The Mythology of Crime and Criminal Justice Victor E. Kappeler, Gary W. Potter, 2017-07-18 The social construction of crime is often out of proportion to the threat posed. The media and advocacy groups shine a spotlight on some crimes and ignore others. Street crime is highlighted as putting everyone at risk of victimization while the greater social harms from corporate malfeasance receive far less attention. Social arrangements dictate what is defined as crime and the punishments for those who engage in the proscribed behavior. Interest groups promote their agendas by appealing to public fears. Justifications often have no basis in fact but the public accepts the exaggerations and blames the targeted offenders. The net widening effect of more laws and more punishment catches those least able to defend themselves. This innovative alternative to traditional textbooks provides insightful observations of myths and trends in criminal justice. Fourteen chapters challenge misconceptions about specific crimes or aspects of the criminal justice system. Kappeler and Potter dissect popular images of crimes and criminals in a cogent, compelling, and engaging manner. They trace the social construction of each issue and identify the misleading statistics and fears that form the basis of myths and the collateral damage of basing policies on mythical beliefs. The authors encourage skepticism about commonly accepted beliefs, offer readers a fresh perspective, and urge them to analyze important issues from novel vantage points.

Class, Race, Gender, and Crime Gregg Barak, Paul Leighton, Jeanne Flavin, 2010-07-16 A decade after its first publication, *Class, Race, Gender, and Crime* remains the only authored book to systematically address the impact of class, race, and gender on criminological theory and all phases of the criminal justice process. The new edition has been thoroughly revised for easier use in courses and updated throughout, including new examples ranging from Bernie Madoff and the recent financial crisis to the increasing impact of globalization.

Criminology Today Frank Schmalleger, 2016-01-08 A student-friendly, up-to-date, comprehensive introduction to the study of criminology. *Criminology Today: An Integrative Introduction, 8e* continues to offer students a clear, contemporary, and comprehensive introduction to criminology that encourages critical thinking about the causes of crime and crime prevention strategies. The text's hallmark thematic approach of social problems versus social responsibility asks: Is crime a matter of individual responsibility or a symptom of a dysfunctional society? prompts students to think critically about the causes of crime and helps them see the link between crime theories and crime policies. Updated with new information, theories, and statistics throughout, the Eighth Edition also includes new stories about Silk Road founder Ross Ulbricht and the 2015 mass shooting at the Emanuel African Methodist Episcopal Church in Charleston, SC. A new Annotated Instructor's Edition is available, allowing instructors to quickly and easily find helpful lecture notes, discussion ideas, and class assignments. *Criminology Today: An Integrative Introduction, 8e* is also available via REVEL™, an interactive learning environment that enables students to read, practice, and study in one continuous experience.
