Are you new to a board and have no idea what's expected of you? Do you know what a board's six key responsibilities are? Do you know what your relationship with the Executive Director should be? If not, this book is for you. So many board members—especially of small nonprofits—want to support a nonprofit and readily accept the invitation to join the board. It's only then that they discover they are in over their heads, with no idea of their expectations and responsibilities. The *Little Book of Boards* is here to throw that drowning board member a rope. Told with a conversational

style, this book will lead you through the basics of being on a board, how meetings work, and what's expected between meetings. In addition, at the back of the book are several in-depth resources for understanding Roberts Rules of Order, bylaws, committee structures, board leadership, and much more. Perfect for any new board member—or for an entire board that is feeling lost—this book and its common sense approach will serve you every year you are on the board. Any nonprofit that wants to survive beyond the nineties had better be governed by an effective, flexible board of directors.

But what role should a nonprofit board play in fulfilling the organization's mission? How should the board carry out its responsibility to see that funds and other resources are used in the most efficient possible manner? How can the board perform its duties without alienating staff members? What pitfalls can divert a nonprofit board from addressing critical board functions? *Nonprofit Boards: Roles, Responsibilities, and Performance* answers these questions and many more. This practical guide is dedicated to helping nonprofit board members, chairpersons, and executive directors

develop and manage effective boards, empowered to respond to the special needs of their organizations. Diane J. Duca offers different ways to approach organizing and utilizing a board by presenting different board models. Using case studies and illustrations from real-life situations, she explores every aspect of board management, clarifies the roles of board members and executives, and discusses the board's legal and ethical obligations. In her discussion of core responsibilities--strategic planning, policy setting, fiscal oversight, and fund-

raising--Ms. Duca focuses on creating a spirit of cooperation between board and staff. Nonprofit boards that successfully fulfill their obligations and perform responsibly inspire staff members and set an example for everyone in the organization. Regardless of your organization's managerial style or the structure of your board--passive or active, entrepreneurial or averse to risk--this invaluable guide will help board members and staff to develop mission-based policies, increase support, and improve communications between board and staff. Nonprofit board

members who understand and accept their roles as trustees offer a vital service not only to their organization but also to society. Nonprofit Boards is designed to help them carry out this important duty. "In my opinion, what was desperately needed from us 'volunteers' were resources, advocacy in the community, and hands-on help for a shoestring operation; instead, we acted like a judiciary body of advisors and critics."--Letter from a Former Board Member of a Nonprofit Organization Too often, a nonprofit organization's efforts to fulfill its mission or use its resources

efficiently are frustrated by an ineffectual, poorly defined, or adversarial relationship between the board and staff. *Nonprofit Boards: Roles, Responsibilities, and Performance* will help executives and board members avoid these conflicts with invaluable guidance and strategies for effective board management. Using case studies and real-life examples, it * Clarifies the roles and functions of board members and executives * Details board duties, including strategic planning and fiscal oversight * Describes different organizational models for nonprofit

boards and discusses their advantages and disadvantages * Explains how structural diversity within the board can maximize its effectiveness and flexibility * Discusses legal and ethical obligations and how the board can ensure that the nonprofit fulfills its mission * Examines cooperative board-staff relations and how a board can be the catalyst for organizational change * Includes numerous helpful charts and tables as well as in-depth appendices * Presents contemporary issues facing nonprofits and their boards, including government relations, image-building,

professionalism, and diversity In *Board Basics: A Primer for Nonprofit Board Members* author Jerry Covey brings a fresh, new voice to the world of governance how-to with this sleek, no-nonsense primer on board fundamentals. *Board Basics* is written in a concise format that provides a strong foundation for beginning and experienced nonprofit board members. Written in short, direct chapters the volume provides readers with essential information and arms them with the kinds of questions and insights that generate deeper understanding of their organization

and their role in governing it. If new to the board experience, this book will get you up-to-speed quickly and help you orient to the tasks, limits, and risks of your new role, while giving you the tools and processes that are indispensable for sound decision making. Even seasoned board members will benefit from this primer, as it will revisit core governance principles and invite reflection on a board's growth and development. A central theme of Board Basics is that knowledge and appropriate action are the foundation of effective leadership. Each chapter builds on this theme by

