Rolling Stone calls *The Dirt* without a doubt the most detailed account of the awesome pleasures and perils of rock roll stardom I have ever read It is completely compelling and utterly revolting *Tommyland* Tommy Lee,2009-10-13 I am Tommy Lee born Thomas Lee Bass in Athens Greece on October 3 1962 and raised in a suburb of California by an American father and a Greek mother At seventeen I joined M tley Cr e and we became one of the baddest ass rock bands in history We sold over 40 million albums we wreaked havoc we scared parents and we titillated too many fathers daughters I ve been married three times once for just a few days to a Penthouse Pet for seven years to Heather Locklear and then for five years to Pamela Anderson with whom I have two beautiful sons I ve gotten into a lot of fights and I ve been to jail a few times But this book isn t your typical journey in a straight line from day one to day now I m more interested in revealing what s most important about my life like how I cook my steaks what I think of the tabloids the truth my ex wives my ex band my music and what an innocent observer might find hanging around my house any given Sunday You ll get plenty of facts and I ll tell you a story but my real mission here is to paint you a picture of my life I want to show you how my memories smell I d like to get into it now so please take your seats I advise you to keep your arms and legs inside the car at all times If you have a pacemaker a heart condition or if you are pregnant or too damn short to reach the safety bar I ask that you turn back immediately Those with weak stomachs strict morals or chronic indigestion should put the book down now For the rest of you there s one truth that s real across the board What you send out is what you get back Send out the good people and it will come back to you There s another thing I ve learned over the years in court in fights and in arguments with people I love There isn t one truth there are many This book is my truth NOTE THE EBOOK DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS *Goodbye, Guns N' Roses* Art Tavana,2021-04-13 *Goodbye Guns N Roses* transports the reader into a mind altering trip through the colors scandals nihilism and mythology that make Guns N Roses so much more than another hair metal band A valentine and a breakup letter to one of rock s most controversial bands *Goodbye Guns N Roses* is a genre rattling attempt to explain the appeal of America s most divisive rock band While it includes uncharted history and the self lacerating connoisseurship of a Guns N Roses fetishist it is not a recycled chronicle this book is a deconstruction of myth one that blends high and low art sketches to examine how Guns N Roses impacted popular culture Unlike those who have penned other treatments of what might be considered a clich d subject Art Tavana is not writing as a GNR patriot or former employee His book aims to provide an untethered exploration that machetes through the jungle of propaganda camouflaging GNR s explosive appeal After circling the band s three decade plundering of American culture *Goodbye Guns N Roses* uncovers a postmodern portrait that persuades its viewer to think differently about their symbolic importance This is not a rock bio but a biography of taste that treats a former hair metal band like a decomposing masterpiece This is the first Guns N Roses book written for everyone from the Sunset Strip to a hyper digital generation s connection to Woke Axl it is a pop investigation that dodges no bullets *Sweet Child of Mine* Deanna Adler, Lawrence J.

Spagnola,2017-01-24 Sweet Child of Mine is the life story of Deanna Adler mother of Steven Adler the original drummer for Guns N Roses These are the words of a mother s love for an infamous son whose phenomenal success is only surpassed by his astounding capacity for self destruction Her pages are filled with moments of profound joy and crippling heartbreak
