How to Fall in Love with Anyone Mandy Len Catron,2017-06-27 A beautifully written and well researched cultural criticism as well as an honest memoir *Los Angeles Review of Books* from the author of the popular *New York Times* essay *To Fall in Love with Anyone* Do This explores the romantic myths we create and explains how they limit our ability to achieve and sustain intimacy What really makes love last Does love ever work the way we say it does in movies and books and Facebook posts Or does obsessing over those love stories hurt our real life relationships When her parents divorced after a twenty eight year marriage and her own ten year relationship ended those were the questions that Mandy Len Catron wanted to answer In a series of candid vulnerable and wise essays that takes a closer look at what it means to love someone be loved and how we present our love to the world Catron melds science and emotion beautifully into a thoughtful and thought provoking meditation Bookpage She delves back to 1944 when her grandparents met in a coal mining town in Appalachia to her own dating life as a professor in Vancouver She uses biologists research into dopamine triggers to ask whether the need to love is an innate human drive She uses literary theory to show why we prefer certain kinds of love stories She urges us to

question the unwritten scripts we follow in relationships and looks into where those scripts come from And she tells the story of how she decided to test an experiment that she'd read about where the goal was to create intimacy between strangers using a list of thirty six questions and ended up in the surreal situation of having millions of people following her brand new relationship Perfect fodder for the romantic and the cynic in all of us Booklist How to Fall in Love with Anyone flips the script on love Clear eyed and full of heart it is mandatory reading for anyone coping with or curious about the challenges of contemporary courtship The Toronto Star [100 Questions \(and Answers\) About Action Research](#) Luke Duesbery, Todd Twyman, 2019-03-07 100 Questions and Answers About Action Research by Luke Duesbery and Todd Twyman identifies and answers the essential questions on the process of systematically approaching your practice from an inquiry oriented perspective with a focus on improving that practice This unique text offers progressive instructors an alternative to the research status quo and serves as a reference for readers to improve their practice as advocates for those they serve The Question and Answer format makes this an ideal supplementary text for traditional research methods courses and also a helpful guide for practitioners in education social work criminal justice health business and other applied disciplines

You're Not Listening Kate Murphy, 2020-01-07 When was the last time you listened to someone or someone really listened to you If you're like most people you don't listen as often or as well as you'd like There's no one better qualified than a talented journalist to introduce you to the right mindset and skillset and this book does it with science and humor Adam Grant 1 New York Times bestselling author of Originals and Give and Take Hand picked by Malcolm Gladwell Adam Grant Susan Cain and Daniel Pink for Next Big Ideas Club An essential book for our times Lori Gottlieb New York Times bestselling author of Maybe You Should Talk to Someone At work we're taught to lead the conversation On social media we shape our personal narratives At parties we talk over one another So do our politicians We're not listening And no one is listening to us Despite living in a world where technology allows constant digital communication and opportunities to connect it seems no one is really listening or even knows how And it's making us lonelier more isolated and less tolerant than ever before A listener by trade New York Times contributor Kate Murphy wanted to know how we got here In this always illuminating and often humorous deep dive Murphy explains why we're not listening what it's doing to us and how we can reverse the trend She makes accessible the psychology neuroscience and sociology of listening while also introducing us to some of the best listeners out there including a CIA agent focus group moderator bartender radio producer and top furniture salesman Equal parts cultural observation scientific exploration and rousing call to action that's full of practical advice You're Not Listening is to listening what Susan Cain's Quiet was to introversion It's time to stop talking and start listening [School, Family, and Community Partnerships](#) Joyce L.