providing nuts-and-bolts advice that empowers board members to appreciate and maximize their governance role, while increasing knowledge and defining the actions required to grow in their new positions. Some of the gems that wait within include: board communication basics, budgeting, risk management essentials, internal board politics, and shared leadership. In a crowded and competitive how-to business marketplace, it is a rare find to discover a book with such precision, power, and unflinching honesty. Board Basics: A Primer for Non-Profit Board Members is a must

read that will be sure to please anyone considering joining a nonprofit board, but also anyone looking to grow, improve, and shore-up an existing board. This trusted handbook for nonprofit board service is newly revised and includes new case studies and even more tips and ideas from the trenches of nonprofit board work. Doing Good Better is approachable wisdom. Edgar Stoesz has made Doing Good Better a guidebook for both board members of nonprofits, whether new to the task, or highly experienced. First, Stoesz identifies two failings common to many boards of

nonprofit organizations that are often overlooked: 1. A board's governance role is very different from the role of management. "Making this distinction requires a reorientation for most board member, because in their day jobs, they are managers or employees." 2. Boards often fail at two matters: a.) preparation of their members, and b.) regular evaluations of their own effectiveness and focus. In short, pointedly-written chapters, Stoesz covers: Helping Directors Understand Their Governance Role A Plan to Fulfill the Purpose Reporting Back to the

Members Planning Effective Meetings Great Boards Have a Good Fight (occasionally) Working Your Way Through a Crisis Great Boards Celebrate Leaving Right Stoesz deftly interweaves background philosophy, vision, and razor-sharp specific ideas. "Discussion/Action Questions" conclude many of the chapters. In addition, Stoesz offers a "Board Evaluation Form," a "Director's Self-Evaluation Form," and an outline for the "Executive Director Annual Review." Step Up! is part inspiration, part education and part how-to. It's fresh approach to equipping nonprofit board members

who want practical guidance presented in an engaging and digestible format. Step Up! imparts the insights that new and tenured board members wish they knew from the get-go. The Second Edition features new and expanded content for a number of key areas including board roles and boundaries, fundraising and strategic planning. Designed to help nonprofit board members and senior staff, "The six books address all of the fundamental elements of service common to most boards, including board member responsibilities, how to structure the board in the most efficient

manner, and how to accomplish governance work in the spirit of the mission of the organization."--Pg. 2 of Book 1 Praise for Joining a Nonprofit Board
"As an individual who has served on various nonprofit boards, and as the president and CEO of a large nonprofit organization, I can attest to how valuable this book is. Marc Epstein and Warren McFarlan offer insight into the expectations of nonprofit board members, which is extraordinarily beneficial to individuals considering their first nonprofit board and to seasoned professionals already serving on

boards." —Gail McGovern, President and CEO, American Red Cross Excerpted from Foreword
"This book is a roadmap for the business person who wants to serve on a nonprofit board, and unwittingly assumes that the approaches that worked so well in the for-profit world can be seamlessly extrapolated to the nonprofit board room." —Roseanna H. Means, M.D., founder and president, Women of Means "A must-read for all new and existing nonprofit board members. It is full of practical advice that will help improve the effectiveness of nonprofit board members and the

organizations they serve." —Roger Servison, president emeritus, Boston Museum of Fine Arts, and vice chairman, Boston Symphony Orchestra "What a powerful tool now available for anyone involved with governance of America's nonprofit enterprises. The analysis is cogent and concise, amply supported by real-life examples." —George B. Beitzel, chairman emeritus, Amherst College, and chairman emeritus, Colonial Williamsburg Foundation "Joining a Nonprofit Board offers practical advice in complementing your business experience with the nuances of nonprofit

governance, performance, and management in order to fully achieve the societal mission." —Jeffrey C. Thomson, president and CEO, Institute of Management Accountants "This book will guide you through the differences between for-profit and nonprofit organizations (and boards). It will help you navigate through all the nuances in which nonprofit organizations actually operate on a day-to-day basis." —Elaine Ullian, former president, Boston Medical Center "Joining a Nonprofit Board is a must-read. This book should be required reading and

distributed at the opening board meeting." —Agnes C. Underwood, former head, Garrison Forest School and National Cathedral School; vice president/managing associate, Carney, Sandoe and Associates "A Board needs a unifying and visionary objective—'It must be World Class.' This book successfully shows how to create a World Class Board." —W. Richard Bingham, former chairman, California Academy of Sciences Nonprofit Board Service for the GENIUS is a first-of-its kind reference for the millions of people who are seeking to serve on a nonprofit board or

already serve on one. It is a fun, informative read that candidly highlights a board member's ups and downs. Perfect for the novice, the veteran who needs a refresher, or the executive director looking to take the group to a higher level; it has been acclaimed by experts as the resource that the sector been waiting for. The book takes the reader through the process of searching for a board, the first year of membership, into the leadership realm, and beyond. It is ideal for these purposes: Decision-making tool for finding the right board Board orientation takeaway Board meeting reference

