The Reincarnation of Edgar Allan Poe Mar 21 2022 When E. A. Poe left this world his work was far from finished. Undoubtedly one of if not the greatest of writers of the 19th Century, Poe was to fulfill his destiny and desires in another even more celebrated literary figure in reincarnation. Up until the late 20th Century no one could have gathered enough evidence to substantiate the irrefutable connection between who Poe was, had been and who he returned to Earth as. Now that has been accomplished with this work. Those who love and have loved his poetry and stories will be gratified to know that he eclipsed his dreams and got paid handsomely as well.

The Reincarnation of Leonard Aug 14 2021 A single, tragic episode in a cyclic reincarnation of Leonard, who has cursed himself to live until he avenges his son's death. He re-enters the time stream as dark forces have infiltrated the highest levels of society, the church, politics and scheme to open a gate back in time; the Syne, to alter the past for a more advantageous present. Leonard is a threat to those that control the world because he can influence the misbelief in the present. Demons who cannot create, but must make their will into reality by using guile, plot to usurp humanity as the heirs of

creation. The highest levels of the church want Leonard's power to willfully reach beyond the limits of a single lifetime. Leonard's misbelief that alters the present construct of reality has come to the attention of the Watchers, who for centuries, have been guardians over the maturation of mankind which is overdue. They now have decided to take an active role in protecting mankind from the certain extinction as the dark forces, thought to have been slaves and servants, have grown strong enough to consume humanity's spark. Duplicity abounds; the ordained turning against the church, the heirs of the vast amounts of assets through the generations who lust after even more plot among themselves and the bureaucrats find threats against their rule everywhere. As a tool of the Watchers against those forces, Leonard is simply advised to go misbelieve.

Reincarnation May 03 2023 The ultimate historical romance: one love story unfolds over many centuries and lives in this captivating novel from the author of the Bar Code Trilogy. From prehistory to the present, theirs was a love for the ages. It starts with a fight in a cave over an elusive green jewel . . . and then travels over time and lives to include Egyptian slaves, Greek temples, Massachusetts witch trials, Civil War battlefields, Paris on the eve of World War II, America in the 1960s . . . and a pair of modern-day teenagers. For readers who believe that love is stronger than time or death, this is an unforgettable novel from a wonderful storyteller. "Offer this imaginative, passionate tale to romance buffs who need convincing that a fantasy can be a great love story, too." —Booklist (starred review) "Readers with a romantic bent will be drawn to this story, which pushes the notion of eternal love to its limits: two spirits find each other again and again, at different moments in history."

*The Reincarnation of Edgar Cayce? Jul 25 2022 Discover the legacy of the most famous psychic of the 20th-century in this stirring exploration of psychic abilities, reincarnation, and other paranormal phenomena There are remarkable parallels between the work of David Wilcock and Edgar Cayce—the legendary clairvoyant, ‘sleeping prophet’, and ‘father of holistic medicine’. Here, author Wynn Free explores these parallels, building a convincing case that the two men shared the same source of prophetic information—and that Wilcock might indeed be Cayce’s reincarnation. Compiling some of Wilcock’s most inspirational and life-transforming prophetic guidance from his channeled Source, this book conveys profound insights into topics such as earth changes, secret cabals, soul evolution, death and reincarnation, ascension, crop circles, and the theory of evolution. Explaining how energetic increases occurring in the Sun and planets can have scientifically-measurable, far-reaching effects in a number of realms, *The Reincarnation of Edgar Cayce* presents new evidence that this energy can transform DNA, potentially making ESP, telekinesis, levitation, and other paranormal activities as common as breathing and usher in the Golden Age promised by every major spiritual tradition in human history. Readers will come away with a deeper understanding not only of the life and work of both Wilcock and Cayce, but with a broader sense of the many forces—seen and unseen—at work in the universe today.*

