Appendix Project Oct 13 2023 On the ongoing project of writing about grief; Zambreno's addendum to *Book of Mutter*. "I came up with the idea of writing these notes, or talks, out of a primary desire to not read from *Book of Mutter*, and instead to keep gesturing to its incompleteness and ongoingness, which connects, for me, to the fragmentary project of literature, and what I long for in writing." —from *Appendix Project* Inspired by the lectures of Roland Barthes, Anne Carson, and Jorge Luis Borges, Kate Zambreno's *Appendix Project* collects eleven talks and essays written in the course of the year following the publication of *Book of Mutter*, Zambreno's book on her mother that took her over a decade to write. These surprising and moving performances, underscored by the sleeplessness of the first year of her child's life, contain Zambreno's most original and dazzling thinking and writing to date. In *Appendix Project* Zambreno thinks through the work of On Kawara, Roland Barthes, W.G. Sebald, Bhanu Kapil, Walter Benjamin, Theresa Hak Kyung Cha, Marguerite Duras, Marlene Dumas, Louise Bourgeois, Doris Salcedo, Jenny Holzer, and more.

Summary of John Eckhardt's Destroying the Spirit of Rejection Aug 19 2021 Please note:

This is a companion version & not the original book. Sample Book Insights: #1 The open door to rejection is when we do not receive the love and acceptance God created us to receive. We can experience rejection from our families and from others, and it can lead to fear or pride. #2 Schizophrenia is a mental illness that causes people to have multiple distinct personalities called alters. It can occur in various degrees, and most people who are schizophrenic do not require hospitalization. #3 Rejection can begin at a young age, with prenatal curses, unwanted or illegitimate birth, abandonment, birth order, adoption, or molestation. It can also occur after birth due to the way the child is delivered or due to the parents' desire for a specific gender. #4 Rejection can be passed down through the generations of a family. Parents who have suffered from hereditary rejection or who have been rejected before marriage find it hard to show love and affection to their children.

This Is Pleasure Dec 15 2023 Starting with *Bad Behavior* in the 1980s, Mary Gaitskill has been writing about gender relations with searing, even prophetic honesty. In *This Is Pleasure*, she considers our present moment through the lens of a particular #MeToo incident. The effervescent, well-dressed Quin, a successful book editor and fixture on the New York arts scene, has been accused of repeated unforgivable transgressions toward women in his orbit. But are they unforgivable? And who has the right to forgive him? To Quin's friend Margot, the wrongdoing is less clear. Alternating Quin's and Margot's voices and perspectives, Gaitskill creates a nuanced tragicomedy, one that reveals her characters as whole persons—hurtful and hurting, infuriating and touching, and always deeply recognizable. Gaitskill has said that fiction is the only way that she could approach this subject because it is too emotionally faceted to treat in the more rational essay form. Her compliment to her characters—and to her readers—is that they are unvarnished and real. Her belief in our ability to understand them, even when we don't always admire them, is a gesture of humanity from one of our greatest contemporary writers.

Screen Tests Feb 05 2023 Best Book of 2019: *Nylon*, *Domino*, *Bustle*, *Book Riot*, *Buzzfeed*, Vol. 1 *Brooklyn* A new work equal parts observational micro-fiction and cultural criticism reflecting on the dailiness of life as a woman and writer, on fame and failure, aging and art, from the acclaimed author of *Heroines*, *Green Girl*, and *O Fallen Angel*. In the first half of Kate Zambreno's astoundingly original collection *Screen Tests*, the narrator regales us with incisive and witty swatches from a life lived inside a brilliant mind, meditating on aging and vanity, fame and failure, writing and writers, along with portraits

of everyone from Susan Sontag to Amal Clooney, Maurice Blanchot to Louise Brooks. The series of essays that follow, on figures central to Zambreno's thinking, including Kathy Acker, David Wojnarowicz, and Barbara Loden, are manifestoes about art, that ingeniously intersect and chime with the stories that came before them. "If Thomas Bernhard's and Fleur Jaeggy's work had a charming, slightly misanthropic baby—with Diane Arbus as nanny—it would be Screen Tests. Kate Zambreno turns her precise and meditative pen toward a series of short fictions that are anything but small. The result is a very funny, utterly original look at cultural figures and tropes and what it means to be a human looking at humans."—Amber Sparks "In Screen Tests, a voice who both is and is not the author picks up a thread and follows it wherever it leads, leaping from one thread to another without quite letting go, creating a delicate and ephemeral and wonderful portrait of how a particular mind functions. Call them stories (after Lydia Davis), reports (after Gerald Murnane), or screen tests (inventing a new genre altogether like Antoine Volodine). These are marvelously fugitive pieces, carefully composed while giving the impression of being effortless, with a quite lovely Calvino-esque lightness, that are a joy to try to keep up with."—Brian Evenson

