*Reflection of Pearl-fection* Mar 17 2024 "They waded through the "Waters" of chartering a graduate chapter of Alpha Kappa Alpha in Gwinnett County, Georgia in 1994. Oh, what a "Beauty-ful" day! ... They were Timeless Servants each day and each night. They answered International President Carol House Stewart's Timeless Service call. *Somebody's Daughter* Feb 09 2021 INSTANT NEW YORK TIMES BESTSELLER NBCC John Leonard Prize Finalist Indie Bestseller "This is a book people will be talking about forever." —Glennon Doyle, #1 New York Times bestselling author of *Untamed* "Ford's wrenchingly brilliant memoir is truly a classic in the making. The writing is so richly observed and so suffused with love and yearning that I kept forgetting to breathe while reading it." —John Green, #1 New York Times bestselling author One of the most prominent voices of her generation debuts with an extraordinarily powerful memoir: the story of a childhood defined by the looming absence of her incarcerated father. Through poverty, adolescence, and a fraught relationship with her mother, Ashley C. Ford wishes she could turn to her father for hope and encouragement. There are just a few problems: he's in prison, and she doesn't know what he did to end up there. She doesn't know how to deal with the incessant worries that keep her up at night, or how to handle the changes in her body that draw unwanted attention from men. In her search for unconditional love, Ashley begins dating a boy her mother hates. When the relationship turns sour, he assaults her. Still reeling from the rape, which she keeps secret from her family, Ashley desperately searches for meaning in the chaos. Then, her grandmother reveals the truth about her father's incarceration . . . and Ashley's

entire world is turned upside down. Somebody's Daughter steps into the world of growing up a poor Black girl in Indiana with a family fragmented by incarceration, exploring how isolating and complex such a childhood can be. As Ashley battles her body and her environment, she embarks on a powerful journey to find the threads between who she is and what she was born into, and the complicated familial love that often binds them.

**A Legacy of Ivy, Roses and Pearls** Mar 25 2022 This book is the chronological history of one of Alpha Kappa Alpha Sorority's graduate chapters, Phi Eta Omega of Scotch Plains, New Jersey, from its chartering in 1999 through 2013. Ten inactive members (sorors) of Alpha Kappa Alpha Sorority Inc., rekindling a desire to be of service to others, assembled at a soror's home in Plainfield, New Jersey, in the early winter of 1998. Soon this small group grew to fourteen and, ultimately, to seventeen women. These seventeen inactive sorors became an official interest group of the sorority later that year. With the mission to promote harmony and friendship among members, to develop and implement programs to enhance the self-esteem of youth, and to assist others wherever needed in their communities, these women, full of energy and enthusiasm, ventured into unknown waters. Becoming the first Greek letter organization to affiliate with the New Jersey Orators, the Scotch Plains/Union County Interest Group helped foster the development of confidence and public speaking skills in youth ages seven to seventeen. TAG, a weekly tutorial program, was also established. Since its chartering on June 6, 1999, Phi Eta Omega Chapter continues to institute and participate in other altruistic programs: the Angel Network; collection of coats and other winter clothing during local coat drives; donation of suits for Dress Barn's Dress for Success; financial support to two Kenyan students in Africa; donation of duffel bags filled with pajamas, clothing, books, and other sundries to Union County Division of Child Protection and Permanency; and the replacement of the headstone of Caesar, a Revolutionary War-

freed slave, at Scotch Plains Baptist Church in Scotch Plains, New Jersey.

Alpha and Omega May 15 2021 Humankind has grappled for millennia with the fundamental questions of the origin and end of the universe--it was a focus of ancient religions and myths and of the inquiries of Aristotle, Galileo, Copernicus, Kepler, and Newton. Today we are at the brink of discoveries that should soon reveal the deepest secrets of the universe. Alpha and Omega is a dispatch from the front lines of the cosmological revolution that is being waged at observatories and laboratories around the world--in Europe, in America, and even in Antarctica--where scientists are actually peering into both the cradle of the universe and its grave. Scientists--including galaxy hunters and microwave eavesdroppers, gravity theorists and atom smashers, all of whom are on the trail of dark matter, dark energy, and the growing inhabitants of the particle zoo--now know how the universe will end and are on the brink of understanding its beginning. Their findings will be among the greatest triumphs of science, even towering above the deciphering of the human genome. This is the book you need to help understand the frequent front-page headlines heralding dramatic cosmological discoveries. It makes cutting-edge science both crystal clear and wonderfully exciting.

friendship among college women, and to be of service to all mankind. *Timeless Service in Gamma Sigma Omega Chapter* chronicles the history of the women who sojourned in the life of one chapter of the first Black female Greek letter organization and the events that impacted their journey in Savannah, Georgia, from 1943 to 2012. Emma Jean Hawkins Conyers, former president of the GSO Chapter, begins with the story of Adeline Graham, a white philanthropist who bequeathed funds to the chapter for use in establishing an orphanage for Negro children, and reveals how the chapter responded to the challenge. As she continues the chapter's history through the years, Conyers shares notable details on members, awards, community projects, and events that helped to preserve a legacy that endures to this day. *Timeless Service in Gamma Sigma Omega Chapter* captures the spirit of unity, sisterhood, and service that still drives the sorority to fulfill the mission after commencing nearly seven decades ago.

*The Alpha Kappa Alpha Presence in Southwest Mississippi* Jun 08

2023 This book chronicles the timeless service of Phi Mu Omega chapter of Alpha Kappa Alpha from its humble beginnings as Ivy Omega Interest Group in 1998, to its chartering on January 15, 2000, to its present status as a thriving chapter living out the sorority's motto to be "Supreme in Service to All Mankind". This history book was a time-intensive and labor-intensive assignment for women who are already busy, career-minded, and community-service oriented, but it truly became a labor of love which International President Carolyn House Stewart requested of each chapter of the sorority. Without her directive, this book, in all certainty, would never have been written. The project has indelibly etched valuable lessons in the minds of the historian and chapter members--the need for archiving and documenting the chapter's programs, activities, events, and projects. The assignment also refocused attention on previous and current international initiatives issued by each international president. According to historian Earnestine Green McNealey, Ph.D., author of the sorority's definitive history book *The Pearls of Alpha Kappa Alpha: A History of America's First Black Sorority*, until the lion tells its own story, the story will always glorify the hunter. This project forced chapters across the United States and in other countries to tell our own stories from their perspectives and in the context of historical events and social issues facing the communities we serve. Hopefully, it also reinforced the *raison d'etre* for every member, every chapter, every region, and the international sisterhood. The beginning and evolving history of Phi Mu Omega is captured for generations of young women yet to come so that it might inspire and motivate them to become women with a desire to serve all mankind.
