would make a corporate raider blush The Washington Post Book World It is 1965 and Charles Ashworth has attained the plum position of bishop of Starbridge an honor that keeps him in a heady whirl of activity that would exhaust the most seasoned corporate executive With the invaluable support of his minions and his attractive unsinkable wife Ashworth stands against the amorality and decadence of the age Anti Sex Ashworth He slays his opponents by being a tough efficient confident churchman the torments of his past long since dead and buried And then the unexpected the unthinkable strikes Suddenly Ashworth finds himself staring into the chasm of all the lies hes been telling himself for years about his marriage his children even his views on the Church And as he suspects his old nemesis and dean Neville Aysgarth of drinking too much of financial chicanery of God forbid having an affair Ashworth discovers to his horror that he is tempted to commit the very acts that he has so publicly denounced ENTHRALLING Rich dense almost indecently entertaining San Jose Mercury News POWERFUL MIRACULOUS Booklist starred review SELECTED BY THE BOOK OF THE MONTH CLUB **Local Knowledge** Liza Gyllenhaal,2009 Yearning for more than her small town can offer Maddie Alden finds her dream coming true when she takes a lucrative job in real estate promoting the area to wealthy New Yorkers including her glamorous new friend Anne who shakes up Maddie s marriage and forces her to confront a painful secret about the past Original *Son of a Gun* Justin St. Germain,2013-08-13 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY In the tradition of Tobias Wolff James Ellroy and Mary Karr a stunning memoir of a mother son relationship that is also the searing unflinching account of a murder and its aftermath Tombstone Arizona September 2001 Debbie St Germain s death apparently at the hands of her fifth husband is a passing curiosity A real life old West murder mystery the local TV announcers intone while barroom gossips snicker cruelly But for her twenty year old son Justin St Germain the tragedy marks the line that separates his world into before and after Distancing himself from the legendary town of his childhood Justin makes another life a world away in San Francisco and achieves all the surface successes that would have filled his mother with pride Yet years later he s still sleeping with a loaded rifle under his bed Ultimately he is pulled back to the desert landscape of his childhood on a search to make sense of the unfathomable What made his mother a onetime army paratrooper the type of woman who would stand up to any man except the men she was in love with What led her to move from place to place man to man job to job until finally she found herself in a desperate and deteriorating situation living on an isolated patch of desert with an unstable ex cop Justin s journey takes him back to the ghost town of Wyatt Earp to the trailers he and Debbie shared to the string of stepfathers who were a constant sometimes threatening presence in his life to a harsh world on the margins full of men and women all struggling to define what family means He decides to confront people from his past and delve into the police records in an attempt to make sense of his mother s life and death All the while he tries to be the type of man she would have wanted him to be Praise for *Son of a Gun* A spectacular memoir calls to mind two others of the past decade J R Moehringer s *Tender Bar* and Nick Flynn s *Another Bull \_\_\_ Night in Suck City* All three are

about boys becoming men in a broken world What might have been in the hands of a lesser writer the book s main point is amplified from a tale of personal loss and grief into a parable for our time and our nation If the brilliance of Son of a Gun lies in its restraint its importance lies in the generosity of the author s insights Alexandra Fuller The New York Times Book Review A gritty enthralling new memoir St Germain has created a work of austere luminous beauty In his understated eloquent way St Germain makes you feel the heat taste the dust see those shimmering streets By the end of the book you know his mother even though you never met her And like the author you will mourn her forever NPR If St Germain had stopped at examining his mother s psycho social risk factors and how her murder affected him this would still be a fine moving memoir But it s his further probing into the culture of guns violence and manhood that informed their lives in his hometown Tombstone Ariz that transforms the book elevating the stakes from personal pain to larger important questions of what ails our society The Boston Globe A visceral compelling portrait of St Germain s mother and the violent culture that claimed her Entertainment Weekly [Report of the Presidential Commission on the Space Shuttle Challenger Accident](#) DIANE Publishing Company, Southgate Publishers, 1995-07