Board development resource Executive director training Nonprofit training text The book and its appendices contain a number of templates and sample documents that will help any nonprofit strengthen its value. Nonprofit Board Service for the GENIUS is a must-have guide for these groups: Executive directors looking to propel the board to the next level
Community members interested in exploring board service
Novice

board members driven to learn more
Veteran board members who would like to brush up on basics or take on a leadership post
With real examples of inspiration and what to avoid, the book's vignettes show that board work takes time and commitment, but enables creativity and provides immense personal and professional benefits and opportunities. Its spirited tone will follow readers to the boardroom and into communities around the country.
"Organized in an easy-to-follow question and answer format, [this book] covers just about every situation you're likely to encounter

in nonprofit board governance." --Dust jacket. Designed to help nonprofit board members and senior staff, "The six books address all of the fundamental elements of service common to most boards, including board member responsibilities, how to structure the board in the most efficient manner, and how to accomplish governance work in the spirit of the mission of the organization."--Pg. 2 of Book 1
Designed to help nonprofit board members and senior staff, "The six books address all of the fundamental elements of service common to most boards, including

board member responsibilities, how to structure the board in the most efficient manner, and how to accomplish governance work in the spirit of the mission of the organization."--Pg. 2 of Book 1 The Sarbanes-Oxley (SOX) bar has been raised-is your nonprofit board up to the task? Nonprofit boards are in a fishbowl of scrutiny much like their private sector counterparts. With recent media focus on investigations of false charities, and more disturbingly, of household-name nonprofits that have abused donor trust by misdirecting donations, the heat is on the nonprofit board to rehabilitate its

organizational profile. Encouraging boards to reclaim their role as the ultimate authority within their nonprofit, nationally recognized nonprofit expert Dr. Peggy Jackson supplies tips for leveraging the power and value of SOX requirements within the nonprofit organization. Containing sample documents, forms, and checklists to introduce best practices into any nonprofit organization, this complete guide is a practical, hands-on tool for equipping your nonprofit's board toward a higher quality of control. Relevant for both the large and small nonprofit organization, this

must-have book effectively brings pragmatic clarity to a complex topic, and explains how to blend Sarbanes-Oxley requirements into the nonprofit organization, with topics including: Common factors that contribute to nonprofit board dysfunction Moving nonprofit governance into the twenty-first century Intervention techniques for moving your board forward Establishing strategies for lasting change Creating a platinum standard for governance Helping your nonprofit board understand and implement SOX requirements, Sarbanes-Oxley for Nonprofit Boards will be

indispensable as a guide and will reinforce your nonprofit's financial structure and reputation.

Whether you are a new member on the board of a nonprofit or a veteran member looking for a quick reference to the fundamentals, this book models best board practices in a straightforward way. *A Guide to Nonprofit Board Success* is a complete resource for the skills and knowledge needed to excel in your board position. Each chapter leads you to achievement in all aspects of your expected duties. You will learn how to read financial statements, understand various

investment strategies, and fundraise and plan events. From your first meeting with your new colleagues to planning long-term goals, this book also offers descriptions of common scenarios in the boardroom to epitomize real situations and desired outcomes. Author Cynthia Jarboe has decades of experience partnering with and working for nonprofits, and has firsthand knowledge of how integral a collaborative board can be to the management and prosperity of a nonprofit. It can be overwhelming to understand board governance or to make a crucial

investment without previous experience. Here you will learn the essentials of holding a board position as you prepare yourself for the role. This book is about the importance of board leadership and how to create a highly successful nonprofit board. It is intended for the millions of people like you who volunteer their time as a member of a nonprofit organization board of trustees or directors, the CEOs who lead those organizations, and anyone who is inspired to serve their community as a nonprofit executive or board member in the future. Regardless of the mission of

your organization or your role within it, you have made a commitment to have a positive impact on society locally, nationally, or globally. My goal is to provide you with a proven roadmap to improve your board's performance. The recommendations in this book are based on decades of nonprofit board governance experience. When implemented, these strategies will help lead your organization toward greater effectiveness and impact. The benefits of serving as a board or executive leader of a highly successful nonprofit can be personal as well, for it is highly gratifying to know