Ambiguous Pleasures Dec 03 2022 Among both male and female young urban professionals in Nairobi, sexuality is a key to achieving a 'modern' identity. These young men and women see themselves as the avant garde of a new Africa, while they also express the recurring worry of how to combine an 'African' identity with the new lifestyles with which they are experimenting. By focusing on public debates and their preoccupations with issues of African heritage, gerontocratic power relations and conventional morality on the one hand, and personal sexual relationships, intimacy and self-perceptions on the other, this study works out the complexities of sexuality and culture in the context of modernity in an African society. It moves beyond an investigation of a health or development perspective of sexuality and instead examines desire, pleasure and eroticism, revealing new insights into the methodology and theory of the study of sexuality within the social sciences. Sexuality serves as a prism for analysing how social developments generate new notions of self in postcolonial Kenya and is a crucial component towards understanding the way people recognize and deal with modern changes in their personal lives.

Unorthodox Apr 14 2021 Traces the author's upbringing in a Hasidic community in Brooklyn, describing the strict rules that governed her life, arranged marriage at the age of seventeen, and the birth of her son, which led to her plan to leave and forge her own path in life.

Venus in Exile May 08 2023 In *Venus in Exile* renowned cultural critic Wendy Steiner explores the twentieth century's troubled relationship with beauty. Disdained by avant-garde artists, feminists, and activists, beauty and its major symbols of art—the female subject and ornament—became modernist taboos. To this day it is hard to champion beauty in art without sounding aesthetically or politically retrograde. Steiner argues instead that the experience of beauty is a form of communication, a subject-object interchange in which finding someone or something beautiful is at the same time recognizing beauty in oneself. This idea has led artists and writers such as Marlene Dumas, Christopher Bram, and Cindy Sherman to focus on the long-ignored figure of the model, who function in art as both a subject and an object. Steiner concludes *Venus in Exile* on a decidedly optimistic note, demonstrating that beauty has created a new and intensely pleasurable direction for contemporary artistic practice.

Bodies and Pleasures Jun 28 2022 Sexual identities are dangerous, Michel Foucault tells us. Categories of desire harden into stereotypes by which the forces of normalization hold us and judge us. In *Bodies and Pleasures*, Ladelle McWhorter reads Foucault from an original and personal angle, motivated by the differences this experience has made in her life. At the same time, her analysis advances discussion of key issues in Foucault scholarship: the

genealogical critique, the status of the subject and humanism, essentialism versus social construction, and the relationships between identity, community, and political action. Weaving her own experience of coming to grips with her lesbian sexual identity into her readings of Foucault's most recent writings on sexuality and power, McWhorter argues compellingly that Foucault's texts should be read less for the arguments they advance and more for their transformative effect. By exploring bodies and pleasures—gardening, line dancing, or doing philosophy, for example—McWhorter shows that it isn't necessary to conform with socially recognized sexual identities. *Bodies and Pleasures* takes the reader beyond unexplored norms and imposed identities as it points the way toward a personal politics, ethics, and style that challenges our sexual selves.

A Long Fatal Love Chase Jul 30 2022 "I'd gladly sell my soul to Satan for a year of freedom," cries impetuous Rosamond Vivian to her callous grandfather. Then, one stormy night, a brooding stranger appears in her remote island home, ready to take Rosamond to her word. Spellbound by the mysterious Philip Tempest, Rosamond is seduced with promises of love and freedom, then spirited away on Tempest's sumptuous yacht. But she soon finds herself trapped in a web of intrigue, cruelty, and deceit. Desperate to escape, she flees to Italy, France, and Germany, from Parisian garret to mental asylum, from convent to chateau, as Tempest stalks every step of the fiery beauty who has become his obsession. A story of dark love and passionate obsession that was considered "too sensational" to be published in the author's lifetime, *A Long Fatal Love Chase* was written for magazine serialization in 1866, two years before the publication of *Little Women*. Buried among Louisa May Alcott's papers for more than a century, its publication is a literary landmark—a novel that is bold, timeless, and mesmerizing."

