Muddy Puddles and Rain Boots May 11 2024
Kay's family is making a visit from Arizona to
Louisiana to visit. This tale is based on real life
events and focuses on a child's ability to be
patient and wait while thinking of creative ways
to stay busy. Once Kay's family arrives she
enjoys doing various activities individually with
her sister, brother, grammie, and pops. This
story is geared toward families who do not live
in the same household, but maintain strong
bonds and relationships through quality time
and activities.

Red Rubber Boots Oct 24 2022 This story of
resilience will have you flipping back and forth
between strikingly different childhood
experiences. You'll follow two children as they
grab their red rubber boots and head out to
joyfully play. Then you'll peak inside a series of
bullying incidents and meet a child who shared
them with no one. Written to be a helpful
pathway to open discussions and sharing about
bullying so no child will hide away alone ever.

Bruce's Big Storm Apr 10 2024 Bruce's home is
already a full house. But when a big storm
brings all his woodland neighbors knocking,
he'll have to open his door to a crowd of
animals in need of shelter—whether he likes it
or not. Readers will love this next installment of
the uproarious, award-winning Mother Bruce
series.

That Wild Country May 07 2021 From
prominent outdoorsman and nature writer
Mark Kenyon comes an engrossing reflection
on the past and future battles over our most
revered landscapes--America's public lands.
Every American is a public-land owner,

inheritor to the largest public-land trust in the
world. These vast expanses provide a home to
wildlife populations, a vital source of clean air
and water, and a haven for recreation. Since its
inception, however, America's public land
system has been embroiled in controversy--
caught in the push and pull between the desire
to develop the valuable resources the land
holds or conserve them. Alarmed by rising
tensions over the use of these lands, hunter,
angler, and outdoor enthusiast Mark Kenyon
set out to explore the spaces involved in this
heated debate, and learn firsthand how they
came to be and what their future might hold.
Part travelogue and part historical examination,
That Wild Country invites readers on an
intimate tour of the wondrous wild and public
places that are a uniquely profound and
endangered part of the American landscape.

Johnny Lion's Rubber Boots Mar 09 2024 Until
his father brings him some rubber boots, a
young lion searches for ways to entertain
himself on a rainy day.

Gossie Jan 07 2024 The first book in the
preschool-perfect Gossie & Friends series by
Olivier Dunrea about a small yellow gosling
who goes looking for her missing boots and
finds a new friend. Gossie is a small yellow
gosling who loves to wear bright red
boots—every day. But one morning she can't
find them! This sweet story models social-
emotional growth for the youngest children
using simple language and adorable
illustrations of baby farm animals. A family
library essential that makes a perfect gift for
babies and toddlers.
