Theatre World Apr 20 2022 This collection of essays, published in honour of Professor Georgia Xanthakis-Karamanos, addresses topics which lie at the forefront of current research on the fields of Greek drama and classical reception studies. It brings together internationally distinguished scholars who provide fresh insights into issues pertaining to the origins of Greek tragedy and comedy, their generic identity, the structure, the morality or the divine and human characters emerging from individual plays, the presence of Greek drama outside Athens in post-classical times, the associations between drama and genres such as epic and oratory or even the reception of Greek drama in operatic works such as Wagner's Tristan und Isolde. Related art forms, such as music, receive particular attention. Focusing on either broader topics or specific texts, the essays of this volume provide a wide range of theoretical perspectives often combining modern critical trends such as reception studies, narratology or cultural studies with close and acute readings of individual passages. The volume is of particular interest to scholars and students of Greek drama and its reception as well as to anyone interested in Greek culture and its various manifestations.

A Comedy & a Tragedy Feb 11 2024 A Comedy & A Tragedy is the story of one young man's effort to teach himself to read. Complex and many-leveled, this book is also a manifesto about the acquisition of intellectual independence. It is a plea for better understanding of the impact of dysfunctional family dynamics in education, and a passionate indictment of a broken school system that lets so-called problem kids slip through the cracks.

Behind the Laughter Nov 27 2022 How do you keep going when your world is falling apart? Discover the powerful story of stand-up comic Anthony Griffith and how to navigate grief through persistence, faith, humor and love. Now available in trade paper. Just as Anthony's career in stand-up comedy launched him onto the stage of The Tonight Show, he and his wife Brigitte faced an unimaginable personal nightmare: their two-year-old daughter, Brittany Nicole, was dying from cancer. While Anthony performed under bright lights, he struggled not to succumb to the darkness of losing a child. In this stirring memoir, Anthony Griffith and his wife of more than thirty years, Brigitte Travis-Griffin, share the powerful story of living between life's funniest moments and its most heartbreaking tragedies. With humor and deep insights into the human spirit, Behind the Laughter explores Anthony's life and career as well as the bonds between parent and child and husband and wife. The surprising twists along Anthony's path highlights experiencing God's sustaining presence in the darkest moments as well as the sweetest dreams. Behind the Laughter explores: Powerful, relatable emotions and lessons that are universal and inspiring New perspectives on difficult topics that everyone can relate to The power of finding humor in spite of adversity Find true inspiration along with laugh-out-loud humor in this remarkable story of resilience and grace in the face of loss.

Tragedy Plus Time Oct 07 2023 Following the most solemn moments in recent American history, comedians have tested the limits of how soon is "too soon" to joke about tragedy. Comics confront the horrifying events and shocking moments that capture national attention and probe the acceptable, or "sayable," boundaries of expression that shape our cultural memory. In Tragedy Plus Time, Philip Scepanski examines the role of humor, particularly televised comedy, in constructing and policing group identity and memory in the wake of large-scale events. Tragedy Plus Time is the first comprehensive work to investigate tragedy-driven comedy in the aftermaths of such traumas as the JFK assassination and 9/11, as well as during the administration of Donald Trump. Focusing on the mass publicization of television comedy, Scepanski considers issues of censorship and memory construction in the ways comedians negotiate emotions, politics, war, race, and Islamophobia. Amid the media frenzy and conflicting expressions of grief following a public tragedy, comedians provoke or risk controversy to grapple publicly with national traumas that all Americans are trying to understand for themselves.

Renaissance Revivals Jun 22 2022 Renaissance Revivals examines patterns in the London revivals of two English Renaissance theatre genres over the past four centuries. Griswold's focus on revenge tragedies and city comedies illuminates the ongoing interaction between society and its cultural products. No cultural object is ever created anew, she argues, but is instead constructed from existing cultural genres and conventions, the visions and professional needs of the artist, and the interests of an audience. Thus, every "new play" is in part a renaissance and every "revival" is in part an entirely new cultural object.

Menander and the Making of Comedy Jul 24 2022 An engaging introduction to the plays and dramatic method of the most highly regarded comic writer of the classical period.