The Changeling Mar 14 2021 When we first meet Pearl - young in years but advanced in her drinking - she's sitting at a hotel bar in Florida, throwing back gin and tonics. Soon she's being shepherded back. The island, for Pearl, is a place of madness and pain, and her

drinking might dull the latter but it spurs on the former. Through the lens of Pearl's fragile consciousness, readers encounter the horror and triumph of both childhood and motherhood. With language that flits between exuberance and elegy, the plainspoken and the poetic, Joy Williams has created a modern fairy-tale, entirely original and entirely consuming.

The Spirit of Rejection: a Spiritual Warfare Suspense Novel Oct 01 2022 A Spiritual Warfare Suspense Novel Some pregnancies are celebrated. Some are not. Those that are not attract demons. Little Becca is thrust into spiritual warfare while she is still in her mother's womb. She's only the size of a pea. But size means nothing to the evil spirits who roam the earth in search of victims. Victims who under the right circumstances may become homes for demonic invaders. One day a roaming demon of rejection is drawn to the baby by the power of negative words being spoken about her by her parents. Inside the home, Vincent and Heather are discussing why they can't have this baby. The demon watches hungrily and waits patiently for the would-be parents to finalize their plans about the baby, and to speak the right words that will cross a spiritual line and give him permission to invade little Becca's life. His aim? To establish a stronghold of rejection in Becca's mind. A concentration of demonic power so powerful that the child never becomes the person God created her to be. Vincent and Heather don't want their child. A demon of rejection does. But so does God.

The Self and Its Pleasures Feb 10 2021 Why did France spawn the radical poststructuralist rejection of the humanist concept of 'man' as a rational, knowing subject? In this innovative cultural history, Carolyn J. Dean sheds light on the origins of poststructuralist thought, paying particular attention to the reinterpretation of the self by Jacques Lacan, Georges Bataille, and other French thinkers. Arguing that the widely shared belief that the boundaries between self and other had disappeared during the Great War helps explain the genesis of the new concept of the self, Dean examines an array of evidence from medical texts and literary works alike. *The Self and Its Pleasures* offers a pathbreaking understanding of the boundaries between theory and history.

The Book of (More) Delights Nov 14 2023 From bestselling author of *The Book of Delights* and award-winning poet, a book of lyrical mini-essays celebrating the everyday that will inspire readers to rediscover the joys in the world around us. In Ross Gay's new collection of small, daily wonders, again written over the course of a year, one of America's most original voices continues his ongoing investigation of delight. For Gay, what delights us is what connects us, what gives us meaning, from the joy of hearing a nostalgic song blasting from a passing car to the pleasure of refusing the "nefarious" scannable QR code menus, from the tiny dog he fell hard for to his mother baking a dozen kinds of cookies for her grandchildren. As always, Gay revels in the natural world—sweet potatoes being harvested, a hummingbird carousing in the beebalm, a sunflower growing out of a wall around the cemetery, the shared bounty from a neighbor's fig tree—and the trillion mysterious ways this glorious earth delights us. *The Book of (More) Delights* is a volume to savor and share.

Plato and the Question of Beauty Jul 18 2021 Drew A. Hyland, one of Continental philosophy's keenest interpreters of Plato, takes up the question of beauty in three Platonic dialogues, the Hippias Major, Symposium, and Phaedrus. What Plato meant by beauty is not easily characterized, and Hyland's close readings show that Plato ultimately gives up on the possibility of a definition. Plato's failure, however, tells us something important about beauty—that it cannot be reduced to logos. Exploring questions surrounding love, memory, and ideal form, Hyland draws out the connections between beauty, the possibility of philosophy, and philosophical living. This new reading of Plato provides a serious investigation into the meaning of beauty and places it at the very heart of philosophy.