that you are bringing real value to the community. Throughout the book, I will pose questions intended primarily for board discussion. I strongly suggest including at least one key question on every board meeting agenda, as a way to educate and engage your members on how to become a highly successful nonprofit board. I believe it is important for everyone to be aware that nonprofit organizations are vital to our country's societal and economic well-being. They provide a wide range of services that are crucial to the public good including education, the arts, healthcare, social

services, environmental protection, access to food and affordable housing, faith-based organizations, and more. Every nonprofit in its way provides the community with needed support, often transforming beliefs and hopes into action. Nonprofit organizations vary significantly in size and scope, from small local charities to large international organizations. Seventy-six percent of nonprofits have annual revenues below \$100,000 while 4% have annual revenues between \$1M and \$5M. The remaining 20% of our nonprofits have revenues above

\$5M while less than 0.2% have annual revenues of billions of dollars. Unfortunately, only around 50% of nonprofits are successful in our country. According to the National Center for Charitable Statistics, about 30% of nonprofits will cease to exist in 10 years—and some experts predict the failure rate will be much higher. The truth is that is not enough to have a worthy cause or a passionate team. The biggest hurdle to success is executive leaders who lack the contemporary competencies and experience necessary to steer their organization toward success, and board members

who have not had adequate training on nonprofit board governance and knowledge of what is required from them for their organization to be successful. Just because someone is a successful business executive, community leader, or prominent citizen in your community does not necessarily mean that they are prepared to become a good nonprofit board member. And even a nonprofit CEO who had success in the roles they held prior to becoming a chief executive can benefit from leadership education, coaching, and support to propel their board and leadership team

forward. With knowledge about what is needed to become a great nonprofit board and a deeper understanding of the nature of board leadership, every nonprofit can achieve a higher level of performance. As you work your way through this book, you will discover many opportunities to ask yourself whether or not your board is on the path to becoming highly successful. I hope you will consider using all that is offered in these pages to raise your organization's aspirations, and impact, to bring even greater value to those you serve. Designed to help nonprofit board members and

senior staff, "The six books address all of the fundamental elements of service common to most boards, including board member responsibilities, how to structure the board in the most efficient manner, and how to accomplish governance work in the spirit of the mission of the organization."--Pg. 2 of Book 1 First published in 1988. Routledge is an imprint of Taylor & Francis, an information company. Finally! Board member orientation truly simplified. Serving on a nonprofit board can be an incredibly rewarding experience for the properly prepared board member. This

book is for the generous and busy people who agree to give of their time and talents by serving on nonprofit boards. Nonprofit boards often fail to do a good job of board member orientation for a variety of reasons. It takes a significant amount of time and effort to plan and conduct quality board member orientation programs, and every time a new board member arrives, it's time to do it again! Because of the challenges associated with providing quality board member orientation, many nonprofit organizations do not do it at all, leaving their board members to wing it.

This book provides help and support to the truly great men and women serving on nonprofit boards whose service makes a positive difference in the lives of countless people every day. This book is a concise and appropriately comprehensive guide to nonprofit board service designed especially for new board members. It is a quick read, (about one hour), yet it addresses with accuracy the most significant elements of board service, such as mission, responsibility, duty, risk, liability, and board meeting dynamics. Hooey Alerts! Watch for Hooey Alerts! where the author identifies and

dispels common myths and legends about nonprofit board service. There are many sources of false or misleading information about the nonprofit board service environment. A perfect example is the often vaguely-worded and intimidating assertion or implication that the Sarbanes-Oxley Act passed by Congress in 2002 applies to nonprofit organizations in a manner similar to how it applies to publicly-traded companies. (It does not.) Reviews "This book is the perfect guide for every nonprofit board member! Concise, highly informative, and loaded with nuggets of wisdom,

it's a must read that will take board members to the next level of successful board governance." -- J. Todd Chasteen, General Counsel, Samaritan's Purse "Mike Batts has put his quarter century of advising and serving on nonprofit boards to good use in this accurate and easy-to-read book. In addition to describing major principles of nonprofit law and governance, the book provides helpful questions to guide board members in understanding the practical applications of the concepts discussed. While geared primarily toward helping new board members get up to

speed quickly, it should also help veteran board members discharge their stewardship roles wisely and efficiently." -- Chuck Hartman, Associate Professor of Business Law and Accounting, Cedarville University "This book, Board Member Orientation, is exactly what a busy volunteer board member needs. The board member's duties are presented in a clear and concise manner from the perspective of someone who has been around many boards. With a focus on those issues that are most common and/or most important, it is perfect for board member orientation

and for quick reference reminders for the experienced board member." -- Doug Starcher, Partner, Broad & Cassel
"This book provides clear, no-nonsense guidance on the basic issues for new nonprofit board members. Using this book for board member orientation will ensure your organization has communicated fundamental governance issues and will assist the board in determining risk management strategies." -- Dan Busby, President, ECFA