Soul Survivor Nov 09 2023 James Leininger was just two years old when he began having disturbing nightmares that would not stop. He screamed out in the night: ‘Plane on fire! Little man can't get out!’ While nightmares are common among children, what happened next shocked those around him... James began to reveal details of

planes and war tragedies that no two-year-old boy could know. His desperate parents were at a loss to help him until he said three things: 'Corsair', 'Natoma' and 'Jack Larsen'. From these tantalising clues, James's parents travelled thousands of miles and spent many long years piecing together these facts to try and find an answer that could end his torment. Finally, despite his mother's fears and his father's staunch Christian beliefs, they found only one possibility to the endless coincidences that surrounded every detail in James's life - that their son was reliving the past life of a World War II fighter pilot. Their touching story is one that will challenge sceptics and confirm the beliefs of those who already believe in life after death.

The Reincarnation of Peter Proud May 15 2024 Plagued by nightmares of his own death, a California professor puzzles out the riddle of his dreams in this classic spine-tingler about past lives Dr. Peter Proud's ordinary life as a professor is threatened by recurrent dreams that all end the same way: with his murder in a lake by a mysterious woman named Marcia. These dreams—which he comes to believe may be flashbacks from a previous life—become so disturbing that he seeks answers from a sleep researcher, a clairvoyant, and an expert in psychic phenomena in order to recover his past. But he soon discovers a new dimension to his dilemma while watching a television show called *America, Past and Present*—and realizes the show is set in the town in his dreams. He travels to Springfield, Massachusetts, where he comes face to face with the woman from his nightmares. The woman, Marcia Curtis, is shocked to find that Peter's personality traits and characteristics closely mirror those of her dead husband, Jeff. Tensions escalate when Peter, having inserted himself into the Curtis' lives, falls in love with Marcia's daughter. Will a second tragedy occur just as Peter is about to unravel the mystery behind his dreams? First published in 1973, this classic suspense novel expertly interweaves themes of life after death, romance, tragedy, and altered consciousness into one unforgettable tale.

The Reincarnation of Douglas Kavanaugh Dec 18 2021 It turns out; some things are mysterious for a reason. Douglas Kavanaugh discovers this the hard way. As his story unfolds, he faces circumstances which lead him into the political arena. He meets the love of his life. Then ultimately, he is forced into exile. It is from there that he reflects on the journey of his lifetime. As a young boy, he grew up with a sense that he in some way, shape, or form had been here before. He seemed to know things that perhaps he shouldn't at his age. When his mother died, this life changing event put him directly on course to fulfill his dream. As a research scientist, Douglas incorporated traditional medicine and certain laws and principles associated with quantum physics. The result of which produced a vaccine that cured a particular disease in which an inordinate percentage of the world's population was suffering from. Unfortunately, the side effect of the cure caused each recipient to become aware of the exact time and date of their eventual death. There was nothing anyone could do to change how they would pass on from this life to the next. As you can imagine, this bit of privileged information turned the world upside down. War raged and unparalleled panic ensued. Husbands turned against wives, brothers against brothers, and so on. The consequences of this knowledge made Douglas a hated individual. But time does heal a multiplicity of wounds. Thus the day came, when not the quantity, but the quality of life was more important. And appropriately, to live to the fullest became a person's only option. Through Douglas's endeavor, the question and the quest were unquestionably answered and heeded. Even now, years later, he is remembered and revered as the man who brought new meaning to the catchphrase that caught on. Which of course was: 'It Will Set You Free.'

The Reincarnation of a Queen Mar 09 2021 In this novel, John Wilmont, Earl of Rochester brings the story of Panderva, who lives on the streets of Florence, facing dangers and provocations, with the same arrogance of her time as queen. In a plot where good and evil face their challenges, an example of improvement and learning

emerges, demonstrating that life experiences have their reason for being, within the purpose of the Higher Law, which invites everyone to regeneration. and perfection. Panderva's story, with her loves and disappointments, shows that we are never alone and that help always comes when pride and selfishness are doubled by pain. To do this, God makes himself present through people and circumstances that cross our paths, not by chance. If it weren't for Wladimir's help, Panderva would never have been Isolde. But here, only Rochester is able to unravel this difficult and fascinating plot.