Rejected Princesses Nov 21 2021 Blending the iconoclastic feminism of The Notorious RBG and the confident irreverence of Go the F**ck to Sleep, a brazen and empowering illustrated collection that celebrates inspirational badass women throughout history, based on the popular Tumblr blog. Well-behaved women seldom make history. Good thing these women are far from well behaved . . . Illustrated in a contemporary animation style, Rejected Princesses turns the ubiquitous "pretty pink princess" stereotype portrayed in movies, and on endless toys, books, and tutus on its head, paying homage instead to an awesome collection of strong, fierce, and yes, sometimes weird, women: warrior queens, soldiers, villains, spies, revolutionaries, and more who refused to behave and meekly accept their place. An entertaining mix of biography, imagery, and humor written in a fresh, young, and riotous voice, this thoroughly researched exploration salutes these awesome women drawn from both historical and fantastical realms, including real life, literature, mythology, and folklore. Each profile features an eye-catching image of both heroic and villainous women in command from across history and around the world, from a princess-cum-pirate in fifth century Denmark, to a rebel preacher in 1630s Boston, to a bloodthirsty Hungarian countess, and a former prostitute who commanded a fleet of more than 70,000 men on China's seas.

Guilty Aesthetic Pleasures Aug 11 2023 For scholars invested in supporting or challenging dominant ideologies, the beauty of literature seemed frivolous, even complicit with social iniquities. Suspicion of aesthetics became a way to establish the rigor of one's thought and the purity of one's politics. Yet aesthetic pleasure never disappeared, Timothy Aubrey writes. It went underground.

The Discreet Pleasures of Rejection Jun 21 2024 Another mordantly hysterical tale from the author of the cult favorite *How I Became Stupid* A funny yet poignant tour of one young man's existential crisis, *The Discreet Pleasures of Rejection* is another short novel from France's Martin Page. Virgil comes home from work one day to a message on his answering machine-his girlfriend is breaking up with him. This news should be devastating, but instead it's deeply troubling, because Virgil doesn't know the woman and doesn't have any memory of being in a relationship with her. The event sends Virgile into a tailspin of unrelenting self-analysis, causing him to question his memory, his sanity, even his worth as a lover. The seamless translation by Bruce Benderson perfectly captures Page's delicate, witty style, bringing this audacious gem of a novel to English-speaking audiences.

Chocolat Feb 22 2022 When the exotic stranger Vianne Rocher arrives in the old French village of Lansquenet and opens a chocolate boutique called "La Celeste Praline" directly across the square from the church, Father Reynaud identifies her as a serious danger to his flock. It is the beginning of Lent: the traditional season of self-denial. The priest says she'll be out of business by Easter. To make matters worse, Vianne does not go to church and has a penchant for superstition. Like her mother, she can read Tarot cards. But she begins to win over customers with her smiles, her intuition for everyone's favourites, and her delightful confections. Her shop provides a place, too, for secrets to be whispered, grievances aired. She begins to shake up the rigid morality of the community. Vianne's plans for an Easter Chocolate Festival divide the whole community. Can the solemnity of the Church compare with the pagan passion of a chocolate éclair? For the first time, here is a novel in which chocolate enjoys its true importance, emerging as an agent of transformation. Rich, clever, and mischievous, reminiscent of a folk tale or fable, this is a triumphant read with a memorable character at its heart. Says Harris: "You might see [Vianne] as an archetype or a mythical figure. I prefer to see her as the lone gunslinger who blows into the town, has a showdown with the man in the black hat, then moves on relentless. But on another level she is a perfectly real person with real insecurities and a very human desire for love and acceptance. Her qualities too - kindness, love, tolerance - are very human." Vianne and her young daughter Anouk, come into town on Shrove Tuesday. "Carnivals make us uneasy," says Harris, "because of what they represent: the residual memory of blood sacrifice (it is after all from the word "carne" that the term arises), of pagan celebration. And they represent a loss of inhibition; carnival time is a time at which almost anything is possible." The book became an international best-seller, and was optioned to film quickly. The Oscar-nominated movie, with its star-studded cast including Juliette Binoche (*The English Patient*) and Judi Dench (*Shakespeare in Love*), was directed by Lasse Hallstrom, whose previous film *The Cider House Rules* (based on a John Irving novel) also looks at issues of community and moral standards, though in a less lighthearted vein. The idea for the book came from a comment her husband made one day while he was immersed in a football game on TV. "It was a throwaway comment, designed to annoy and it did. It was along the lines of...Chocolate is to women what football is to men..." The idea stuck, and Harris began thinking that "people have these conflicting feelings about chocolate, and that a lot of

people who have very little else in common relate to chocolate in more or less the same kind of way. It became a kind of challenge to see exactly how much of a story I could get which was uniquely centred around chocolate.” Rich with metaphor and gorgeous writing...sit back and gorge yourself on Chocolat.
