Accidental Pharisees Avoiding Pride Exclusivity And The Other Dangers Of Overzealous Faith Larry Osborne

Accidental Pharisees Larry Osborne, 2012-10-09 Zealous faith can have a dangerous dark side While recent calls for radical Christians have challenged many to be more passionate about their faith the down side can be a budding arrogance and self righteousness that accidentally sneaks into our outlook In Accidental Pharisees bestselling author Larry Osborne diagnoses nine of the most common traps that can ensnare Christians on the road to a deeper life of faith Rejecting attempts to turn the call to follow Christ into a new form of legalism he shows readers how to avoid the temptations of pride exclusivity legalism and hypocrisy Larry reminds us that attempts to fan the flames of full on discipleship and call people to Christlikeness should be rooted in love and humility Christians stirred by calls to radical discipleship but unsure how to respond will be challenged and encouraged to develop a truly Christlike zeal for God **Ten Dumb Things Smart**

Christians Believe Larry Osborne, 2009-04-14 In this delightfully personal and practical book respected Bible teacher Larry Osborne confronts ten widely held beliefs that are both dumb and dangerous People don't set out to build their faith upon myths and spiritual urban legends But somehow such falsehoods keep showing up in the way that many Christians think about life and God These goofy ideas and beliefs are assumed by millions to be rock solid truth until life proves they're not The sad result is often a spiritual disaster confusion feelings of betrayal a distrust of Scripture loss of faith anger toward both the church and God But it doesn't have to be so Respected Bible teacher Larry Osborne confronts ten widely held beliefs that are both dumb and dangerous including Faith can fix anything God brings good luck Forgiving means forgetting Everything happens for a reason A godly home guarantees good kids Get ready to be shocked relieved and inspired in the pages of **Ten Dumb Things Smart Christians Believe** Because the truth is meant to set us free not hurt us **A Contrarian's Guide to**

Knowing God Larry Osborne, 2018-02-20 An updated edition with two all new chapters a new introduction and a fresh look this book challenges widely accepted ideas about what it means to know God and offers fresh paths for pursuing genuine spirituality This practical guide speaks to those who are weary of formulaic faith or who are haunted by nagging doubts about the church as well as those who find the traditional spiritual disciplines impractical or even agonizing because of their personal wiring Easy to read but filled with challenging ideas this book provides a spiritual foundation for pastors and teachers committed Christians and anyone interested in discovering God for themselves but wary of predictable paths **12**

Steps for the Recovering Pharisee (like me) John Fischer, 2000-03-01 Who Are We to Judge We have met the Pharisees and they are us That's because we are all slaves to self righteousness and judgmentalism It's built into human nature We set the standard the list of do's and don'ts to which others must adhere Then we associate this predetermined behavior with

righteousness and declare A Christian wouldn't do that In this book John Fischer points out that Jesus defined the truth in such a way as to leave no one righteous not one We cannot be made right before God by being better than anyone else Instead by recognizing and laying aside the Pharisee in all of us we can embrace the grace gratitude and joy of the spirit filled life

Thriving in Babylon Larry Osborne,2015-04-01 Meet a man forced to live in a fast changing and godless society He faced fears about the future concern for his safety and the discouragement of world that seemed to be falling apart at warp speed Sound familiar His name was Daniel and with the power of hope humility and wisdom he not only thrived he changed an empire while he was at it Though he lived thousands of years ago he has a much to teach us today Even in Babylon God Is in Control In Thriving in Babylon Larry Osborne explores the adult story of Daniel to help us not only survive but actually thrive in an increasingly godless culture Here Pastor Osborne looks at Why panic and despair are never from God What true optimism looks like How humility disarms even our greatest of enemies Why respect causes even those who will have nothing to do with God to listen How wisdom can snatch victory out of the jaws of defeat For those who know Jesus and understand the full implications of the cross the resurrection and the promises of Jesus everything changes not only in us but also in our world

You Might Be a Pharisee If... R.T. Kendall, 2021-02-02 We all have a little bit of Pharisaism in us Pharisaism is one of the sins that angered Jesus the most Yet we are often in bondage to it without realizing it How can we recognize the warning signs in our own hearts and lives and be set free Do you consider yourself a better Christian than others Do you enjoy pointing out others faults while ignoring your own Do you fail to practice what you preach If so you might be a Pharisee a modern day version of the religious leaders in Jesus day whom He condemned for their legalism and self righteousness It's time to take a hard look at your attitudes and behavior and allow the Holy Spirit to set you free You will learn the following Twenty five signs that indicate you might be a Pharisee Why the sin of pharisaism angered Jesus The opposite character trait Jesus modeled Steps to take to rid pharisaism from your heart and mind This book will help you recognize the signs of pharisaism that is legalism and self righteousness in your own heart and know the steps to avoid this sin

