Enormous pressures are placed on nonprofit leaders to redesign their organizations to become more successful. From Survive to Thrive, BOLD Solutions for Transforming Your Nonprofit is a workbook and online learning tool that will inspire you to do the necessary work of transforming your organization to reach its full potential. Author Mark C. DiStasi, MSOL, guides you through a step-by-step process in which you look at the vital components for your organizations success. The organizational effectiveness principles and methodologies presented in this workbook and online learning tool are based on consistent patterns implemented within dozens of successful nonprofits researched by Mark. The authors website, www.fromsurvivetothrive.net, provides a series of video case studies. These inspiring videos present stories from nonprofit leaders as to how their organizations overcame certain obstacles to become thriving nonprofits. Your organization is unique and faces specific challenges. You are the expert on your organization. This workbook will leverage and maximize your expertise to stimulate forward thinking and refocus your mission and vision, realistically transforming your nonprofit into the high performing and, ultimately, high impact organization it has the potential to be. The purpose of this book is to help you understand how computerized systems are validated using the GAMP5 framework. The information will be presented in a project life cycle format. This will give you a solid idea how Computerized System Validation projects are conducted. This book is suited for anyone new to Computer Systems Validation. It is written in a simple manner and can serve as starter guide which includes many high-level sample templates and illustration. Brenda Nash takes the idea of hearing God and makes it accessible for all of us. I have seen her personally walk out the things that are on the pages of this book and have been impressed with God in her and her ability to hear God in a way that is biblical, grounded and solid. The daily devotional format helps unpack a broad range of ideas in a way that you can easily activate every day. I would highly recommend that you dive into this book and discover for yourself how you can hear God and have Him become that real, tangible person in your life. Enjoy!!

A moving story of a woman with early onset Alzheimer's disease, now a major Academy Award-winning film starring Julianne Moore and Kristen Stewart. Alice Howland is proud of the life she worked so hard to build. At fifty, she's a cognitive psychology professor at Harvard and a renowned expert in linguistics, with a successful husband and three grown children. When she begins to grow forgetful and disoriented, she dismisses it for as long as she can until a tragic diagnosis changes her life - and her relationship with her family and the world around her - for ever. Unable to care for herself, Alice struggles to find meaning and purpose as her concept of self gradually slips away. But Alice is a remarkable woman, and her family learn more about her and each other in their quest to hold on to the Alice they know. Her memory hanging by a frayed thread, she is living in the moment, living for each day. But she is still Alice.