The Reincarnation of Robert Browning Dec 30 2022 What would you do if you suddenly realized you had lived before? That your gender, country and life style were totally different? That you had been famous? This happened to Barbara Roberts. Follow her journey of self discovery when she became aware through Spirit Guides that she had lived the life of Robert Browning. The Reincarnation of Radha Sep 07 2023 She is referred to as the mysterious Radha! Some people do not believe she ever existed. Others believe she was an adulteress. The truth is that Radha was a soul that lacked self-love. However, her love for Sri Krishna was boundless and unconditional. In this contemporary 21st century story about Radha's reincarnation, you will learn how her consciousness contrived a plan to give Sri Krishna the Shakti he needed from her while simultaneously breaking her heart. She even chose for him to never speak to her until she had become enlightened herself. She thought nothing of her own self-preservation or the great suffering she would inevitably endure. The questions that remain to be answered are: Will Radha be able to heal from such a traumatic experience? Will she be able to forgive Sri Krishna for breaking her heart? And finally, will she eventually be able to merge with Krishna as they had originally planned? Read

Radha's story to find the answers disclosed within. -- "Written through the framework of choosing the journey of our lives on the path to enlightenment, the author forces us to consider what we have chosen to endure and why. Beautifully written through the eyes of a reincarnation story and the suffering of the soul on its way to salvation and becoming a goddess. This precious story of spiritual mates on their evolutionary journey reminds us of our mortality and declares that our life journey is a special, and personal, experience meant for spiritual growth. Inspired by traditional beliefs, we rediscover, or uncover for the first time, that we choose our suffering, which ultimately helps us advance as humans and have purpose during our cycles of life on Earth." - Kat Lahr Writer, Researcher, Educator Southern New Hampshire University

The Big Book of Reincarnation Mar 13 2024 IS DEATH THE FINAL CHAPTER? In The Big Book of Reincarnation, Roy Stemman attempts to answer one of the big questions of existence: Is death the end? Or, is it merely the end of a chapter in the book of existence? A self-described "skeptical believer," Stemman uses his skills as a professional journalist to perform an in-depth exploration of reincarnation. Using case studies, anecdotes, and physical evidence from the best-documented cases from around the world, Stemman shines a bright light on this subject, inviting readers to decide for themselves on the basis of facts, rather than on the basis of hearsay, speculation, and superstition. Stemman finds fascinating examples of evidence of reincarnation in the nightmares of a Louisiana bayou boy, the past-life recall of a renowned neurosurgeon, the research of a highly respected university professor, and the unique system of governance in the mountains of Tibet, to name just a few. He examines the lives of those affected by reincarnation, such as children who can actually remember their previous lives. Instead of shying away from the skeptics, Stemman evaluates their leading theories and compares them to the findings that he has accumulated throughout his global research. The Big Book of Reincarnation is thorough, well researched, engaging, and

the most comprehensive book ever published on this fascinating subject.

The Reincarnation of Bobby Johnson Feb 05 2021 Set in the 1950s, The Reincarnation of Bobby Johnson tells the tragic story of slavery, murder, rape, and all other forms of abuse which plagued an entire generation for a family from Baton Rouge, Louisiana. The story describes how justice is observed, served and kept through a series unfortunate events involving the family. Faith and hope are the family's weapons against struggle and adversity. The family is rewarded with fortune, after the death of a kind-hearted woman who left all her wealth to them. Though living life to the fullest with those unimaginable blessings, the family was haunted with a tragic past. Despite all that is happening, they continue to live by the grace

of God, develop a stronger family bond, and are able to accept what life has to offer them. The story expresses pain and suffering, courage to survive, surpassing trials and facing the devastating events in life caused by human nature.

