You're Damn Right I'm a Fanboy: MG Siegler on Apple, Google, Startup Culture, and Jackasses on the Internet MG Siegler,2012-06-07 As we all know by now comments on the Internet are a fascinating thing My favorite involve the word fanboy Generally speaking being a fanboy means you write stories tweets whatever about a certain topic with a positive angle It s meant to be a derogatory term but the truth is that it s so overused that it s almost completely meaningless For the sake of this post though I ll play ball I have a confession to make I m a fanboy Now I didn t say specifically what I m a fanboy of because there have been too many titles bestowed upon me over the years At various points over just the past few months I ve been an Apple fanboy a Google fanboy a Twitter fanboy a Facebook fanboy a Foursquare fanboy a Gowalla fanboy and yes even a Microsoft fanboy Never mind that most of companies compete with one another so it would be hard to be a true fanboy of multiple ones without misrepresenting my fanboydom of a few of the others We ll just say I m a fanboy and leave it at that And that leaves me wondering why wouldn t you want to be a fanboy