Comedy Comedy Comedy Drama Feb 28 2023 NEW YORK TIMES BESTSELLER • In this “essential” (Entertainment Weekly), “hilarious” (AV Club) memoir, the star of Mr. Show, Breaking Bad, and Better Call Saul opens up about the highs and lows of showbiz, his cult status as a comedy writer, and what it’s like to reinvent himself as an action film ass-kicker at fifty. “I can’t think of another entertainer who has improbably morphed so many times, and all through real genius and determination.”—Conan O’Brien ONE OF THE BEST BOOKS OF THE YEAR: The New Yorker, Vulture, Newsweek Bob Odenkirk’s career is inexplicable. And yet he will try like hell to explicate it for you. Charting a “Homeric” decades-long “odyssey” from his origins in the seedy comedy clubs of Chicago to a dramatic career full of award nominations—with a side-trip into the action-man world that is baffling to all who know him—it’s almost like there are many Bob Odenkirks! But there is just one and one is plenty. Bob embraced a life in comedy after a chance meeting with Second City’s legendary Del Close. He somehow made his way to a job as a writer at Saturday Night Live. While surviving that legendary gauntlet by the skin of his gnashing teeth, he stashed away the secrets of comedy writing—eventually employing them in the immortal “Motivational Speaker” sketch for Chris Farley, honing them on The Ben Stiller Show, and perfecting them on Mr. Show with Bob and David. In Hollywood, Bob demonstrated a bullheadedness that would shame Sisyphus himself, and when all hope was lost for the umpteenth time, the phone rang with an offer to appear on Breaking Bad—a show about how boring it is to be a high school chemistry teacher. His embrace of this strange new world of dramatic acting led him to working with Steven Spielberg, Alexander Payne, and Greta Gerwig, and then, in a twist that will confound you, he re-re-invented himself as a bona fide action star. Why? Read this and do your own psychoanalysis—it’s fun! Featuring humorous tangents, never-before-seen photos, wild characters, and Bob’s trademark unflinching drive, Comedy Comedy Comedy Drama is a classic showbiz tale told by a determined idiot.

If I Stop I'll Die May 10 2021 IF I STOP I'LL DIE is an incisive examination of the comedian's life and humor which not only reveals details of Pryor's troubled but brilliant career - his infamous "Las Vegas metamorphosis," his friendships with the black intelligentsia of 1960s Berkeley, his little-known contributions to the scripts in which he appeared - but also places these events within the context that shaped Pryor's outlook, personality, and opportunities. And it captures the irony that pervaded his life and career: how he could present brilliantly universal material from such a militantly black perspective; how the powers of Hollywood could force him to portray on film the very racial caricatures that he lampooned on stage; how he could publicly flaunt his private exploits, with embellished comedic versions of his drug use, sexual adventures, and bursts of violence, while fiercely protecting the real facts behind such episodes.

The Spirituality of Comedy Aug 05 2023 To understand comedy is to understand humanity, for the comic sense is central to what it means to be human. Nearly all the major issues with which human beings have exercised themselves are touched upon in some manner by the comic spirit. Yet education in the art of comedy and in comic appreciation is given little attention in most societies. The Spirituality of Comedy explores the wisdom of comedy and the comic answer to tragedy (in both popular and classical senses of the term). Tragedy is seen as a fundamental problem of human existence, while comedy is its counterweight and resolution.Conrad Hyers has taken a fresh look at comedy from the standpoint of comparative mythology and religion, and thus comedy's spiritual significance. In his unique study of the comic tradition, Hyers explains the difficulty in pinning down themes, structures, plots, or characters that are common to all comedy. Instead he argues that there is an essence of comedy in the area of pattern. He draws upon the rich historical ensemble of types of comic figures: the humorist, comedian, comic hero, rogue, trickster, clown, fool, underdog, and simpleton. He shows how each type incarnates a comic heroism in its own unique manner, offering a profound wisdom and philosophy of life.The approach of this book is broadly interdisciplinary, with materials and interpretations introduced from the various fields of the humanities, social sciences, and natural sciences as they illuminate both the tragic and comic sensibilities. The methodological thread that draws this all together is an analysis of the major types of comic figures in terms of the myths and legends associated with them, the rituals they produce and enact, and the symbolism of the comic figures themselves. Written in a very readable literary style, The Spirituality of Comedy will appeal to psychologists, social scientists, clergy, philosophers, and students of literature.