***** The Simple Board Member Orientation Process Using This Book:
1. Your board

members read Chapters 1-9 of the book, which will provide them with insights regarding the key elements of nonprofit board service. 2. You provide the board members with copies of the documents described in Chapter 10 related to your organization. 3. You meet with your board members to discuss the unique attributes of your organization following the discussion questions provided in Chapter 10. Done! Fundraising is an essential part of every nonprofit board member's duties and responsibilities. Fundraising for Nonprofit Board Members is the

essential resource for all board members charged with fundraising. Fundraising for Nonprofit Board Members answers essential questions such as: What is a board member's role in fundraising? Should a board member be expected to ask friends and associates for money? Will board members be begging? Isn't that what fundraising really is? What should a board member expect to give personally to the charity? What is a special event, a will, an annual fund, and what do they have to do with fundraising and the board member's responsibility? Each chapter gives board

members the tools they need to be effective and efficient fundraisers. Rather than being something board members "have to do," fundraising will become more productive and even enjoyable. Each chapter also ends with questions to help reinforce highlights from the chapter, and gives boards much-needed discussion points for the next board meeting. Fundraising for Nonprofit Board Members is a must-have resource for any nonprofit board member. It shows what each board member needs to know about fundraising, and dispels many myths that make fundraising seem

unappealing. When you approach fundraising equipped with the right knowledge and setting, you will succeed in fulfilling your fundraising responsibilities, but better yet, you will enjoy your time and actually enjoy raising money for your organization. Discover fundraising is NOT about asking for money. And how you can raise more money by never asking for money. Fundraising for Nonprofit Board Members makes an ideal gift for CEOs and Board Chairs to give to each board member at the beginning of the year or when someone joins the board. A Bestseller Becomes Even More Pertinent

First published in 2005, this collection of CompassPoint online newsletter articles became instantly popular with busy board members of nonprofits. Now updated with new essays that are short enough to read over a cup of coffee, readers will find essential insights on board responsibilities, executive directors, fundraising, finance, and more. New topics include: eleven ways to get a new executive director off to a good start, a board member's guide to nonprofit insurance, how to take a public stand, working boards versus governing boards, the right way to resign from the board, the best

way to raise money, meaningful board-staff acts of appreciation, and what boards need to know about copyrights.

Nonprofit governance is like sports officiating. Umpires and referees don't play the game. They manage the game.

That's what governance does for a nonprofit organization.

People assigned to governance oversee how the organization is managed and work to make the entire business as effective as possible.

Governance for Nonprofits itemizes the duties of governance, explains what a nonprofit organization needs

to successfully accomplish its Mission Statement and provides the road map to an ongoing, smoothly operating, profitable, not-for-profit organization. Governance for Nonprofits is a basic tool that should be in the arsenal of every person that sits on a board of directors and every member of a nonprofit staff that deals with the challenges of making a not-for-profit organization successful. That's because the book: * Explains the duties of board members and board officers * Shows how to be an effective member of a board of directors * Examines the purpose and limitations of board of directors * Looks

at the role of the board in major decision making * Explains fund-raising from a management perspective * Walks the reader through the major steps of becoming a nonprofit * Offers real-life samples of important nonprofit documents * Includes an introduction to IRS reporting Form 990 * Explains the elements and importance of bylaws * Illustrates the differences between managing a small, medium or large nonprofit * Explains various types of nonprofit boards of directors * Discusses the role and value of committees * Looks at the impact of ethics in nonprofit operations *

Explains how to analyze the effectiveness of a board of directors * Makes suggestions regarding term-limits * Demonstrates the importance of succession planning * Examines the tools available to help make a board of directors function at a high level of competence * And a whole lot more. WORDS OF PRAISE A sorely needed book for nonprofit organizations. It covers every aspect of either forming or participating in a nonprofit. This is a must read because it is not only a guide but also a reference for all thinking about forming or operating a nonprofit. --Lt. Col