The Reincarnation of Albino Luciani Dec 10 2023 "In that it removes the question mark from the end of one's life, this book is a great comfort to the aging and those who contemplate death. Yet, it is most important to the young and those who contemplate life." Howard Jason Smith, Boston Globe. Lucien Gregoire, friend-biographer of Albino Luciani, has written books on the evolution of world religions in a simple and enlightening way so that a child can easily understand them. This is one of them. In 1947, Albino Luciani--the 33-day pope John Paul I--defended his thesis 'The Origin of the Human Soul...' in which he defined the human soul--just what is it one is trying to save? What's more, he stumbled upon the secret of eternal life. The relatively heavy theological intellectual complexity of Luciani's thesis is presented in a series of fun and entertaining conversations with a ten year old boy. As Dante once took the reader through the levels of hell, the reincarnated Luciani takes the reader through the heavens of the Christian, the Jew, the Muslim, the Hindu, the Buddhist, the Tao, and one more--a long lost religion holding the secret to eternal life. One no longer has to guess. One can know in this life, one will live forever. Listen as he tells you what he meant, when he told us, "Don't knock yourself out over smart monkeys and Adam and Eve. Each of us is responsible for our own evolution. We can either choose to remain as mortal men, or we can evolve as Gods." Albino Luciani, Gregorian University, doctoral dissertation, Feb '47. "If every teen were to read this book, what a wonderful world we would live in." Dr. Alexis Bishop, London Times.

The Reincarnation of Giordano Bruno? Aug 26 2022 The purpose of this book is to document a certain period in the author's life and to make the reader question their own reality by exploring the possibility of reincarnation and past lives as well as synchronicities,

coincidences, dreams and recognition. The author hopes by documenting his experiences and exploring them that it will help others to find new creative paths in their lives from effective 'signs'.

The Reincarnation of Ronald Mar 01 2023 The Reincarnation of Ronald is fantasy horror of the first magnitude. This page-turner will keep readers on the edge of their seats as they follow Ronald through his quest for dominance and virility. Ronald turns what was once a seemingly quiet town into one of turmoil, terror and disaster. His mission is to seek out and impregnate as many young virgins as possible to replenish his dying pack of warlocks and witches. He is a 150-year-old warlock whose pack is becoming extinct. Ronald quietly moves into town in the middle of the night right next door to his first conquest. Fifteen-year-old Sylvia is a shy, quiet, and bright young teen who tries hard to keep her parents proud and wants her big brother's love and respect. Sylvia finally succumbs to Ronald's charms, wits, and boyish good looks because he is a master at his game. He can change his appearance and demeanor into whatever he deems necessary. After getting Sylvia pregnant, Ronald forgot to take into account Sylvia's eighteen-year-old brother Mike and his BFF, Eaton. The two young men begin to suspect there's something devious and not quite right with Ronald. Warning: The Reincarnation of Ronald contains violence, sexual situations, turmoil, destruction and murder. Shelley A. Williams is the mother of three grown children and six grandchildren. She lives in Connecticut. "Traveling the world is my goal someday. Writing is my passion." Publisher's website: <http://sbpra.com/ShelleyAWilliams>

The Reincarnation of Love Nov 16 2021 The Reincarnation of Love was inspired by real life experiences and my ideology about love and passion for someone you love. The various love poems are meant for the institution of marriage. They reveal that Christians can be sexy and expressive also. The Reincarnation of Love has three prongs: the inspiration, the pain, and the love. It addresses the concepts of love infusion, love transfusion, a captive heart, and having a love infection. These concepts are brilliantly brought out in the various

poems as well as the twisted plays of love versus new love. Then there are times when the new love appears to be infected and then resurrects itself again as the guiding light. Just when you think you have it all figured out, love reincarnates itself again in the exotic, sensual, yet tasteful metaphoric forms brought out in "Queen Crab Meat," "Coffee Shop," "Computer Story," and the "Attribute to Perfume." The book also addresses the controversy of "Women in the Pulpit" and provides words of encouragement and enlightenment to help empower individuals to move forward in life. Sit back and experience an emotional, spiritual, and challenging journey through the various phases of pain, love, romance, and spirituality like never before. Once you start reading this book, you cannot put it down.