The Greek Sense of Theatre Mar 12 2024 In this updated and extended edition of The Greek Sense of Theatre, scholar and practitioner J.Michael Walton revises and expands his visual approach to the theatre of classical Athens. From the tragedies of Aeschylus, Sophocles and Euripides to the old and new comedies of Aristophanes and Menander, he argues that while Greek drama is seen now as a performance-based rather than a strictly literary medium, more attention should still be paid to the nature of stage image and masked acting as part of this conception.

Tragedy and Comedy Sep 13 2021 The first evaluation and critique of Hegel's theory of tragedy and comedy, this book also develops an original theory of both genres.

Tragedy on the Comic Stage Dec 17 2021 "Aristophanes' engagement with tragedy is one of the most striking features of his comedies. Tragedy on the Comic Stage contextualizes this engagement with tragedy within Greek comedy as a genre by examining paratragedy in the fragments of Aristophanes' contemporaries and successors in the fifth and fourth centuries [BC]." --

In the Garden of Iden Aug 13 2021 Trained by The Company as a botanist and rendered immortal, Mendoza is sent back amidst the turmoil of Renaissance England with the assignment to safeguard a species of holly that contains properties to cure cancer for future generations.

The Dark Comedy Feb 04 2021 Anyone who takes an intelligent interest in theatre-going will find profit and stimulus in this book.

Paracomedy Jan 30 2023 Paracomedy: Appropriations of Comedy in Greek Drama is the first book that examines how ancient Greek tragedy engages with the genre of comedy. While scholars frequently study paratragedy (how Greek comedians satirize tragedy), this book investigates the previously overlooked practice of paracomedy: how Greek tragedians regularly appropriate elements from comedy such as costumes, scenes, language, characters, or plots. Drawing upon a wide variety of complete and fragmentary tragedies and comedies (Aeschylus, Sophocles, Euripides, Aristophanes, Rhinthon), this monograph demonstrates that paracomedy was a prominent feature of Greek tragedy. Blending a variety of interdisciplinary approaches including traditional philology, literary criticism, genre theory, and performance studies, this book offers innovative close readings and incisive interpretations of individual plays. Jendza presents paracomedy as a multivalent authorial strategy: some instances impart a sense of ugliness or discomfort; others provide a sense of light-heartedness or humor. While this work traces the development of paracomedy over several hundred years, it focuses on a handful of Euripidean tragedies at the end of the fifth century BCE. Jendza argues that Euripides was participating in a rivalry with the comedian Aristophanes and often used paracomedy to demonstrate the poetic supremacy of tragedy; indeed, some of Euripides' most complex uses of paracomedy attempt to re-appropriate Aristophanes' mockery of his theatrical techniques. Paracomedy: Appropriations of Comedy in Greek Tragedy theorizes a new, ground-breaking relationship between Greek tragedy and comedy that not only redefines our understanding of the genre of tragedy, but also reveals a dynamic theatrical world filled with mutual cross-generic influence.

The Tragical Comedy Or Comical Tragedy of Mr. Punch Sep 06 2023 The classic graphic novel - a dark fable of childhood and growing up.

Crisis on Stage Oct 15 2021 This volume explores the relationships between masterworks of Sophocles, Euripides and Aristophanes and critical events of Athenian history, by bringing together internationally distinguished scholars with expertise on different aspects of ancient theatre. These specialists study how tragic and comic plays composed in late fifth century BCE mirror the acute political and social crisis unfolding in Athens in the wake of the military catastrophe in 413 BCE and the oligarchic revolution in 411 BCE. With events of such magnitude the late fifth century held the potential for vast and fast cultural and intellectual change. In times of severe emergency humans gain a more conscious understanding of their historically shaped presence; this realization often has a welcome effect of offering new perspectives to tackle future challenges. Over twenty academic experts believe that the Attic theatre showed increased responsiveness to the pressing social and political issues of the day to the benefit of the polis. By regularly promoting examples of public-spirited and capable figures of authority, Greek drama provided the people of Athens with a civic understanding of their own good.