Robert S. Slater (Ret.) US Air Force; President, Community Development District 1, Collier County, Florida This is a great resource for senior non-profit managers and board members who are searching for the details of nonprofit governance. --Don R. Pember, Ph.D. Professor Emeritus, School of Communications, University of Washington and author of Mass Media Law, Mass Media in America, Privacy and the Press This book tackles governance and makes this dry subject actually interesting! No matter what the size of the community, or what

community a nonprofit serves, this book focuses on every aspect of nonprofit operation! --Donna Fiala, County Commissioner, Collier County, Florida (Ret.) Columnist, Civic Activist Extremely well organized as a guide or quick reference. I highly recommend this clear and easily read manual to anyone involved in any way with a nonprofit organization. -- Michael S. Walker, Ph.D. Physicist and author of Quantum Fuzz Ted DeGroot shares his extensive knowledge and expertise in this comprehensive guide to governance for nonprofit organizations. The

many examples and analogies help the reader absorb this complex subject by putting the information into context. It's a must-read for Board members and nonprofit executives who want to understand nonprofit governance in depth and bring their nonprofit organizations to new heights of success. --Sheryl Soukup CFRE, President, Soukup Strategic Solutions: Expertise in Fundraising and Nonprofit Management Ah, simplicity. That's not a word usually voiced in the same breath as 'board evaluation.' Or conciseness? and clarity? and cogency. Yet all four

aptly describe Gayle Gifford's book, *How Are We Doing: A 1-Hour Guide to Evaluating Your Performance as a Nonprofit Board*. Until now, almost all books dealing with board evaluation have had an air of unreality about them. The perplexing graphs, the matrix boxes, the overlong questionnaires. It took only a thumbing through to render a judgment: "My board's going to use this? Get real!" Enter Gayle Gifford. Inhale the fresh air. See the ground break. Watch the clutter clear. Gifford has pioneered an elegantly simple and enjoyable way for nonprofit boards to

evaluate and improve its overall performance. It all comes down to answering a host of straightforward questions? questions that, as Graham Greene would say, get to "the heart of the matter." Here is a sampling:--Have we set a goal for the good we want to do?--How well do we know our community's needs?--Do we know if our programs are having an impact?--Do we ask the right financial questions?--Do we govern and resist the temptation to manage?--Do we recruit the board members we need?--Have we decided the board's role in fundraising? It doesn't matter whether the setting

is formal, as in a special board meeting, or casual? the chairperson's living room. It doesn't matter whether you have 75 board members or seven. It doesn't matter whether yours is an established institution or a grassroots start-up. All that matters is that the questions are answered candidly and the responses discussed. It doesn't get any easier than that. It's all so refreshing? the thought of an invigorating discussion taking place, without pretense or pedantry, during which board members reflect on their job, gain a fuller understanding of

their organization, explore their strengths and shortcomings, grow more cohesive, sense new potential? and come away genuinely energized by the process? and far better equipped to govern. Gifford has done nothing less than transform the way boards will evaluate themselves from this day forward. Oh, the simplicity of it all. Designed to help nonprofit board members and senior staff, "The six books address all of the fundamental elements of service common to most boards, including board member responsibilities, how to structure the board in the most efficient

manner, and how to accomplish governance work in the spirit of the mission of the organization."--Pg. 2 of Book 1 A nonprofit organization (NPO), also known as a non-business entity, not-for-profit organization, or nonprofit institution, is a legal entity organized and operated for a collective, public or social benefit, in contrast with an entity that operates as a business aiming to generate a profit for its owners. This book is for those who may be new to serving on a nonprofit board, or who may be wondering, "Why don't we accomplish

anything?" It is definitely for nonprofits who have "challenges" raising money. Fundraising is 90% preparation. A secret to that preparation is the care and nurturing of the board's culture and accountability. None of this comes naturally or easily. If you've been a member of a highly functioning organization, you know what a "great board" is all about. But many of us don't have that experience - and too often, our executive directors or CEOs don't have it either! Tips and techniques to help your nonprofit thrive in any economy Due to the recent downturn in the economy, a

significant number of nonprofit organizations have experienced a major decrease in funding and contributions. Nonprofit Kit for Dummies, 3rd Edition caters to these organizations and shows you how your nonprofit can thrive and survive even in the current economic climate. With 25% new and revised material, Nonprofit Kit For Dummies, 3rd Edition offers new tips and information on everything you need to navigate the process of setting up and effectively running a nonprofit organization. Covers raising money, applying for grants, and developing the

