The Ridiculously Simple Guide to Google Docs Scott La Counte, 2019-08-20 There's a real good chance that you grew up in a Microsoft Word world. The first document you created were from the Office Suite. But if you are reading this then you are ready to make the leap to cloud based and free word processing with Google Docs. If you are thinking about making the switch to Google or have already made the switch but want to make sure you are using it correctly then this guide will walk you through it. It will show you all the basic features to make sure you can get up and running as quickly as possible. Let's get started. Note: This book is the Google Docs portion of the larger work *The Ridiculously Simple Guide to Google Apps G Suite*. This book is not endorsed by Alphabet Inc.

Google Docs 4 Everyone Steven Holzner, Nancy Conner, 2009-02-09 Who needs expensive old-fashioned office software? Now you can do everything online free with Google Docs. Experts Steve and Nancy Holzner offer simple step-by-step instructions and great insider tips for making the most of Google's powerful online word processing, spreadsheet, and presentation tools. You'll get started fast, learn how to create and format professional quality documents of all kinds, collaborate with colleagues to build better proposals and presentations, use advanced tools like revision history, templates, and charts, discover Google Docs' latest features and shortcuts, and a whole lot more. No matter what kind of documents you create, this book can help you do the job better, faster, and more efficiently, and you'll never pay for office software again. You'll learn how to get your free Google account and set up iGoogle for instant access to your documents. Upload and use the documents you've already created with Microsoft Office. Use Google Spreadsheet to create charts to display spreadsheet data. Master Google Docs' easy, powerful document editing and formatting tools. Insert images into your documents and presentations. Share documents securely with your colleagues. Back up your documents offline and edit them when you don't have an Internet connection. Steven Holzner, former contributing editor at PC Magazine, is author of 108 computer books that have sold more than 2.5 million copies. His most recent Pearson book is *Facebook Marketing*. Nancy Holzner writes and edits technology books from her home in central New York state. Her recent publications include books on Intuit, QuickBase, and Zoho. Nancy has also worked as a medievalist, a high school teacher, and a corporate trainer.