A Short History of the Girl Next Door Sep 25 2022 Get your tissues ready for this unrequited love story that's equal parts hilarious and heartbreaking and will appeal to fans of Jennifer Niven, John Green, and Jesse Andrews. Seriously, how can you see a person nearly every day of your life and never think a thing of it, then all of a sudden, one day, it's different? You see that goofy grin a thousand times and just laugh. But goofy grin #1,001 nearly stops your heart? Right. That sounds like a bad movie already. Matt Wainwright is constantly sabotaged by the overdramatic movie director in his head. He can't tell his best friend, Tabby, how he really feels about her, he implodes on the JV basketball team, and the only place he feels normal is in Mr. Ellis's English class. If this were a movie, everything would work out perfectly. Tabby would discover that Matt's madly in love with her, be overcome with emotion, and would fall into his arms. Maybe in the rain. But that's not how it works. Matt watches Tabby get swept away by senior basketball star and all-around great guy Liam Branson. Losing Tabby to Branson is bad enough, but screwing up and losing her as a friend is even worse. After a tragic accident, Matt finds himself left on the sidelines, on the verge of spiraling out of control and losing everything that matters to him. From debut author Jared Reck comes a fiercely funny and heart-wrenching novel about love, longing, and what happens when life as you know it changes in an instant. "This story broke my heart and made me laugh and gave me hope—and really, what more can you ask of a book than that?" —Jennifer E. Smith, author of Windfall and The Statistical Probability of Love at First Sight "In the blink of an eye, A Short History of the Girl Next Door goes from hilarious to haunting to harrowing to heartbreaking to hopeful and back." —Jeff Zentner, award-winning author of The Serpent King and Goodbye Days "Pair this with . . . Jeff Zetner's Goodbye Days or Adam Silvera's History is All You Left Me."—Booklist "Recommend this to readers who enjoyed Steven Levenson's Dear Evan Hansen."--VOYA

Hegel on Tragedy and Comedy Apr 13 2024 No philosopher has treated the subject of tragedy and comedy in as original and searching a manner as G. W. F. Hegel. His concern with these genres runs throughout both his early and late works and extends from aesthetic issues to questions in the history of society and religion. Hegel on Tragedy and Comedy is the first book to explore the full extent of Hegel's interest in tragedy and comedy. The contributors analyze his treatment of both ancient and modern drama, including major essays on Sophocles, Aristophanes, Shakespeare, Goethe, and the German comedic tradition, and examine the relation of these genres to political, religious, and philosophical issues. In addition, the volume includes several essays on the role tragedy and comedy play in Hegel's philosophy of history. This book will not only be valuable to those who wish for a general overview of Hegel's treatment of tragedy and comedy but also to those who want to understand how his treatment of these genres is connected to the rest of his thought.

Tragedy and Comedy Jul 04 2023 A former drama critic discusses the development and meaning of two dramatic forces.

Hegel on Hamann Apr 01 2023 "Philosophers, theologians, and literary critics welcome Anderson's stunning translation since Hamann is gaining renewed attention, not only as a key figure of German intellectual history, but also as an early forerunner of postmodern thought. Relationships between Enlightenment, Counter Enlightenment, and Idealism come to the fore as Hegel reflects on Hamann's critiques of his contemporaries Immanuel Kant, Moses Mendelssohn, J.G. Herder, and F.H. Jacobi." "This book is essential both for readers of Hegel or Hamann and for those interested in the history of German thought, the philosophy of religion, language and hermeneutics, or friendship as a philosophical category."--Jacket.

Approaches to Teaching Austen's Mansfield Park Oct 27 2022 There were no reviews of Mansfield Park when it first appeared in 1814. Austen's reputation grew in the Victorian period, but it was only in the twentieth century that formal and sustained criticism began of this work, which addresses the controversies of its time more than Austen's earlier novels did. Lionel Trilling praised Mansfield Park for exploring the difficult moral life of modernity; Edward Said brought postcolonial theory to the study of the novel; and twenty-first-century critics scrutinize these and other approaches to build on and go beyond them. This volume is the third in the MLA Approaches series to deal with Austen's work (Pride and Prejudice and Emma were the subject of the first and second volumes on Austen, respectively). It provides information about editions, film adaptations, and digital resources, and then nineteen essays discuss various aspects of Mansfield Park, including the slave trade, the theme of reading, elements of tragedy, gift theory, landscape design, moral improvement in the spirit of Samuel Johnson and of the Reformation, sibling relations, card playing, and interpretations of Fanny Price, the heroine, not as passive but as having some control.

