trim options including NADA and Federal cars and remembers the motorsport successes and failures It records the manufacturing process at Solihull and CKD overseas and includes a useful chapter on buying and owning a Rover P6

British Leyland James Taylor,2018-03-26 In 1968 British Leyland brought together many of Britain s motor manufacturers with the intention of creating a robust unified group that could equal the strength of the big European conglomerates But this was not to be There have been many books about the politics and the business activities of British Leyland but British Leyland The Cars 1968 1986 looks exclusively at the cars that came from the company both the models it inherited and those it created The eighteen years of the corporation s existence saw a confusing multitude of different car types but this book resolves these confusions clarifying who built what and when The book takes 1986 as its cut off point because this was the year that the old British Leyland ceased to exist and what was left of the car and light commercial business was renamed the Rover Group The book includes Production histories and technical specifications of every major model The special overseas models Appendices on engines code names and factories Buying guidance on the models built in Britain This is the most comprehensive book so far to focus on the cars from British Leyland between 1968 1986 and it provides an overview of each model s production history together with essential specification details It is profusely illustrated with 178 colour and 63 b w photographs

The Enthusiasts' Guide to Buying a Classic British Sports Car Peter Hingston,2007 *How to Improve MGB, MGC & MGB V8* Roger Williams,2015-03-19 Covers all aspects of improving these cars for today s road conditions and for higher performance generally Increased engine power better braking appearance and comfort improvements are all covered in detail This updated and revised edition includes information on numerous new subjects such as V6 engines air conditioning ignition improvements engine management and weight reduction There is also an individual chapter on the various engines and in particular some original and unique research on four cylinder cylinder head performance and comparisons

Triumph Stag Matthew Vale,2014-05-31 The Triumph Stag was a two door four seat luxury touring car designed to be Triumph s flagship model for the 1970s Styled by prolific designer Giovanni Michelotti and engineered by Harry Webster and Spen King the Stag had no direct competitors throughout its production life and was the blueprint for the many four seat convertibles on the market today It was in production from 1970 through to 1977 but suffered from a lack of development and gained a reputation for engine problems caused by poor cooling Triumph Stag An Enthusiast s Guide explores the history design and development of the car taking a special look at the Stag s unique Triumph V8 engine and how Stag owners today have largely solved the cooling problems It also covers owners experiences specialist
