The sacred echo challenges us to prayerfully consider how God is at work in our life as well as in the lives of those around us The sacred echo is an invitation to spiritual awakening Margaret writes I want a relationship with God where prayer is as natural as breathing If God is the one in whom we are to live and move and have our being then I want my every inhale infused with his presence my every exhale an extension of his love If that s your desire too let Sacred Echo be your guide to a deeper more rewarding relationship with the God of the universe