The Reincarnation of Wind Jun 23 2022 The pressures of young adulthood thrust Jaiem, a Vyrldmar prince, into a self-imposed isolation. In a fit of melancholy, he is lured into a web of seduction spun by an immortal heretic called Promothos. Forgotten by most in the world, Promothos has resurfaced to mount a lethal threat against Jaiem's royal family, their kingdom, and their world, and the young prince unwittingly becomes his pawn. From the dawn of the world, Promothos sought to cull the Vyrldmar faithful from their god Yggir's flock, seducing them with the power of the "primordial flame," the boundless creative power of the cosmos. In this chapter of that struggle, Jaiem takes center stage. Promothos is loosed from his abyss. The Vyrldmar's high city is besieged, and the fate of an entire world hangs in the balance.

Edgar Cayce on the Reincarnation of Famous People Aug 06 2023 This book presents a thumbnail sketch of each historical personality and an overview of the current individual's life for parallels and similarities. It will give you a better understanding of how reincarnation works over time.

European Cases of the Reincarnation Type Oct 28 2022 Many cultures accept that a person may die and then come back to life in another form, but Westerners have traditionally rejected the idea.

Recently, however, surveys conducted in Europe indicate a substantial increase in the number of Europeans who believe in reincarnation, and numerous claims of reincarnation have been reported. This book examines particular cases in Europe that are suggestive of reincarnation. The first section provides a brief history of the belief in reincarnation among Europeans. The second section considers eight cases from the first third of the twentieth century that were not independently investigated, but were reported and sometimes published by the persons concerned. The third section covers 32 cases from the second half of the twentieth century that were investigated by the author. Many of these cases involved either children who exhibited unusual behavior attributed to a previous life, or adults who experienced recurrent or vivid dreams attributed to a previous life. In the fourth section, the author compares European cases suggestive of reincarnation with those of other countries and cultures.

Reincarnation Apr 09 2021 Reincarnation tells the story of Osel Hita Torres, a two-year old boy who was recognized by the Dalai Lama as the reincarnation of Lama Yeshe, a prominent Tibetan lama who died in California in 1984.;The book examines Lama Yeshe and his ideas about reincarnation. It also looks at the life of Osel from his birth to the present, describing his initial discovery and his enthronement in northern India, as well as his plans for the future. In India there is much controversy concerning Osel and the author airs both points of view: that of those who believe he is a reincarnation of Lama Yeshe - including his parents and former students of Lama Yeshe who can vouch for his identity - and the more sceptical attitude of the Indian press.;Vicki Mackenzie has visited most of the places in which the story is set and knew Lama Yeshe for the eight years preceding his death. She was present at the enthronement of Lama Osel, the young boy, and has talked to his parents and to former students of Lama Yeshe and interviewed the Dalai Lama. A Buddhist herself, she is a journalist and has written for "The Sunday Times", "The Observer", "The Daily Mail"

and "The Daily Express".

The Reincarnation of the Strongest Exorcist in Another World: Volume 1 Feb 17 2022 Betrayed by his allies and on the verge of death, the strongest exorcist, Haruyoshi Kuga, desired only one thing—to be happy in his next life. Using the secret art of reincarnation, he was transported to another world. Reborn as Seika Lamprogue, third son of a distinguished family of magic scholars, he's found to have no magical power whatsoever, which is an unacceptable shame in a family of mages. However, he soon comes to realize that his new world's magic is nothing compared to the sorcery he mastered as an exorcist. With his control over divination, curses, and legions of youkai who serve him, his life in this new world should be a breeze! The only question is: how can he make use of those powers while laying low to avoid another untimely demise?