Pudd'nhead Wilson and Those Extraordinary Twins Jun 10 2021 This is a story of a sober kind, picturing life in a little town of Missouri, half a century ago. The principal incidents relate to a slave of mixed blood and her almost pure white son, whom she substitutes for her master's baby. The slave by birth grows up in wealth and luxury, but turns out a peculiarly mean scoundrel, and perpetrating a crime, meets with due justice. The science of fingerprints is practically illustrated in detecting the fraud. The title character is the village atheist, whose maxims doubtless express much of the author's own disillusion.

The Oxford Handbook of Greek and Roman Comedy Feb 16 2022 The Oxford Handbook of Greek and Roman Comedy marks the first comprehensive introduction to and reference work for the unified study of ancient comedy. From its birth in Greece to its end in Rome, from its Hellenistic to its Imperial receptions, no topic is neglected. The 41 essays offer cutting-edge guides through comedy's immense terrain.

The Catharsis of Comedy Jan 18 2022 Comedy criticism has lacked a theoretical underpinning both to facilitate the work of interpretation and to generate a satisfactory mode of discourse. In *The Catharsis of Comedy*, Dana F. Sutton takes the initial steps toward the creation of a comprehensive theory that embraces a number of theoretical constructs and analytical techniques. Sutton begins with an examination of the ideas of such thinkers as Aristotle, Herbert Spencer, Sigmund Freud, and Krishna Menon. Once the workings of comic catharsis are described, Sutton relates his new theory to other theories of comedy and humor, including the ideas of festival comedy set forth by Barber and Bakhtin, Lionel Abel's metatheater, and Konrad Lorenz's suggestion that humor originated in primate expressions of hostility. The result is a theory of enormous potential for the analysis of specific comedies, coupled with the creation of a vocabulary with which analytical discoveries can be discussed.

Shakespeare & the Uses of Comedy Aug 25 2022 In Shakespeare's hand the comic mode became an instrument for exploring the broad territory of the human situation, including much that had normally been reserved for tragedy. Once the reader recognizes that justification for such an assumption is presented repeatedly in the earlier comedies -- from *The Comedy of Errors* to *Twelfth Night* -- he has less difficulty in dispensing with the currently fashionable classifications of the later comedies as problem plays and romances or tragicomedies and thus in seeing them all as manifestations of a single impulse. Bryant shows how Shakespeare, early a.

Aristophanes and the Definition of Comedy Jul 12 2021 All Greek in the text is translated; the versions offered seek to convey the distinctive character of the original."--BOOK JACKET.

A Natural Perspective Mar 08 2021 Describes the geography, plants and animals, history, economy, language, religions, culture, and people of the People's Republic of China, home of one of the world's oldest continuous civilizations.

Rabbits for Food Apr 08 2021 Master of razor-edged literary humor Binnie Kirshenbaum returns with her first novel in a decade, a devastating, laugh-out-loud funny story of a writer’s slide into depression and institutionalization. It’s New Year’s Eve, the holiday of forced fellowship, mandatory fun, and paper hats. While dining out with her husband and their friends, Kirshenbaum’s protagonist—an acerbic, mordantly witty, and clinically depressed writer—fully unravels. Her breakdown lands her in the psych ward of a prestigious New York hospital, where she refuses all modes of recommended treatment. Instead, she passes the time chronicling the lives of her fellow “lunatics” and writing a novel about what brought her there. Her story is a brilliant and brutally funny dive into the disordered mind of a woman who sees the world all too clearly. Propelled by razor-sharp comic timing and rife with pinpoint insights, Kirshenbaum examines what it means to be unloved and loved, to succeed and fail, to be at once impervious and raw. Rabbits for Food shows how art can lead us out of—or into—the depths of disconsolate loneliness and piercing grief. A bravura literary performance from one of our most indispensable writers.

The Comedy and Tragedy of Machiavelli May 02 2023 The Italian statesman and political theorist Niccolo Machiavelli wrote not only political tracts but also comedies, poems, fables and letters that are seemingly lighthearted. The contributors to this volume explore the meanings of his works.

