A BdsM Primer Samatha Pall,2016-10-11 Let us introduce you in the world of BDSM What You Need To Know Before You Start To Play If you re looking for a BDSM guide then you quite probably already have at least some idea of what BDSM is all about That said few people know exactly what the acronym means or just how widely it can be applied For that reason before we delve into the ins outs hows whats and whys of BDSM play we re first going to take a moment to understand exactly what it means BDSM is in fact a compound acronym It stands for Bondage Discipline AND Domination Sadism AND Submission Masochism In short it revolves around relationships in which one person has control over the other or where both partners take turns to be in control and may involve the use of bondage pain humiliation and exotic sexual activities to make sex more exciting For most people this means experimenting with bondage pain power play and other activities in the bedroom and perhaps even venturing to a BDSM club or play party if they feel brave enough Of course the actual meaning of BDSM is different for different people Some couples are into heavy protocol based play which they enact even outside of the bedroom Some couples just like to enjoy a little light spanking and some fun with rope Some couples like to play in public at dungeons and play parties while some prefer to keep it a private affair Some people like to have more than one partner while others choose to remain monogamous Although BDSM in its strictest sense is mainly about control dominance submission and pain you ll probably find that as you explore you ll come across a huge range of different sexualities preferences and types of relationship It s up to you in the end to decide what BDSM means for you Think of this guide as a starting point for your exploration of this exciting and vibrant world In the book we ll take a look at some important safety tips which will allow you to play safely and sensibly We ll show you how you can get your hands on some useful BDSM equipment to experiment with without breaking the bank as well as what to do once you re ready to take the plunge and acquire some serious kit We ll also look over some tips on bondage and roleplay to get you started This guide can be applied to a range of relationships so if you think you might be interested in something a little different from a standard dominant submissive situation do please read on You ll still find the tips here useful and relevant Done right BDSM and kink can be life enhancing pleasurable and mind expanding activities If you re curious if you want to explore if you re ready to take your relationship to another level or if you ve always had a secret yearning that you ve never quite fully realized read on This guide is for you

Bdsm Mastery Cherry Wilson,2021-04-30 The other day my girlfriend pushed me down and looked me in the eye I m going to make you cry she said She began to hit me in earnest and made me count the blows Why would we ever want someone we love to hurt us Why would we ever want to hurt someone we love And why do some of us crave it Later as I sobbed and she held me I felt the therapy of that release the effect of dealing with PTSD and trauma with pain that I can end any time by saying my safe word Pain that comes from someone who I know is doing it for both of our pleasure and not out of a desire to actually hurt me Julie brown a queer trans woman shared this anecdote with me after responding to my call for personal stories about BDSM Over the past week I ve conducted interviews with a dozen members of the BDSM and kink community ranging across identities age gender and location By now the general mechanics of BDSM are familiar to anyone who s had even a passing encounter with Fifty Shades of Grey the whips crops and handcuffs all recognizable accoutrement of kinky sex but I was interested in exploring the personal psychological side BDSM is an acronym with several constituent parts bondage and discipline dominance submission sadism and masochism Collectively these behaviors might be referred to as aspects of kink a term which covers the broad expanse of non normative sexuality It includes BDSM it can also encompass things like watersports and various fetishes like latex or balloons I use we when referring to this community because I find myself a member of it though like any imagined community membership is as much self designated as it is given I m interested in BDSM In particular I like submission I ve explored rope bondage been to play parties and incorporated it into many of my romantic and sexual relationships For julie the appeal lies in how it allows her to access pain while being in full control of that pain she can end it at any time with her safe word BDSM allows her to process complex traumatic experiences in a way that s safe and consensual Her story resonated with my own experiences with BDSM too trusting a beloved partner to give me what I need while knowing that I m in full control of the situation is exhilarating Is that feeling universal If you ve ever fantasized about getting kinky in the bedroom you re not alone The runaway success of E L James s novel Fifty Shades of Grey more than 100 million copies sold not to mention the sales of other books in the series and the movies it s generated prove that interest in BDSM bondage and discipline dominance and submission and sadism and masochism is anything but rare It s very out in the culture right now but it s not fully out of the shadows yet says Gentille People are still embarrassed to talk about sex What they discover when they dive a little deeper into it is that in BDSM you actually get to talk about what you like what you re curious about and what is a definite No It s clear overt and collaborative and that can feel delightful And if you like it if you have control over what happens it s all good fun Wait Why waste your time with my long talk when you can dive in rightaway **CLICK THE BUY BUTTON NOW TO GET STARTED**
