[Divided We Fall](#) David French,2020-09-22 David French warns of the potential dangers to the country and the world if we don t summon the courage to reconcile our political differences Two decades into the 21st Century the U S is less united than at any time in our history since the Civil War We are more diverse in our beliefs and culture than ever before But red and blue states secular and religious groups liberal and conservative idealists and Republican and Democratic representatives all have one thing in common each believes their distinct cultures and liberties are being threatened by an escalating violent opposition This polarized tribalism espoused by the loudest angriest fringe extremists on both the left and the right dismisses dialogue as appeasement if left unchecked it could very well lead to secession An engaging mix of cutting edge research and fair minded analysis Divided We Fall is an unblinking look at the true dimensions and dangers of this widening ideological gap and what could happen if we don t take steps toward bridging

it French reveals chilling plausible scenarios of how the United States could fracture into regions that will not only weaken the country but destabilize the world But our future is not written in stone By implementing James Madison s vision of pluralism that all people have the right to form communities representing their personal values we can prevent oppressive factions from seizing absolute power and instead maintain everyone s beliefs and identities across all fifty states Reestablishing national unity will require the bravery to commit ourselves to embracing qualities of kindness decency and grace towards those we disagree with ideologically French calls on all of us to demonstrate true tolerance so we can heal the American divide If we want to remain united we must learn to stand together again Veil Bob Woodward,2012-12-11 Veilis the story of the covert wars that were waged in Central America Iran and Libya in a secretive atmosphere and became the centerpieces and eventual time bombs of American foreign policy in the 1980s **Team of Vipers** Cliff Sims,2019-01-29 THE INSTANT NEW YORK TIMES BESTSELLER Sims s vivid portrait of Trump shrewdly balances admiration with misgivings and his intricate engrossing accounts of White House vendettas and power plays have a good mix of immersion and perspective The result is one of the best of the recent flood of Trump tell alls Publishers Weekly The first honest insider s account of the Trump administration If you hate Trump you need the truth if you love Trump you need the truth After standing at Donald Trump s side on Election Night Cliff Sims joined him in the West Wing as Special Assistant to the President and Director of White House Message Strategy He soon found himself pulled into the President s inner circle as a confidante an errand boy an advisor a punching bag and a friend Sometimes all in the same conversation As a result Sims gained unprecedented access to the President sitting in on private meetings with key Congressional officials world leaders and top White House advisors He saw how Trump handled the challenges of the office and he learned from Trump himself how he saw the world For five hundred days Sims also witnessed first hand the infighting and leaking the anger joy and recriminations He had a role in some of the President s biggest successes and he shared the blame for some of his administration s worst disasters He gained key often surprising insights into the players of the Trump West Wing from Jared Kushner and John Kelly to Steve Bannon and Kellyanne Conway He even helped Trump craft his enemies list knowing who was loyal and who was not And he took notes Hundreds of pages of notes In real time Sims stood with the President in the eye of the storm raging around him and now he tells the story that no one else has written because no one else could The story of what it was really like in the West Wing as a member of the President s team The story of power and palace intrigue backstabbing and bold victories as well as painful moral compromises occasionally with yourself Team of Vipers tells the full story as only a true insider could **The Origins of the First World War** James Joll,Gordon Martel,2013-11-05 James Joll s study is not simply another narrative retracing the powder trail that was finally ignited at Sarajevo It is an ambitious and wide ranging analysis of the historical forces at work in the Europe of 1914 and the very different ways in which historians have subsequently attempted to understand them The importance of the theme the breadth and sympathy of James Joll s