Comedy and Tragedy Nov 08 2023

The Tragedy and Comedy of Life May 14 2024 With *The Tragedy and Comedy of Life*, Seth Benardete completes his examination of Plato's understanding of the beautiful, the just, and the good. Benardete first treated the beautiful in *The Being of the Beautiful* (1984), which dealt with the Theaetetus, Sophist, and Statesman; and he treated the just in *Socrates Second Sailing* (1989), which dealt with the Republic and sought to determine the just in its relation to the beautiful and the good. Benardete focuses in this volume on the good as discussed in the Philebus, which is widely regarded as one of Plato's most complex dialogues. Traditionally, the Philebus is interpreted as affirming the supposedly Platonic doctrine that the good resides in thought and mind rather than in pleasure or the body. Benardete challenges this view, arguing that Socrates vindicates the life of the mind over against the life of pleasure not by separating the two and advocating a strict asceticism, but by mixing pleasure and pain with mind in such a way that the philosophic life emerges as the only possible human life. Socrates accomplishes this by making use of two principles - the limited and the unlimited - and shows that the very possibility of philosophy requires not just the limited but also the unlimited, for the unlimited permeates the entirety of life as well as the endless perplexity of thinking itself. Benardete combines a probing and challenging commentary that subtly mirrors and illumines the complexities of this extraordinarily difficult dialogue with the finest English translation of the Philebus yet available. The result is a work that will be of great value to classicists, philosophers, and political theorists alike.

Tragedy Plus Time Dec 09 2023 “Inspiring, tragic, and at times heart-rendingly funny.” —People Unsentimental, unexpectedly funny, and incredibly honest, Tragedy Plus Time is a love letter to every family that has ever felt messy, complicated, or (even momentarily) magnificent. Meet the Magnificent Cayton-Hollands, a trio of brilliant, acerbic teenagers from Denver, Colorado, who were going to change the world. Anna, Adam, and Lydia were taught by their father, a civil rights lawyer, and mother, an investigative journalist, to recognize injustice and have their hearts open to the universe—the good, the bad, the heartbreaking (and, inadvertently, the anxiety-inducing and the obsessive-compulsive disorder-fueling). Adam chose to meet life’s tough breaks and cruel realities with stand-up comedy; his older sister, Anna, chose law; while their youngest sister, Lydia, struggled to find her place in the world. Beautiful and whip-smart, Lydia was witty, extremely sensitive, fiercely stubborn, and always somewhat haunted. She and Adam bonded over comedy from a young age, running skits in their basement and obsessing over episodes of *The Simpsons*. When Adam sunk into a deep depression in college, it was Lydia who was able to reach him and pull him out. But years later as Adam’s career takes off, Lydia’s own depression overtakes her, and, though he tries, Adam can’t return the favor. When she takes her own life, the family is devastated, and Adam throws himself into his stand-up, drinking, and rage. He struggles with disturbing memories of Lydia’s death and turns to EMDR therapy to treat his post-traumatic stress disorder when he realizes there’s a difference between losing and losing it. Adam Cayton-Holland is a tremendously talented writer and comedian, uniquely poised to take readers to the edges of comedy and tragedy, brilliance and madness. Tragedy Plus Time is a revelatory, darkly funny, and poignant tribute to a lost sibling that will have you reaching for the phone to call your brother or sister by the last page.

Comedy, Tragedy, and Religion Jun 15 2024 CHOICE2000 Outstanding Academic Title Comedy, tragedy, and religion have been intertwined since ancient Greece, where comedy and tragedy arose as religious rituals. This groundbreaking book analyzes the worldviews of tragedy and comedy, and compares each with the world's major religions. Morreall contrasts the tragic and comic along twenty psychological and social dimensions and uses these to analyze both Eastern and Western traditions. Although no religion embodies a purely tragic or comic vision of life, some are mostly tragic and others mostly comic. In Eastern religions, Morreall finds no robust tragic vision but does find significant comic features, especially in Taoism and Zen Buddhism. In the Western monotheistic tradition, there are some comic features in the early Bible, but by the late Hebrew Bible, the tragic vision dominates. Two millennia have done little to reverse that tragic vision in Judaism. Christianity, on the other hand, has shown both tragic and comic features—Morreall writes of the Calvinist vision and the Franciscan vision—but in the contemporary era comic features have come to dominate. The author also explores Islam, and finds it has neither a comic nor a tragic vision. And, among new religions, those which emphasize the personal self come close to having an exclusively comic vision of life.

