The God of the Witches Margaret Alice Murray, 1970 This celebrated study of witchcraft in Europe traces the worship of the pre Christian and prehistoric Horned God from paleolithic times to the medieval period Murray the first to turn a scholarly eye on the mysteries of witchcraft enables us to see its existence in the Middle Ages not as an isolated and terrifying phenomenon but as the survival of a religion nearly as old as humankind itself whose devotees held passionately to a view of life threatened by an alien creed The findings she sets forth once thought of as provocative and implausible are now regarded as irrefutable by folklorists and scholars in related fields Exploring the rites and ceremonies associated with witchcraft Murray establishes the concept of the dying god the priest king who was ritually killed to ensure the country and its people a continuity of fertility and strength In this light she considers such figures as Thomas a Becket Joan of Arc and Gilles de Rais as spiritual leaders whose deaths were ritually imposed Truly a classic work of anthropology and written in a clear accessible style that anyone

can enjoy *The God of the Witches* forces us to reevaluate our thoughts about an ancient and vital religion

The Witch's Qabalah Ellen Cannon Reed, 1997-09-01 Because the classic writings on the Qabala have been expressed primarily in the terminology of the Western Mystery Tradition or in terms of the ceremonial magician its usefulness as a tool for the Craft has been overlooked With this book Ellen Cannon Reed a High Priestess of the Isian tradition brings the symbolism of the Qabala into a new light so pagans can see its value and use it to enhance the Great Work Reed explains the Tree of Life the primary symbol used to represent the universal energies as revealed by the Qabala and how its spheres and paths correspond to elements in the pagan tradition Teachers can use the Qabala to understand the growth of students and their problems using the Vices and Virtues to recognize stages of growth Reed also provides exercises meditations and encouragement to students who are studying without a teacher She discusses the Qabala as it appears in everyday life which spheres of the Tree of Life to use for specific workings and details two rituals using the Tree a Dedication to the Journey and the Rite of mending Love Reed s command of the material allows teachers and students alike to gain powerful insight into their own search for spirituality First published in 1983 as *Witches Qabala Book 1 The Goddess and the Tree* this revised and updated edition is enhanced with Reed s thirteen additional years of experience

Hecate - The Witches' Goddess Gary R. Varner,2007-12-25 For the most part Hecate is seen today as the Goddess of Witches and Sorcery but this wasn t always so Hecate was at one time both protectress of women and children and Goddess of Death She was in her trinity aspect goddess of fertility and prosperity Goddess of the Moon and Queen of Ghosts shades and the night It is interesting that she was seen both as the goddess of fertility and life as well as death Hecate can poison as well as intoxicate wrote Nor Hall turn ecstasy into madness and cause death where incubation or a short journey was intended This book will examine her many facets and bring about a truer sense of the primal goddess known as The Distant One and The Nameless One One of her titles places these in a softer light for she was also called most lovely one *Journey to the Dark Goddess* Jane Meredith,2012-05-25 For anyone who wants to do serious inner work with their dark or shadow self I highly highly recommend this book Jessica Elizabeth Facing North Journey to the Dark Goddess will lead you on a powerful healing path In the stories of ancient Goddesses you will hear your own soul calling out to you The Dark Goddess is the creatrix of healing change and renewal She offers connection with the core of yourself If you have been unable to shake off depression or fear its return if you have inexplicable blank patches in your life if you know that something is missing or something is calling to you if you seek the source of women s power it s time to journey to the Dark Goddess The for this journey to the Dark Goddess exists in ancient myth Weaving the stories of Inanna Persephone and Psyche with self enquiry and sacred ritual we learn to journey internally creating maps in our darkest places and return enriched integrating our deepest understandings Meeting the Dark Goddess we see a mirror of our own soul **The Witch Goddess** Robert Adams,1982 Stranded in a land peopled by wild cannibal tribes and monstrous half humans Bili of Morguhn and his small band of warriors have sworn to aid the mysterious Prince Byruhn of Kuhmbuhluhn in his war against these savages But even as they train for battle another force is on the move the Withcmen evil scientists led by Dr Erica Arenstein and armed with

weapons far more lethal than any known to the men of the Horseclans Bent on recovering a twentieth century technological treasure trove the Withcmen will destroy anything that stands between them and their goal And if Dr Arenstein can join the power of the Witchmen with the fighting prowess of the cannibalistic Ganik tribes even Bili s proven warriors may not long survive Page 4 of cover [The Horned God of the Witches](#) Jason Mankey,2021-06-08 **Hekate** Courtney Weber,2021 This book offers a deeply informed but accessible journey through lore and history of Hekate the ancient goddess of crossroads ghosts and witchcraft Hekate s relevance today is explored along with tools and techniques to incorporate this goddess into your personal journey The spiritual content is accessible to anyone with an interest in witchcraft regardless of their faith or background The book also explores magickal ethics what it means to be a witch in the 21st century and best practices for successful witchcraft [Hecate the Witch](#) Joan Holub,Suzanne Williams,2021-11-30 Get to know Hecate a student of witchcraft in this twenty seventh Goddess Girls adventure Eleven year old Hecate loves being a student at Hexwitch School but gets nervous about things that could go wrong To try and stem her anxious feelings she gathers all the facts about different situations that way she will always be prepared if disaster strikes After stumbling into a pet cemetery Hecate meets Melinoe who calls herself a ghost herder She is in charge of leading the ghosts of pets and other animals to the River Styx in the Underworld But Melinoe doesn t notice when one of her ghost animals follows Hecate home More and more of the lost ghosts gather with Hecate and she learns they have unfinished business left on Earth and refuse to enter the Underworld The deceased pets are counting on Hecate but Melinoe isn t too thrilled with having competition Can Hecate help the animals without making a new enemy [Goddesses, Elixirs, and Witches](#) J. Riddle,2010-02-15 From the earliest times the medicinal properties of certain herbs were connected with deities particularly goddesses Only now with modern scientific research can we begin to understand the basis and rationality that these divine connections had and being preserved in myths and religious stories they continued to have a significant impact through the present day Riddle argues that the pomegranate mandrake artemisia and chaste tree plants substantially altered the development of medicine and fertility treatments The herbs once sacred to Inanna Aphrodite Demeter Artemis and Hermes eventually came to be associated with darker forces representing the instruments of demons and witches Riddle s ground breaking work highlights the important medicinal history that was lost and argues for its rightful place as one of the predecessors **The Goddess Book** Nancy Blair,2021-04-08 A seasonal celebration of goddesses The Goddess Book is a joyful celebration of perennial goddess wisdom that nourishes expands and inspires Heather Ash Amara author of Warrior Goddess Training Every woman needs this book on her bedside table An active and animated must read Emma Mildon bestselling author of The Soul Searcher s Handbook and Evolution of Goddess This is a book of meditations that celebrate the divine feminine It is an exploration of representations of the goddess throughout history Here are heroines queens witches healers proud princesses courageous daughters and cranky crones Organized by the four seasons author Nancy Blair groups these goddesses according to the seasons in which their energies are most
