Seagull One Lily Prellezo,2010-09-26 There was a time in Miami when it seemed impossible to go through a week without news coverage of the men women and children escaping Cuba and being pulled off of makeshift rafts in the middle of the Florida Straits One out of four did not survive the dangerous journey the others barely hung on with little food and water Most of the lucky ones were saved by a group of volunteers who called themselves Brothers to the Rescue BTTR Seagull One is the never before told story of the men and women representing nineteen nationalities who came together to fly in rickety Cessnas over the Florida Straits to search for rafters fleeing Communist Cuba It is a fascinating account of how Jos Basulto a Cuban exile and Bay of Pigs veteran founded BTTR with the humanitarian mission of saving the lives of the desperate souls willing to brave the ocean in pursuit of freedom The group s tactics were sometimes controversial including protests against both the Cuban and U S governments yet the organization managed to save over 4 200 people they would seldom if ever meet Seagull One also records the infiltration of two spies one who was a double agent working for the FBI Together these two volunteers collaborated with the Castro government in planning the shoot down over international waters of two unarmed Cessnas flying a humanitarian mission on February 24 1996 The cold blooded murder of four innocent men three American citizens and one legal resident led to significant changes in U S Cuba relations Over one hundred people were interviewed for Seagull One Their stories come to life in this nonfiction narrative that reads like a novel
