After millions of people around the world vanish in one moment, in what many claim to be the Rapture, Rayford Steele begins a search for the truth amidst global chaos. The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible. These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers. The contributors tackle the task of interpretation using the full range of critical methodologies and practices, yet they do so as people of faith who hold the text in the highest regard. Pastors, teachers, and lay people alike will cherish the truth found in this commentary series. The Pastoral Letters—1 Timothy, 2 Timothy, and Titus—have made an enduring contribution to understanding the role of pastors in the church. With a spirited devotion to the text, Robert Yarbrough helps unlock the meaning of these short but rich letters in this commentary. In keeping with the character of Pillar New Testament Commentary volumes, The Letters to Timothy and Titus offers a straightforward reading of these texts. Their primary concerns—God, salvation, and the pastoral task—remain central to Yarbrough's thorough and comprehensive exegesis. Engaging with the best scholarship and resources, Yarbrough shows how these letters are as relevant today as they were to the early Christians. In 2 Timothy, we see Paul call the young leader Timothy to courageously persevere in the truth and in his calling, not yielding to the pressures of public opinion or the surrounding culture. In this revised BST volume, Stott explores the perennial lessons of Paul's final epistle, highlighting key themes such as guarding, proclaiming, and suffering for the gospel. Just before dawn one winter's morning, a hijacked jetliner explodes above the English Channel. All of Grace is a theological study by Charles Spurgeon who is known as the "Prince of Preachers". Grace is the hallmark of Christianity which is often out of the focus of the Christian church. Spurgeon suggests that the grace is the central glue of faith, redemption, and repentance. He argues that through grace, repentance gets a meaning. A gospel centered study tells about the greatness of Jesus and the Lord's redemptive heart towards his own. Spurgeon deals with the sin that entangles us by showing us Jesus. He reminds us that the Lord knows very well that we can't change our heart, but he can, when we submit to him by faith in Jesus. And with faith comes repentance. One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text. In the updated and expanded edition of this classic title, noted scholar Dr. Tim LaHaye gives reasons for believing that the Rapture and the Tribulation could occur during our generation. Ours is the first generation that has the technology and opportunity to fulfill many of the prophecies of Revelation. Understanding prophecy can be difficult and confusing. This book takes away all of the mystery—and

the intimidation. It is user-friendly for the layperson, yet remarkably complete for the scholar. Many scriptures, evangelists, pastors, and circumstances reveal that the majority of professed Christians requesting salvation are not saved at all! How could this be? Considering these answers could be the most important conclusions and decisions of your whole eternity. Find out in God's own Word how He feels about what was going on in your heart and soul when you requested a salvation relationship with Him (and began to grow) and how that has affected your life and those whose lives you touch. Were these scriptures any small or large part of your understandings and commitments? (two small examples) Matthew 22:36-39 Master, which is the great commandment in the law? [37] Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. [38] This is the first and great commandment. [39] And the second is like unto it, Thou shalt love thy neighbour as thyself. 2 Tim. 2:19 Nevertheless the foundation of God standeth sure, having this seal, The Lord knoweth them that are his. And, Let every one that nameth the name of Christ depart from iniquity. Evidence Unseen is the most accessible and careful though through response to most current attacks against the Christian worldview. The ESV Global Study Bible is a one-volume study resource for globally minded Christians everywhere. It has been designed to be highly accessible and priced for distribution on a global scale. This work on Second Timothy is part of a New Testament commentary series which has as its objective explaining and applying Scripture, focusing on the major doctrines, and how they relate to the whole of the Bible. This passage-by-passage study of the Epistle of 2 Timothy follows John MacArthur's orientation toward explanation and exposition rather than overly-academic concentration on linguistics, theology, or homiletics. A thorough and insightful commentary on Paul's letter to his coworker Timothy, which the apostle wrote before and during Nero's persecution. Spencer carefully examines each part of the letter and relates it to the overall flow of the argument and in light of the larger biblical, historical, social, and cultural contexts. How Paul's writing related to the ancient communities is highlighted in the light of original data gleaned from her explorations on location in Crete, Ephesus, and Rome. In addition, Paul's rhetorical and ministry strategies, especially as they relate to women and their role in the church, are explored. Throughout, Spencer presents an in-depth exegesis in a readable format enhanced by forty years of ministry. New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In Radical, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring. "Jouette Bassler's volume on the Pastoral Letters is a model of careful, clearly written cogent interpretation. She gives faithful attention to the problematic trees along the exegetical path, yet without losing sight of the forest. Organized by literary units but not avoiding difficult verses, Bassler's commentary keeps before the reader the unfolding history of the early Christian community from which the text emerges. It is unquestionably the best resource we have on the Pastoral Letters." -- Charles B. Cousar, Columbia Theological Seminary "Bassler's commentary has the crispness of style and no-nonsense quality about it that one has come to expect from its author. The underlying learning is evident throughout. It results in careful, critical exegesis that places the Pastorals securely in their social and historical context. All relevant issues are explained and discussed. Bassler is particularly good at referring the reader to other texts that illuminate her own, with a