Lead Like a Shepherd Larry Osborne, 2018-04-17 Pastor author and leadership consultant unpacks instruction for church leaders found in 1 Peter 5:1-4 where they are exhorted to shepherd the flock among them Some instruction is timeless Regardless of the age in which we live certain instruction carries no expiration on its relevance Pastor author and leadership consultant Larry Osborne has discovered this to be the case with instruction on how to be a good leader The best most practical advice comes from the Bible and in particular 1 Peter 5:1-4 It's in this short passage where leaders are exhorted to shepherd the flock among them Unfortunately most modern leaders have precious little experience tending sheep and many of the implications that were well understood when Peter penned these words are lost on today's reader Osborne finds the parallels to be numerous well worth reviewing and understanding anew A shepherd leads them to water even when they fear it A shepherd never allows one sick lamb to destroy the flock A shepherd lays down his life for his sheep When leaders truly understand Peter's words of exhortation to lead like a shepherd then they will begin to see the path that leads them to Leading Well

depicted throughout history The topics explored within this authoritative resource include the origins of the Pharisees the meaning of the name Pharisee Pharisaic leniency relative to the temple priesthood in judicial matters Pharisaic concerns for the Jewish laity Pharisaic purity practices and why they became popular the varying depictions of Pharisaic practices and beliefs in the New Testament Jesus s relationship to the Pharisees the apostle Paul and his situation within the Pharisaic tradition the question of continuity between the Pharisaic tradition and Rabbinic Judaism the reception history of the Pharisees including among the rabbis the church fathers Rashi Maimonides Luther and Calvin the failures of past scholarship to deal justly with the Pharisees the representations both positive and negative of the Pharisees in art film passion plays and Christian educational resources how Christian leaders can and should address the Pharisees in sermons and in Bible studies Following the exploration of these and other topics by a team of internationally renowned scholars this volume concludes with an address by Pope Francis on correcting the negative stereotypes of Pharisees that have led to antisemitic prejudices and finding resources that will positively contribute to the relationship between Jews and Christians in view of an ever more profound and fraternal dialogue Contributors Luca Angelelli Harold W Attridge Vasile Babota Shaye J D Cohen Philip A Cunningham Deborah Forger Paula Fredriksen Yair Furstenburg Massimo Grilli Susannah Heschel Angela La Delfa Amy Jill Levine Hermut L hr Steve Mason Eric M Meyers Craig E Morrison Vered Noam Henry Pattarumadathil Adele Reinhartz Jens Schr ter Joseph Sievers Matthias Skeb Abraham Skorka G nter Stemberger Christian St ckl Adela Yarbro Collins and Randall Zachman

Superheroes Can't Save You Todd Miles,2018-04-01 Comic superheroes embody the hopes of a world that is desperate for a savior But those comic creations cannot save us from our greatest foes sin and death Throughout the history of the Church there have been bad ideas misconceptions and heretical presentations of Jesus Each one of these heresies fails to present Jesus as the Bible reveals him In Superheroes Can t Save You Todd Miles demonstrates how these ancient heresies are embodied in contemporary comic superheroes Miles compares something everybody already knows who the superheroes are with what they need to know who Jesus is in a book that makes vitally important Christian truths understandable and applicable to a wide audience

Cannabis and the Christian Todd Miles,2021-08-17 What does the Bible say about marijuana If it doesn t directly address marijuana how can Christians know what to make of the legalization of recreational cannabis and the advocacy of medical marijuana In the past Christians could easily answer the question of whether or not it was permissible to use cannabis by deferring to state prohibitions We could simply say it s against the law Today that answer is no longer possible Christians are now forced to do what they should have been doing all along Think like disciples of the Lord Jesus Christ and bring to bear the wisdom of the sufficient Word of God Since cannabis is not explicitly mentioned in the Bible we must understand what it is and how it affects the user We also must understand what the Bible says about discipleship healing suffering and what it is to be human Only then can we answer the critical questions regarding the recreational use and the medical use of cannabis In Cannabis and the Christian Todd Miles gives readers Biblical wisdom

applied to the question of recreational cannabis Biblical wisdom related to the medical use of cannabis A grid to think through other ethical questions that aren't directly addressed in the Bible Confidence to respond to challenging issues standing on the sufficient Word of God *Heritage or Heresy* B. Schildgen, 2008-07-21 This is an account of the roles of local and national movements and of memory and regret in the destruction or preservation of the architectural artistic and historic legacy of Europe in which the author examines what is cultural heritage and why it matters