perfect mission statement Details on how state laws vary; conducting program evaluations; and conforming to accounting standards CD includes forms, worksheets, templates, and more Whether you're thinking about starting your own nonprofit or are already working in the sector, Nonprofit Kit For Dummies, 3rd Edition is a valuable source for getting the latest information and practical advice on running a prosperous nonprofit organization. Praise for Nonprofit Boards That Work "This book offers a refreshing and candid look at the

challenges of nonprofit boards. It moves away from theoretical frameworks to take you inside the real world of nonprofit organizations. . . . A must for any executive director who needs reassurance that building effective boards is tough work, but well worth the effort." - Sherry Rockey, Executive Director, International Women's Media Foundation "Maureen Robinson is uniquely qualified to help us understand the issues related to boards that are effective, those that are not, and why. It is certain that board members, potential board members, and

executive directors who read this book will better understand their roles and responsibilities, and will be better able to avoid common pitfalls. As a result, the impact of their efforts on those whom their organizations exist to serve will be enhanced." - Ron Burkard, Executive Director, World Neighbors As more than 10 million people in the United States alone say yes to board service, they also expect to see their time and talents used effectively. This invaluable book presents a straightforward approach to understanding the role of the board, tailoring its work to

meet the needs of specific organizations, and creating a culture of board productivity that makes participation rewarding for board members as well as the organizations they serve. Nonprofit Boards That Work: * Distinguishes between theory and practice and encourages boards to explore how they genuinely add value to the work of the organization * Goes beyond the hows and whys of nonprofit governance to provide frank advice and real-world examples of what works, what doesn't, what requires a miracle, and what can be achieved through

diligent and deliberate effort * Offers practical yet flexible strategies that can be tried by any nonprofit board, whatever its current effectiveness . . . and much more to guide nonprofit organizations and their boards toward accomplishing the goals they seek. A new framework for helping nonprofit organizations maximize the effectiveness of their boards. Written by noted consultants and researchers attuned to the needs of practitioners, *Governance as Leadership* redefines nonprofit governance. It provides a powerful framework for a new covenant between trustees

and executives: more macrogovernance in exchange for less micromanagement. Informed by theories that have transformed the practice of organizational leadership, this book sheds new light on the traditional fiduciary and strategic work of the board and introduces a critical third dimension of effective trusteeship: generative governance. It serves boards as both a resource of fresh approaches to familiar territory and a lucid guide to important new territory, and provides a road map that leads nonprofit trustees and executives to governance as

leadership. *Governance as Leadership* was developed in collaboration with BoardSource, the premier resource for practical information, tools and best practices, training, and leadership development for board members of nonprofit organizations. Through its highly acclaimed programs and services, BoardSource enables organizations to fulfill their missions by helping build effective nonprofit boards and offering credible support in solving tough problems. For the latest in nonprofit governance, visit www.boardsource.org, or call us at

1-800-883-6262. Now even with limited resources, nonprofit leaders will learn how to: eliminate redundant or outdated policies; add new policies more effectively; clearly guide the CEO and evaluate his or her performance; ensure compliance with relevant legislation and regulations; understand why certain policies should be included; and adapt the authors' templates to their specific needs. Managing a nonprofit organization has many challenges. One key to success is building a strong relationship between the executive director and the board of

trustees. This book is a treasure trove of information for navigating the personal, political, and legal minefields that cause so many nonprofits to fail. Dozens of case studies illuminate the key issues that often impede the progress of nonprofit organizations. Each chapter also contains a set of questions that enable leaders to reflect on the health of their own organization and also evaluate other nonprofits, as well as to create sustainable, effective business practices and productive working relationships. Topics discussed here include: • Communication between

managerial parties

- Sharing powers and responsibilities
- Fund-raising
- Financial oversight and boundaries
- Planning programs
- Hiring and firing
- Developing partnerships
- Assessing business practices
- * Building productive working relationships
- * And much more