broad range over Jewish, Greco-Roman, and Christian texts. She presupposes the non-Pauline authorship of the Pastorals, but otherwise has no special axes to grind. As an introductory commentary for theological students, it could not be bettered." --Troels Engberg-Pedersen, Copenhagen University, Denmark What if practical inspiration could be as simple as an eye-opening, heartfelt song? From Grammy-winning star performer, husband, and father, Tim McGraw, comes a beautiful keepsake book, inspired by his uplifting hit, "Humble and Kind." The song's pure poetry not only propelled the single up the charts, but its accompanying video-gorgeously produced with images courtesy of Oprah Winfrey's documentary "Belief" -has been viewed by tens of millions since its release, and inspired a community movement at stayhumbleandkind.com. Featuring an introduction from McGraw and an epilogue by the songwriter Lori McKenna, Humble and Kind is a deeply affecting call to action, and the perfect memento for millions of graduates, parents, and children across the continent. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. Bart D. Ehrman, the New York Times bestselling author of Jesus, Interrupted and God's Problem reveals which books in the Bible's New Testament were not passed down by Jesus's disciples, but were instead forged by other hands--and why this centuries-hidden scandal is far more significant than many scholars are willing to admit. A controversial work of historical reporting in the tradition of Elaine Pagels, Marcus Borg, and John Dominic Crossan, Ehrman's Forged delivers a stunning explication of one of the most substantial--yet least discussed--problems confronting the world of biblical scholarship. This is volume 5 of Charles Swindoll's walk through the Bible, entitled God's Masterworks. These lessons deal with the books of 2 Thessalonians through Revelation. Some extraordinary rats come to

As the inaugural volume of

the Brill Exegetical Commentary Series, this commentary provides a fresh reading of the Pastoral Epistles while interacting with recent developments in biblical studies and the auxiliary disciplines. A fresh translation of the Greek text is followed by text-critical, grammatical, historical, and theological analyses of the text. Instead of a commentary on the commentaries, this work grounds the reading of the Pastoral Epistles within their proper linguistic and socio-cultural contexts, thus allowing their distinct theological voices to emerge. "God has appointed preaching in worship as one great means of accomplishing his ultimate goal in the world." —John Piper John Piper makes a compelling claim in these pages about the purpose of preaching: it is intended not merely as an explanation of the text but also as a means of awakening worship by being worship in and of itself. Christian preaching is a God-appointed miracle aiming to awaken the supernatural seeing, savoring, and showing of the glory of Christ. Distilling over forty years of experience in preaching and teaching, Piper shows preachers how and what to communicate from God's Word, so that God's purpose on earth will advance through Bible-saturated, Christ-exalting, God-centered preaching—in other words, expository exultation.