The Reincarnation of Sarah Good Jul 05 2023 In this personal account, Dr Val Wilson details how she discovered her past life as Sarah Good, who was hanged in the Salem Witch Trials in 1692. The Reincarnation of Sarah Good: Salem Witch tells the true and compelling story of both Val Wilson's experience and Sarah Good's life, trial and premature death, also delving into the history of the Salem Witch Trials and the mystery and theories of reincarnation that will make even the greatest sceptic consider that we do come round again.

Reborn in the West Apr 21 2022 In the last 30 years, there have been a growing number of Tibetan Buddhist teachers who have chosen to reincarnate as Westerners. Tibetan Lamas know how to control the time of their deaths and reincarnation. Often before they die they leave clues about the place and the family into which they will incarnate. After their death a search is carried out for the incarnation. Candidates for the reincarnation are rigorously tested and finally approved by the Dalai Lama. This book tells the story of Westerners who have been identified as the incarnation of important Lamas. The stories include Lama Osel, the little Spanish

boy from Andalusia who is the reincarnation of Lama Yeshe and Jetsunma, a woman born in Brooklyn, New York, who is the first western woman to have been recognized as a reincarnation Lama.

The Reincarnation of Jesus Christ Apr 14 2024 Discover the astonishing secret of Christianity. Jesus Christ was reincarnated, not resurrected. This was the hidden teaching of the highest circles of Christianity. Resurrection was a Jewish idea deemed fit only for the simple masses that were ignorant of the philosophy of Plato. The Gospels make no secret of Christ's reincarnation, so why does Christianity still subscribe to the false doctrine of reincarnation? Read the truth, as told by the Pythagorean Illuminati, the most ancient secret society on earth, of which Plato himself was once a member.

The Reincarnation of John Wilkes Booth Jan 19 2022 "The subject of reincarnation is a popular one - more so today than ever before. The present study, which in many respects reads like a detective story, came about quite by accident when Dr. Dell Leonardi, a Kansas City hypnotist by profession, discovered that among her subjects a certain young man under regression became no less a personage than John Wilkes Booth, slayer of President Lincoln and brother of actor Edwin Booth. Many aspects of Lincoln's assassination remain a mystery, and that is why this story, recorded on almost seventy hours of tape, is so fascinating. Wesley, a farm boy with limited education, when hypnotized, takes on Booth's voice and mannerisms, shows a wide knowledge of the people of the theatre of that time and, most interesting of all, tells of the plot to kill Lincoln by the Knights of the Golden Circle, the conspirators involved, and of how Booth escaped to San Francisco and then to London, where he became a noted actor under another name. The plotters, it seems, had arranged for his escape, and the stand-in who was shot following the pursuit. It wasn't until Dr. Leonardi started to check up, through a researcher, on some of the minor details that Wesley could not possibly have known, that she began to believe there might be something to the story. Her book is a condensation of the

tapes, and an account of her investigation of the events described. It is an astounding tale."--front and back flaps.

Many Mansions Jan 31 2023 A bestselling account of the many healings and other works of a legendary psychic and an affirmation of the belief in reincarnation. In this study of one of America’s greatest psychics, Edgar Cayce, Gina Cerminara explores the “magnificent possibility” of reincarnation as not only a method to understand our existence, but the truth of it. Using Cayce’s detailed and expansive files that span decades of his research and practice in the field of psychic phenomena, Cerminara delves into the essential essence of reincarnation and its purpose. Told winningly and to the heart of the matter, Many Mansions will be a revelation to many and a confirmation to some about the meaning of human life and the myriad of opportunities afforded to us by the existence of

reincarnation. *Praise for Many Mansions* “Dr. Cerminara . . . is one of the most engaging and penetrating scholars in this field. . . . Perhaps the most attractive quality in her writing is the leavening of wit and insight which shines in these pages.” —Robert Kirsch, *Los Angeles Times* “Edgar Cayce was clearly one of the most remarkable psychics who ever lived. Gina Cerminara’s compelling book is . . . unique and extremely important.” —Jeane Dixon