Wise Children Jun 03 2023 In Brixton, Nora and Dora Chance – twin chorus girls born and bred south of the river – are celebrating their 75th birthday. Over the river in Chelsea, their father and greatest actor of his generation Melchior Hazard turns 100 on the same day. As does his twin brother Peregrine. If, in fact, he's still alive. And if, in truth, Melchior is their real father after all... Wise Children is adapted for the stage from Angela Carter's last novel about a theatrical family living in South London. It centres around twin chorus girls, Nora and Dora Chance, whose lives are brimming with mystery, illegitimacy and scandal. Dora narrates the story as her older self, looking back on a tumultuous life, throughout which she and her sister have loved to sing and dance. A big, bawdy tangle of theatrical joy and heartbreak, Wise Children is a celebration of show business, family, forgiveness and hope. Expect show girls and Shakespeare, sex and scandal, music, mischief and mistaken identity – and butterflies by the thousand.

The Story of Drama Mar 20 2022 Tracing the history of tragedy and comedy from their earliest beginnings to the present, this book offers readers an exceptional study of the development of both genres, grounded in analysis of landmark plays and their context. It argues that sacrifice is central to both genres, and demonstrates how it provides a key to understanding the grand sweep of Western drama. For students of literature and drama the volume serves as an accessible companion to over two millennia of drama organised by period, and reveals how sacrifice represents a through-line running from classical drama to today's reality TV and blockbuster movies. Across the chapters devoted to each period, Day explores how the meanings of sacrifice change over time, but never quite disappear. He charts the influences of religion, social change and politics on the status and purposes of theatre in each period, and on the drama itself. But it is through a close study of key plays that he reveals the continuities centred around sacrifice that persist and which illuminate aspects of human psychology and social organisation. Among the many plays and events considered are Aeschylus' trilogy *The Oresteia*, Aristophanes' *Women at the Thesmophria*, Menander's *The Bad-Tempered Man*, the spectacles of the Roman Games, Seneca's *The Trojan Women*, Plautus's *The Rope*, the Cycle plays and Everyman from the Middle Ages, Shakespeare's *King Lear* and *A Midsummer Night's Dream*, Middleton's *The Revenger's Tragedy*, Jonson's *Every Man in His Humour*, Thomas Otway's *The Orphan*, William Wycherley's *The Country Wife*, Wilde's *A Woman of No Importance*, Beckett' *Waiting for Godot*, Tennessee Williams's *A Streetcar Named Desire*, Suzan-Lori Parks's *Topdog/Underdog*, Sarah Kane's *Blasted* and Charlotte Jones' *Humble Boy*. A conclusion examines the persistence of ideas of sacrifice in today's reality TV and blockbuster movies.

The Tragical Comedy Or Comical Tragedy of Punch and Judy May 22 2022

Deep Comedy Jan 10 2024 In this short but stimulating work, Peter Leithart draws upon insights from history, theology, philosophy, and literature to connect two of the most glorious and unique truths of Christianity its hopeful eschatology and its doctrine of a dynamic, personal Trinity. First, Leithart shows that the biblical view of history is essentially comic and hopeful, in contrast to the classical Greco-Roman view, which is essentially and irredeemably tragic. Then he develops the same point by examining Greek philosophy and its descendants (including postmodernism) in contrast to orthodox Trinitarian theology. Finally, he shows how the tragic and comic worldviews have been reflected in literature, with discussions of Greek epics and two Shakespearean plays. The result is a tour through three thousand years of intellectual history that celebrates the living power of orthodoxy."

Comedy and Tragedy on the Mountain Nov 15 2021 Comedy and Tragedy on the Mountain covers seventy years of live theatre on Mt. Tom, Holyoke, Massachusetts, from vaudeville, operetta, WPA-sponsored shows in the Great Depression, and its heyday from 1941 to 1962 with a resident repertory company called The Valley Players. In the early 1960s, two new incarnations: The Casino-in-the-Park, and finally, the Mt. Tom Playhouse with touring packaged shows featuring well-known stars from television and movies. Many stars of stage and screen, and many newcomers who would one day become stars, performed over several decades on Mt. Tom. Through interviews, newspaper reviews, and many photographs, relive their performances, and go backstage for personal experiences that were both comic and tragic, and enjoy again the excitement of opening night.

The Comedy of Survival Dec 29 2022 With imagination and flair, the author also introduces the idea of a play ethic, as opposed to a work ethic, and demonstrates the importance of play as a necessary and desirable component of the comic spirit. The Comedy of Survival is a book for literary critics, environmentalists, human ecologists, philosophers, and anthropologists. General readers, too, will find much to ponder in the author's clear explication of how all of us might become better stewards of this, our home planet Earth.