Whether you are an executive director, a board member, or someone contemplating either important role, *Effective Leadership in Nonprofit Organizations* is an excellent resource for understanding the dynamics of nonprofits and creating a strong organization. "Think for a moment of the best conversations

you've had with friends and colleagues. You were honest with one another—not shy about speaking up but relaxed, even if the topic being discussed was serious in nature. That's the type of conversation The Nonprofit Board Answer Book aims to have with you in the pages that follow. It follows a question-and-answer format, enabling you to quickly find an answer to a burning question you have right now. At the same time, it's easy to pick up and read straight through, either cover to cover or one section at a time. At the end of each question-and-answer pairing

you'll find suggested action steps. These offer ways to put the information to a practical use on your own board and within your own nonprofit organization. Implementing some of these steps may lead to more questions as you become even more committed to fulfilling your responsibilities as a board member. Remember: behind every good answer lies a good question. So keep asking those questions.”--from the Introduction Everything you need to know as a nonprofit board member to raise more money and help your organization succeed in meeting

its goals Engaging and informative, this practical guide to fundraising contains valuable insights that nonprofit boards need to succeed in raising money in today's dynamic economic environment. While written expressly for board members, this useful handbook also provides advice to executive directors and advancement staff on how to partner with your board to build an unstoppable fundraising team. A Fundraising Guide for Nonprofit Board Members shows you how to raise more money by building board leadership and skills in fundraising. This book covers it

all—the board's leadership role in fundraising; how to organize and train your board to raise funds; building a team with board and staff; raising funds for operations, major gifts and capital campaigns; how to ask for gifts; plus a guide for conducting a board retreat that will lead to fundraising success. Demystifies the ask by providing a straightforward guide on how to ask for, and close, gifts. Features case studies, real life examples, and checklists in an easy to reference format. Offers sample materials for a board retreat on building the successful fundraising team

Also by Julia Ingraham Walker: *Nonprofit Essentials: Jump-Starting the Stalled Fundraising Campaign*. Entertaining, practical, and easy to use, this book will become a must-read for all board members, executive directors, and staff who want to build an effective fundraising team. *Nonprofit leadership is messy*. Nonprofits leaders are optimistic by nature. They believe with time, energy, smarts, strategy and sheer will, they can change the world. But as staff or board leader, you know nonprofits present unique challenges. Too many cooks, not enough money, an

abundance of passion. It's enough to make you feel overwhelmed and alone. The people you help need you to be successful. But there are so many obstacles: a micromanaging board that doesn't understand its true role; insufficient fundraising and donors who make unreasonable demands; unclear and inconsistent messaging and marketing; a leader who's a star in her sector but a difficult boss... And yet, many nonprofits do thrive. *Joan Garry's Guide to Nonprofit Leadership* will show you how to do just that. Funny, honest, intensely actionable, and based on her decades of

experience, this is the book Joan Garry wishes she had when she led GLAAD out of a financial crisis in 1997. Joan will teach you how to: Build a powerhouse board Create an impressive and sustainable fundraising program Become seen as a 'workplace of choice' Be a compelling public face of your nonprofit This book will renew your passion for your mission and organization, and help you make a bigger difference in the world. THE HANDBOOK OF NONPROFIT GOVERNANCE From BoardSource comes The Handbook of Nonprofit

Governance. This comprehensive resource explores the overarching question of governance within nonprofit organizations and addresses the roles, structures, and practices of an effective nonprofit. The Handbook of Nonprofit Governance covers the topics that are of most importance to those charged with creating and sustaining effective leadership, including building a board; succession planning; policies; financial oversight; fundraising; planning; strategic planning processes; risk management; and evaluation of the board, CEO, and organization. Praise for The Handbook of

Nonprofit Governance "This is the first book I've found that covers the topic of governance from A to Z. I know what I'll be assigning the students in my governance class as a textbook next semester!"
—TERRIE TEMKIN, founding principal, CoreStrategies for Nonprofits, Inc.
"BoardSource has prepared an exceptional resource for nonprofit boards and leaders. This comprehensive volume offers timely and relevant information about board work and governance, including practical tools and resources that will be valuable to all types of nonprofits."
—DAVID O. RENZ,

chair, department of public affairs; Beth K. Smith/Missouri Chair in Nonprofit Leadership; and director, Midwest Center for Nonprofit Leadership; University of Missouri, Kansas City "If you are involved in nonprofit organizations, and if you ever have doubts about how they are best run, this is the book for you-and BoardSource is the place to turn."
—FISHER HOWE, consultant, Lavender/Howe & Associates, and author, The Nonprofit Leadership Team BoardSource (formerly the National Center for Nonprofit Boards)

is the premier resource for practical information, tools and best practices, training, and leadership development for board members of nonprofit organizations worldwide.