The Reincarnation of Clara Sep 14 2021 “I want very much to tell my story. You see, there may not be another story like this in all the

world." So begins the tale of eighty-five-year-old Clara Cabot's remarkable journey through time and history. Clara relates her life story to a reporter, as she has been eyewitness to the rise and fall of a small Utah town and its nearby military base for sixty years. However, much more than a simple tale of history, Clara's unique narrative describes how actions from previous lives have set in motion her experiences in the present. Her relationship to her younger sister is karmic and associated with the child she abandoned in 19th century Wyoming. Her attraction to a self-centered husband is connected to fantasies she acquired during a seventeenth century life in England, when she longed to be with a self-center lord. Her psychic talent has been a part of her soul since becoming involved in mysticism in early Palestine. Clara's highly developed intuitive sense, which she calls "looking sideways," reveals how the tragedies and challenges of the present are simply the continuation of patterns set in motion in the long ago past. At first a complete skeptic, the reporter is eventually won over by the narrative and eventually comes to understand her own surprising connection to Clara Cabot through time. Clara's story portrays the amazing saga of the soul and some surprising revelations about the nature of life and the responsibility each of us shares in co-creating our lives.

Reincarnation Blues May 23 2022 A wildly imaginative novel about a man who is reincarnated over ten thousand lifetimes to be with his one true love: Death herself. But all Milo really wants is to fall forever into the arms of Death. Or Suzie, as he calls her. More than just Milo's lover throughout his

countless layovers in the Afterlife, Suzie is literally his reason for living—as he dives into one new existence after another, praying for the day he'll never have to leave her side again. But *Reincarnation Blues* is more than a great love story: Every journey from cradle to grave offers Milo more pieces of the great cosmic puzzle—if only he can piece them together in time to finally understand what it means to be part of something bigger than infinity. As darkly enchanting as the works of Neil Gaiman and as wisely hilarious as Kurt Vonnegut's, Michael Poore's *Reincarnation Blues* is the story of everything that makes life profound, beautiful, absurd, and heartbreaking. Because it's more than Milo and Suzie's story. It's your story, too. Praise for *Reincarnation Blues* "The most fun you'll have reading about a man who has been killed by both catapult and car accident."—NPR "This book made me laugh out loud. And then a page later, it made me sob. Reminiscent of Tom Robbins and Christopher Moore, Poore finds humor in the dark absurdities of life."—Chicago Review of Books "Charming . . . surprisingly light and uplifting . . . It reads like a writer having fun."—New York Journal of Books

The Reincarnation of the Strongest Exorcist in Another World (Manga) Volume 1 May 11 2021 Haruyoshi Kuga's power as the strongest exorcist is all for naught when he is betrayed by his closest ally. With his dying breath, he casts the secret Spell of Reincarnation—when he next opens his eyes, he finds himself in a different world altogether, reincarnated as Seika Lamprogue, the son of a family of magic scholars! He quickly learns that the magic in this new world is quite unlike the sorcery he learned in his past life and that he can't use it. Fortunately for him, with his mastery of curses and the hordes of youkai at his disposal, he doesn't need to. Haruyoshi (now Seika) is determined not to repeat his past mistakes in his second life by smartly laying low and avoiding flaunting his power. Yet accomplishing his goals and without drawing attention to himself proves to be easier said than done—will his powers be enough to live a happy life?!

To Save Russia Jun 04 2023 This is a true story of love and duty which transcends death, incorporating many ingredients of Russian culture: mysticism, faith, Utopian ideals and that most Russian of concepts - the Tsar. It reveals the strange connection of American Donald Norsic with Tsar Nicholas II of Russia.

Reincarnation in Christianity Apr 02 2023 In this exciting landmark work, MacGregor delves into the annals of Christian history to demonstrate that Christian doctrine and reincarnation are not mutually exclusive belief systems.
